Robt Ridgeway Esq

My Dear Sir: I wrote you on the 19th. ultimo asking if you could give a list, (or partial list) of publications by government authority in relation to fish culture.

Not hearing from you I presume the letter mis-carried. The gentleman for whose benefit I desired the information is so much interested in the work that I venture to write you again.

If you have not access to the information desired will you please inform who has.

Very sincerely yours
