Bowdler Sharpe Collection

MAWLEY HALL,
CLEOBURY MORTIMER,
SALOP.

Dec 30th 98.

Dear Mr. Sharpe.

I hear our old friend Jackson is in England again. Could you kindly let me have his address, as I should like very much to try to get him to come down here?

I expect he has brought you a lot of new treasures from Central Africa. It is time of married life with present

my ever doing any more
travelling abroad. I hope
he has quite got over his
wounds. With best wishes
for the New Year.

Believe me
Yours very truly
Wm Hunter.
