**KNOW
WHAT'S
HAPPENING
IN THE WORLD OF THE ARTS**

From Tennyson to Tolkien. Schubert to Sinatra. Van Eyck to Van Gogh. Bernhardt to Burton. The world of the arts is a fascinating one. Take a long look at it every Saturday through the eyes of the writers and critics of The Star's Entertainments Section. They tell you what's what and who's who. With authoritative reports interesting comments. That's the Star's Entertainments Section... every Saturday. The Star supplements this coverage with daily news of the world of art and entertainment.

Avis will rent you a car for skiing only under certain conditions.

Condition No. 1: Snow

When the snow's good, Avis will be glad to rent you a car to go skiing.

We equip our new Plymouths with a ski rack, snow tires, and seat belts.

We'll tell you where the best ski conditions exist, how to get there, and which roads are in good shape.

We even have a special rate for weekends.

But here's the kicker: If the snow's not there, or if the roads are iced over, we'll tell you that too.

We'd rather lose the business than the customer.
