In times of expansion or depression, Canadians have learned to rely upon the unwavering safety and helpful service of the Bank of Montreal.

Older than the Dominion itself, yet young as the latest sound business enterprise of Canada, this Bank keeps strong and efficient by pursuing its traditional policy of banking practice consistent with safety for depositors, and by adjustment of its services to the demands of modern business.

MCGILL UNIVERSITY PLAYERS' CLUB

●

Due to the pressure of academic duties, Dr. Hendel has been forced to resign his position as Honorary President of the club. For two years Dr. Hendel has played a very active part in the organization of the club's affairs. He has always been willing to give up his time in our interests, and his wise counsel on all occasions has been most valuable in furthering the success of the Players' Club.

The Executive and the members alike join in expressing their regret at the resignation of Dr. Hendel, and each and every one feels that we are losing a competent advisor and a real friend.

TO OUR FRIENDS IN THE AUDIENCE—

With the organization of this production, the McGill Players' Club is continuing the policy begun last year. For some years we have felt that our audiences, though generously loyal and enthusiastic, have been somewhat out of touch with the club and its immediate activities. To ensure a greater cohesion between ourselves and our friends, and to keep our supporters posted as to our forthcoming productions, we have decided to make up a mailing list. If you wish your name to be on it, please fill in the lower half of this page, and hand it in to an usher,
