COUNCIL ON EDUCATION
SOUTH KENSINGTON MUSEUM

29th May 1868

Dear Mr Wornum

Wm Holland & others
Wd very fain lend us & accord
permission & study from the
National Pictures at South
Kensington as we think it just possible
enough to a picture by Hogarth
(which she is copying there) to see
its details, she may regard Styles
Well Wd then be good enough to give

Lor the keeping authority to
approach the picture or when he visits
Vails - a privilege which, I believe,
he occasionally accord

Believe me
always
Yours most faithfully
