W. DAVIES SHERBORN
DONAVIT.

Imperial Fisheries Bureau

Tokyo 8 Aug. 1905

Dear Sherborn

Many thanks for your kind note dated May 31st and a copy of London Times weekly. We feel much obliged for your kind sympathy for our country. Fortunately we have conquered Russia on land and sea.

I am now going to the Island Karafuto (Saghalien) to investigate the fishing industries of the island and shall remain there till the end of October.

With kind regards, I remain

Sincerely yours

K. Kishinouye

Dear Sir

~~A vacancy has occurred~~

Through the lamented death of Dr Blandford a vacancy has occurred in the Directorship of the Eastern Asylum. You have read the Bill which has been passed by the House of Commons of the Council. the use of the Press

1. That it is impolitic & unbecoming that the Offices of two Societies should be in the same hands. the Secretaryship of the Council being already deemed sufficient
2. That the Directorship of the Eastern Asylum should be held for more of his reputation

he therefore ask for Dr Robertson the present

Dr ~~Todd~~, LLD, FRS

for the name before the Council.

If you agree to this then the other vacancy will be filled

We are Dear Sir

Yours
