Dr. Casey A. Wood,

7 West Madison Street,

Chicago, Ill.

Dear Doctor:

Yours of the 7th of September came in due time, and soon afterwards I left Washington. On my return I find your magnificent monograph on the Fundus Oculi of Birds, which I am very glad to have. Please accept my congratulations for the admirable work you have done, and my thanks for your great courtesy.

Yours very truly,

L. O. Howard

Chief of Bureau.
