Dear Sharpe—

Sorry I can't oblige Jan this time. We are only allowed 4 tickets each for the Soirée and naturally mis own family absorbs these.—

I shall have much pleasure in dining with Jan at the Savage later on. Will write & give Jan good notice.— Faithfully Jours

My dear Sharpe -

I am sorry that I shall not be able to hear your lecture on the 24th for on that evening I have a business meeting which I must attend - The evening will not be so pleasant as under your guidance.

I am sorry to say Mrs Marks is confined to her bed, though not through influenza - with that exception, we are all well. thanks and love for through the winter all right. Faithfully yours H.S. Marks
