May 24, 1921.

Mr. and Mrs. Robert Ridgeway,
Olney, Illinois.

Dear Mr. and Mrs. Ridgeway:

You are ~~one of the~~ good friends whom our Directors feel free to call upon whenever we need it.

We are starting a drive for increased membership, which we have found to be absolutely necessary if we are to continue the Bulletin and our work in the way it needs to be done.

Letters are being sent to all the members asking them to bring in new members, but the Directors are pledging themselves to get out and get new members, and we feel your interest to be sufficient to warrant our asking if you will not assist in the same way the Directors are doing.

If you find it possible to do this the enclosed blanks will be of assistance.

Yours most gratefully,

C. A. Mitchell

Secretary

Mr Robert Ridgway
Olney
Illinois.

My dear Mr Ridgway;-

Miss Hannig has forwarded to me your recent letter in which you enclosed membership dues for yourself and Mrs Ridgway, and I assure you it is a pleasure to have your names added to our list.

In response to your request for Audubon Bulletins, twentyfive copies were sent you some days ago. There is no charge for these as no price has ever been put on the Bulletin, and we are especially glad to send copies, where we know they will be distributed to the best advantage. If you can use any more, just let me know, and they will be sent.

I am sending you under seperate cover a package of literature, merely merely because I thought you might be interested to see what we usually send to new members. Uor circular of information on the "Illinois Audubon Society" is out of present, I regret to say, but we hope to have some new ones soon. Our circular"Concerning Local Societies" may be of interest to you in view of the fact that you are contemplating the organization of one in the Spring

Cordially yours,
Bertha T. Pattee
Secretary.
