Dear Sir

I am very much obliged to you for sending me the Reliquiæ Aquitanicæ a most excellent work of which I received Part XIV yesterday. I am sorry to tell you that Part XIII never reached me. My friends as well as myself are ~~most~~ the more desirous to possess this interesting and instructive work, as of late in the Canton of Schaffhausen some caverns have been discovered the contents of which resemble very much those of Perigord. I shall be happy to send you the publications relating the implements and bones found in the caverns of this Swiss Perigord.

Believe me, dear Sir, your obedient Servant

Dr. Ferdinand Keller
