420 South Thirty-sixth Street

Dear Dr. Wood:-

many thanks
for your dog story.
It was a joy and
certainly struck a
responsive chord in
my soul. I felt
like dashing out
on the spot and

way laying the
first hound I could
lay my hands on.
At present my life
is hopeless due to
our garden and
natures desire to
keep it intact but
am hoping for
better days.

Sincerely
Ernie Fisher
