My dear Sir

Yours rec I think told
you that it was likely that
I should go out to S. Africa
for six months. The matter
was finally settled only
yesterday and I have now
to look out for some body
to take my place at the

Yorkshire College in Leeds.

It occurred to me that you might be able to undertake the work and I should like to come up tomorrow evening and ask you the question, and, if you are ~~not~~, talk the matter over. Do not suppose that I shall call if you before 7 in the evening.

In case you cannot see me tomorrow will you please send me a telegram to that effect. If you stop at tonight, please send it to the above address: if tomorrow morning to
