MCGILL UNIVERSITY PLAYERS' CLUB

Since our last production Prof. T. W. L. MacDermot has been forced to resign his position as Honorary President of the club, due to his appointment as National Secretary of the League of Nations Society in Canada.

For two years Prof. MacDermot played a very active part in the organization of the club's affairs. He was always willing to give up his time in our interests, and the wise counsel which he gave us on all occasions has been most valuable in furthering the success of the Players' Club. The Executive add their sincere congratulations to the many which Prof. MacDermot has received upon his new honour.

We welcome most heartily his successor Dr. C. W. Hendel, Jr. with whom we look forward to working on many future productions.

THE PACK AND FIELD
AT
PENSURST, KENT, England

This scene of life and colour contrasts sharply with the background of sleepy meadow and grazing sheep with the century-old Rectory and cathedral in the further distance. One can almost hear the clarion call of the hounds, the "clap-clop" of cantering hunters, as the field and pack emerge into the open lanes from this picturesque village of rural Kent.

Pocket tin of Fifty—55 cents

BECAUSE THEY FIT SO GRACEFULLY into their scheme of good living, men and women with a zest for life show a natural preference for W. D. & H. O. Wills' Gold Flake Cigarettes.

Delightfully cool, mild Virginias, well and firmly made to traditional English standards . . . only the "cream of the crop" can give Gold Flakes the distinctive, appealing flavour that is ever welcome.

Gold Flakes are so popular that the pocket tin of fifty has become the largest selling 50's tin in Canada. It is the most convenient and economical way in which to buy your Gold Flakes, though of course you can also get them in the familiar yellow package of twenty. . . . Cork tip or plain, as you prefer.
