Dear Sir,-

I regret that I am unable to send you a copy of the undernoted volume, in exchange, as we have none for that purpose in this Library. This is a large work, priced at $15.00, and is for sale at the Oxford University Press, London, England.

If you have anything of equal value to exchange, you might address the author and compiler, Col. Casey A. Wood, who is now at 295 Wigmore Drive, Pasadena, California, U.S.A., and who might be interested in hearing from you in this regard.

Faithfully yours,
