Dear Mr Sharpe

I am sorry
to say that I
am not having
[illegible] from Barnard
at once
I think the idea
of an Ornithological
Club is a very good

me 9 of our
out custom to meet
with success
It would of course
be more useful to
Members living in
or near London than
to meet like myself
quite at a considerable
distance

Yours very truly
Ob Custon Wright

them
Miss or three known
of the lands not (the

appear to me to be
our home land lands.
Shall I continue to
send you ——!

Believe me
Yours very truly
