## HOROSCOPE FOR JANUARY

A man born in this period will be of a strongly self-willed disposition, inclined to travel. Given to odd whims and fancies. Not discouraged by difficulties. Easily angered and slow to forgive injuries. Hard to be imposed on. Meeting all trouble bravely. In life he will be moderately successful and enjoy a portion of happiness.

Of an amorous disposition, and passionately devoted to his wife at first, but in danger of being fickle in his love.

A woman born at this time will be of a studious, industrious and quiet disposition. Not inclined to change. In love she will be constant and moderate. Will make a kind and tender mother and affectionate wife.

April and August will be your lucky months and Saturday your most auspicious day. The tulip is your flower and if you wear a sapphire it will bring you quiet happiness. The gem for January is the garnet.

### HOROSCOPE FOR FEBRUARY

A man born at this time will be shrewd and have an eye to number one. He will gain by diplomacy what others would get by force. He will bear insult in order to gain his end, but when this is gained will repay with interest. Of a haughty disposition. In love he will not be passionate. Severe with the faults of his children, and an exacting husband.

A woman born at this period will be of obliging manners, open and sincere, clever, frank; a sincere friend. Opposed to deceit, faithful in love, affectionate to her family and an excellent wife.

September and May are your most promising months and Wednesday is your lucky day.

The flower is the Daffodil and the gem for February, the Amethyst.

Use

# Painkiller

(PERRY DAVIS')

for quick relief for painful  
frostbites and chilblains

*Chilblains.*—Result from chilling the feet or hands below the temperature of the rest of the body. Restore the temperature slowly by brisk walking or soaking the feet first in cold then in tepid water, meanwhile keep away from the fire. When the circulation is re-

stored, rub in Perry Davis Painkiller clear several times a day and at bedtime. Keep the feet warm and dry.

*Frostbites.*—Usually occur on the nose, ears, toes, fingers and face, and should be treated with great care. The white appearance results from the blood having been driven away from the part, and unless the circulation is restored slowly and carefully severe inflammation and permanent damage may result. Keep away from the fire and in a cold room, and apply snow or cold water until the circulation is restored; then apply Perry Davis Painkiller to take away the inflammation.

Regular size bottle: 50c.

Other sizes: 30c., 35c. and 75c.

---

## HOROSCOPE FOR SEPTEMBER
