Dear Sir:

Feb 6/32. Mailed him an autographed copy with my address (Hist of G. W. Henry, Colombo, as the last address for the Condor -

On my return from a three months collecting trip in the Gulf of California I find your letter of the 20th of December offering me your valuable book in exchange for two subscriptions to the "Condor." An offer which I am only too happy to accept.

Please to let me know who you wish to favor + I will get Lee Chambers to put them up for membership.

Respectfully
Steve A. Glassell

P.S.

Would it be asking too much to request that the volume be autographed?

S.A.G.
