Miss Florence Garrison,
Army Medical Library,
Washington, D. C.

Dear Miss Garrison:-

Many thanks for sending me the addresses of members of the Charaka Club. I have since had a later list from the Secretary, Dr. Malloch.

I have not seen your brother on his return from Budapesth. Probably he has not journeyed by way of London, or had so little time to spare that he did not notify me. In any event I might not have been able to see him as I have had rather a serious attack of what the doctors call acute cardiac asthenia and am still laid up and feel rather shaky. However, I am much better and hope to be about in a month or so.

I remain, with kindest regards,

Sincerely yours,

Casey A. Wood

Dr. Casey Wood,
Authors' Club,
London.

My dear Col. Wood:

The latest data on the "Charaka Club" in this Library, is the volume containing the proceedings of 1925. There is a list of members (without addresses) in this volume, but I found the addresses of all except four in the American Medical Association Directory. These names are in an old A.M.A. Directory, so I presume they have passed away since 1925.

I enclose the list, which is the best we can do for you.

I am also sending the carbon of this list to Dr. Dana, requesting him to check it up to date and forward it to you.

With kindest regards,

Very sincerely yours,

Florence Garrison.
