E. E. B. HOWARD,
1068 MASS. AVE.
CAMBRIDGE, MASS.

July 11th 1873.

Mr. Robert. Ridgway.

Dear Sir.

Can you very kindly favor me with your autograph, for use in my collection, which is now a very large and interesting one, numbering upward of five Thousand, and now entered upon its thirty second year.

A very large space has been assigned to "the authors,"

and under which caption stand Eleven Hundred, I have many kindly favored me.

To place in this most long and distinguished line, and to place among my "historians", I have reserved an open space for the autographic contribution of

Robert Ridgway

and hope to be favored by you, at your convenience.

Very truly yours

Edw. W. Howard
