Dear Mr Sharpe

I have been abroad for several weeks & have only very lately returned when I found your letter which had not been forwarded to me. Hence the delay in my reply which I hope you will forgive.

Will you kindly send the copy of the Kingfishers to

me here & let me know
what I am indebted to
you for the binding. & if you
will also kindly give me
the binders address I shall
be able to send the Anatomy
(if ever is completed) to
him to be bound to match.
with many thanks for the
trouble you have taken
Believe me
Very truly yours
Herbert V Hawkins.
