Dear Sir

New Forest

After I left you
yesterday I got the
petition signed
by Mr. Bates Mr. Rye
Mr. Druce & Sir Thomas
Erskine.

The gist of the evidence
required by Messrs
Hoare & Hunter
to bring before the

Select Committee
on Friday next is
1st That the New
Forest is the
habitat of many
rare & local
birds insects
plants &c &
that the destruction
of such the Forest
will involve the
destruction of such
birds insects & plants
2nd That numbers
of persons annually
resort to the New
Forest for the
purpose of collecting
birds & their eggs,
insects plants &c
& observing their
habits &c
That write a letter
& Messrs Stone &
Hunter which
they can read to
the Select Committee
