Dear Mr. Morgan,

Thank you for your interesting letter. Lady Byng showed me ~~the~~ Siberica irises two years ago. I picked out the best varieties, named them & took them up to R.H.S. when several received awards. Only

one I think was yours.
She is a busy lady &
Lord Byng takes a deal
of looking after. However
I will do my best to see
your circs have proper
& suitable consideration.

With best greetings,
I am
Yours sincerely
William Morgan
