My Dear Sir:-

Have noticed references to your new edition of Layard's "Birds of Southern Africa" in "Nature". Should be pleased to receive the numbers as far as ready. Can send you in exchange, Vol. I of my Life-Histories of Birds which is now ready. See enclosed Circular. Also in a short time, Vol. II of the same work, with others upon Fertilization of Flowers by Insects, History of Spiders, and Pre-history of Races of Penna.

Hoping to hear from you soon, as favorable to my

propriae,

Germain

Very truly Yrs.,

Thomas G. Gentry,
