SAVIES SHERBORN
DONAVIT

Colleg. Doctors Commons
17 December 1858

My dear Sir

I am obliged to you for the microscopic objects relating to the Hammersley Bay of Hastwell and they will be most acceptable for the museum

I take leave to offer you two photographs which may illustrate the last visit of the Hydrologists under Professor Morris Guidance to Hastwell

I remain
My dear Sir
Yours truly
J. Lee

J. B. Jones Esq
