Dear Doctor

I must apologize for not writing to you sooner after receiving your letters of April 19th and November 26th last; and hope you will pardon me for my neglect under the following circumstances, your last letter was mailed to 73 St Matthew St, where I was boarding after my sister's death in June 1924.

Last Spring I decided to get married and did so in June last and returned to the above address. the lady has been an acquaintance of mine for many years, she came from Scotland with her parents who now are both dead; so was all alone.

Last April you asked me to send you a copy of the "Gazette" but omitted to do so. I am sending one now, also a statement of the Lodge account and 1924 – 49th Annual report.

With kind regards to Mrs Wood and you

I remain
Yours sincerely
John Gow
