Bowdler Sharpe Collection

I suppose therefore, if we present ourselves at the Rascals with the slides that no further arrangts will be necessary.

I believe he has rather a large number, but of course a selection may be made, if there are too many —

Reardon's address is Ardingley. Caterham Valley. Surrey — If you have anything to say likely to be of use to him, perhaps you will kindly address him direct as time presses —

With very kind regards
I am
yours faithfully

Dear Dr Sharpe.

I wrote to Reardon on receipt of your letter, & he now states that he will prepare some special slides, representing his best work, & that his brother will attend in order to exhibit them —

I would suggest that he comes as my guest
