Dear Sharpe

I hope you have not forgotten the visit to my woof-tree which you projected at the last B.O.C. gathering. I have been racking my brains ever since to recollect an enquiry you asked me to make on that occasion — but so far, without the least success. It referred to some-thing at Peterboro' but I haven't an idea what. If you will kindly let me know, how-ever, I will glad see to it

Sorry not to see you

Yours very truly Henry A. Baker
