BELOIT, WISCONSIN, U. S. A.

July 5, 1917.

Dr. Casey A. Wood,
7 West Madison Street,
Chicago, Illinois.

Dear Dr. Wood:

Just before leaving Beloit I received your extraordinarily attractive monograph on FUNDUS OCULI OF BIRDS. I am very glad to receive and and shall have it reviewed for number 3 of the current volume of the Transactions which ought to appear early in October, if we are not unduly delayed.

I congratulate you on this piece of work and shall look forward with interest to your further researches in this field.

Thanking you for the copy, I am

Very respectfully yours,

T. W. Galloway
