# Dodd's Kidney Pills

MANY scientists whose lives have been devoted to the study of the human body with its ailments and their cure, have contended that Nature had provided a remedy for every human ill if man himself could but discover and properly apply it.

In the vegetable world has been found over and over again the greatest healing properties, which, when properly compounded, have served as balms for bruises and sores. To the vegetable world, therefore, do the most eminent men look for curatives. It was while studying vegetable medicines that the author of Dodd's Kidney Pills found the constituents which, when compounded, produced this most wonderful medicine.

Dodd's Kidney Pills are a purely vegetable preparation. Nature has placed these curative properties there, and there they have always been, but it was not till about twenty-three years ago that this remarkable discovery was made.

The author of Dodd's Kidney Pills had been for years exploring the depths of Nature's hidden store-house in search of a medicine that would heal the diseased kidneys and restore them to their normal functions. Many times he had come very near it, but there was always some objection. His object was to get something that would go directly to the kidneys, set about the healing work without delay and carry it on without interrupting, deranging or irritating any other function of the body. He found that to accomplish this he must secure a remedy that could be applied in pill form. All liquid preparations contain a certain amount of alcohol. This irritates the kidneys, hurries on the heart's action, and besides, is very objectionable to a great many good people who do not knowingly allow themselves to use alcohol in any form.

When, one happy day, he struck upon the vegetable combination, he so long had

sought, he lost no time in making the necessary trials of his new compound. The results were astonishing even to himself. Cases of Bright's Disease and Diabetes, which had hitherto been incurable, were conquered, and the subjects restored to perfect health.

To-day Dodd's Kidney Pills are the most widely known and popular medicine in the world. There is scarcely a village on the civilized globe where Dodd's Kidney Pills are not to be found, and which does not contain some living monument of their wonderful curative properties.

"About a year ago I read over the self-examination page in your book and found I had two or three symptoms mentioned therein. Did not take any medicine just then as I did not think I needed it, however, after a month I began losing weight and strength very rapidly so decided to try Dodd's Kidney Pills. After using two boxes I began to gain a little and now after using four boxes I am in good health."

## HAVE YOU KIDNEY DISEASE?

**A**SK yourself the following questions. Answer truthfully, for your future health and happiness, perhaps your life depends on your honesty to yourself in this matter. Many have found out to their dismay that they have had Kidney disease, only when asked just such questions in an examination for life insurance. If you have to answer "Yes" to any of these questions, you are in danger. If your answer to two or more of them be "Yes," you are in great danger and should act promptly.

# OUR DUTY TO OUR BODIES

**T**HE human body is the most marvelous work of creation. The Almighty and allwise Creator has made nothing without a purpose. Every part of the human body has a particular work to do in maintaining the welfare of the whole, and is located in the exact position in which it may best fulfil the design for which it was made.

Has it ever occurred to you why the eyes, nose, and mouth occupy the relative positions they do? There is a reason. The food we eat and drink, is taken into the body through the mouth. Our eyes are placed above and on either side of the mouth to see that nothing that looks unfit for food or drink is taken into the body. Our nose, with the sense of smell, is placed immediately above the mouth as an additional precaution, so that anything which may look all right, but which smells bad, may be rejected. In case anything which is really injurious should escape the notice of these two sentinels, the sense of taste immediately notifies us to reject that which is not good. In this way, every organ of the body is located in the exact position in which it can best serve.

The kidneys are situated in the back of the abdomen. Their function is to filter the blood. The work of the blood is to tear down and carry away worn tissue, and to receive from the food and distribute to the body new tissue-building material. The blood, in carrying away the wornout tissue becomes laden with impurities and waste matter, which it is the duty of the kidneys to separate. The whole bulk of the blood passes through the thread-like tubes of the interior of the kidneys once every three minutes. As the blood passes through these tubes, the waste matter and impurities are separated and drained into the little sacs placed at the ends of the tubes to receive

them. These little sacs, in turn, send the impurities to the bladder, from which they are finally expelled from the body in the urine.

Nature has done her part in providing us with every safeguard against taking into our system or keeping there, that which is unclean. If we were blind and could not smell or taste, we would, without doubt, eat and drink many things not good for us. It is our duty then to preserve these senses in healthy working order. In just the same way, if the kidneys do not filter the blood as Nature intended they should, the system is forced to retain filth which should be thrown out. It is, therefore, our duty to see that our kidneys are kept in a condition to do their work promptly and well. Dodd's Kidney Pills are the only perfect kidney regulator.

Pure blood means good health. It is impossible to have pure blood unless the kidneys do their work, for the decayed, rotten tissue, which the kidneys should have strained away, remains in the blood and irritates brain, and nerve and heart, until the whole body is sick and sore and tired.

If the kidneys are not corrected, the poison accumulates until Bright's Disease, Diabetes, Dropsy, Rheumatism, Catarrh, Paralysis, or some other of the many diseases which have their origin in the kidneys, appears. Dodd's Kidney Pills will correct the action of the kidneys and cure you.

The fact that the kidneys occupy this all-important relation to the well being of the body have made them the object of much attention by the greatest medical scientists, and thousands of remedies have been tried and have failed. However, science has given to the world a remedy which never fails. That remedy is Dodd's Kidney Pills.

# DIABETES

**T**HIS disease is another of the old time "incurables," which has had to yield to the new conqueror of disease, Dodd's Kidney Pills. Diabetes has always been incurable, till Dodd's Kidney Pills were discovered. Its presence indicates a very serious condition, but let no poor sufferer give up hope. Dodd's Kidney Pills have cured hundreds of cases of Diabetes which had been given up as incurable. Among those thus snatched from the grave are physicians, who, when their own life became endangered, threw aside all prejudice, and commenced the use of Dodd's Kidney Pills. Diabetes is peculiar to those who are high livers. It is Nature's protest against intemperance in every form.

## The Symptoms of Diabetes

Great thirst, voracious appetite, dry harsh skin, clammy tongue, a sense of weight or acute pain in the loins, failing sight, pale colored urine, loss of sexual power, bleeding of the gums, swelling of the feet and ankles in the advanced stages, emaciation and weakness, numb feeling in the thighs, nervousness and irritability, cold damp skin, boils and skin eruptions, looseness and decay of the teeth, quickened pulse, increase in quantity of urine.

All these symptoms are not present at one time. But don't wait for all of them.

You must not conclude that because you do not find yourself suffering from every one of these symptoms, that you are free from Diabetes. Any one of these symptoms may indicate its coming or its presence. You owe it to yourself not to lose a moment. Begin at once to use the only remedy for Diabetes that has never failed—Dodd's Kidney Pills. This medicine has never yet met a case of Diabetes which did not yield to its curative properties. Dodd's Kidney Pills, as the name indicates, are made for the cure of the kidneys. They cure the kidneys and

restore them to their natural functions, enabling them to do their work promptly and well. In curing the kidneys, Dodd's Kidney Pills remove the cause of Diabetes, and the cause being removed, the disease disappears.

If you doubt, read the stories of those who, like you, suffered, were discouraged, were advised, tried and were cured. Many of them say that they were more astonished themselves than anyone else at the miraculously complete cure that Dodd's Kidney Pills effected in their case. The volume and positive character of this evidence is such, that now there remains no doubt that Dodd's Kidney Pills will cure Diabetes. We cannot publish all, but give a few. Thousands of others equally strong, can be given. Consider these experiences, and you will conclude to try the only sure cure—the cure that always cures, and cures you completely, to stay cured. Dodd's Kidney Pills is the only remedy ever discovered that always gives a permanent cure to any case of Diabetes.

## One Woman's Belief

"I do not believe I would be living to-day if it had not been for Dodd's Kidney Pills. Five years ago I caught cold and it developed into Diabetes. I still grew worse until I had to keep to my bed. My father wanted to go for a doctor, but I told him it was of no use, but if he could get Dodd's Kidney Pills I would try them. He got me two boxes. After the first two or three days I began to get better so fast that I surprised my friends and in less than a month I walked over two miles. I took in all five boxes and am very glad to say they cured me completely of diabetes and other diseases. I cannot speak too highly of Dodd's Kidney Pills and would gladly recommend them to any one suffering as I did."

DAVID HEON

**T**HAT Dodd's Kidney Pills will cure Diabetes has been proved again and again.

To the great mass of evidence already published is now added that of Mr. David Heon, of St. Wenceslas, Nicolet Co., Que.:

"As you request all persons using your Dodd's Kidney Pills to write you about the effect, I wish to say that I have used your Dodd's Kidney Pills because the doctor told me I was threatened with Diabetes and said there was no cure for it. I saw by your almanac that Diabetes could be cured so I began to take your Dodd's Kidney Pills and from the first dose I felt better, was not so thirsty and I urinated less. I took in all ten boxes according to directions and now the doctor says all trace of Diabetes has disappeared. I really believe your Dodd's Kidney Pills saved my life.

"I recommend them to all my friends and acquaintances. I am in my seventy-eighth year. Hoping this letter will be useful to you and I wish you every success."

"Your Dodd's Kidney Pills cured me completely last winter. I was very ill with Kidney Disease, but Dodd's Kidney Pills gave me relief."

MR. JOHN KUEHL,  
Foymount, Ont.

"I suffered for a year from Kidney Disease. I bought some of your Dodd's Kidney Pills. The first box made me well, but I took another box in order to complete my cure. I advise all those who suffer from Kidney Disease in any form to use Dodd's Kidney Pills as I know they will be helped."

# BRIGHT'S DISEASE

**B**RIGHT'S Disease of the kidneys is one of the most insidious of all the maladies that flesh is heir to. It creeps on its victim quietly, slowly, yet surely. No violent symptoms announce its coming, but nevertheless, the sure and certain work of destruction goes steadily on, till at last the unmistakable signs of Bright's Disease leave no room for doubt, and the patient is told he cannot be cured—he must die. The noiseless, painless, and gradual approach of this disease makes it one most to be dreaded and one which causes, directly or indirectly, more deaths than any other in the world to-day. There are thousands of men and women all around us on whom the grim, relentless clutch of this monster is gradually, yet surely, tightening. They are not aware of it, and are living on in a fool's paradise, entirely ignorant of their great danger. How may one know that Bright's Disease is coming?

## Symptoms of Bright's Disease

The most frequent of the early symptoms are:

Loss of flesh, dry, hot skin, fits of "the blues," shortness of breath, changeable appetite, loss of sexual power, sleeplessness, continued nervousness, soreness of the bowels, puffiness under the eyes, headache and neuralgia, pains in the region of the heart, chills and fevers, especially at night, constipation, with occasional diarrhoea, swelling of the legs and abdomen, cramps in the muscles of the legs, failure of strength, with paleness of the face, great decrease in quantity of urine passed, albumen in the urine, shown by chemical tests, dropsy, beginning at the ankles and extending upwards, pains or burning sensation in the loins or in the small of the back, inability to fix the attention on one's work, dark colored urine that scalds while being voided and which shows a deposit or is covered with a greasy scum after it has stood for a time.

You will not have all these symptoms at one time. One is enough to determine

that your kidneys are in the way that leads to Bright's Disease.

## The Cause of Bright's Disease

The kidneys, being diseased, refuse to do their work of cleansing the blood of waste matter and other impurities. In some forms of kidney trouble these poisonous impurities are carried all over the body by the circulation. In Bright's Disease, however, the greater part remains in the kidneys themselves, which soon become masses of putrid, rotten, festering filth, and finally break down altogether. In this aggravated condition the strength-producing property of the blood—the albumen—is allowed to escape in the urine, and this—a distinguishing mark of Bright's Disease—hastens the general breakdown of health. The blood is weakened and poisoned at the same time.

## The Cure of Bright's Disease

Heretofore, Bright's Disease has been incurable. Physicians frankly admit their inability to cure it. The announcement of Bright's Disease has been as the sentence of death, from which there was no escape. It is not incurable. Dodd's Kidney Pills will help any case of Bright's Disease, no matter how acute, or of how long standing. Of course it is always easier to check and cure a disease in its earlier stages, and therefore, it is advisable to use Dodd's Kidney Pills the very moment you discover any of the symptoms named above. But don't let anyone despair. There is hope for the most serious case.

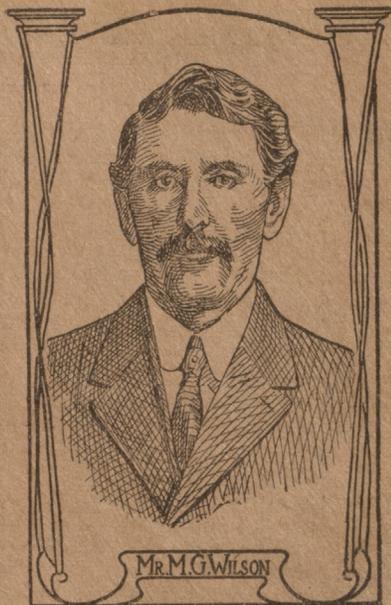

"A cold was the beginning of my trouble and for six long years I was a victim of backache, terrible headaches, Bright's Disease and Nervousness. Then I started to take Dodd's Kidney Pills and they cleared out my Bright's Disease, cured my backache and brought back my health. I can recommend Dodd's Kidney Pills as there is nothing better."

MR. M. G. WILSON

**T**HAT any remedy that will cure Bright's Disease will cure any form of Kidney Disease has long been admitted by the medical profession, and this place furnishes one more undoubted proof that Dodd's Kidney Pills will cure Bright's Disease. For Mr. M. G. Wilson, of Little Shippegan, Gloucester Co., N.B., had Bright's Disease, and Dodd's Kidney Pills cured him.

"For several years I suffered with a terrible pain in the small of my back and shoulders, also Bright's Disease. I was treated by doctors, and used all kinds of medicines, but nothing helped me until I began using Dodd's Kidney Pills. Five boxes cured me completely. I am a farmer, thirty-nine years old and I must say Dodd's Kidney Pills are the best pill I have ever used."

Neglected Kidney Complaint develops into Bright's Disease, Heart Disease or Diabetes. Dodd's Kidney Pills cure any and all of these. But it's easier and safer to cure the earlier symptoms by using Dodd's Kidney Pills. They never fail to cure any form of Kidney Disease.

"I can say your Dodd's Kidney Pills are O.K. They sure do the business."

WM. ALTERGOTT, JR.,  
Paradise Hill, Sask.

"I have taken your Dodd's Kidney Pills for Kidney Disease and they have cured me. I tried many different medicines, but nothing helped me. Your Dodd's Kidney Pills were well spoken of by my neighbors so decided to try them. They are the only medicine that gave me relief."

# WHAT A "CURE" MEANS

**M**ANY medicines advertised to "cure," really only relieve. To cure a disease is to remove the cause of the disease, to thoroughly eradicate from the system that which causes the ailment. It often happens that instead of curing, a medicine only relieves for a short time, after which the malady returns, and frequently with renewed vigor, to torture and kill.

A distinguishing feature of Dodd's Kidney Pills and Dodd's Dyspepsia Tablets is that they cure permanently. They remove the cause, after which the disease itself entirely disappears and cannot return unless invited and encouraged by a repetition of the indiscretions and carelessness which brought it on in the first place.

The proprietors of Dodd's Kidney Pills and Dodd's Dyspepsia Tablets point with pride to the wonderful record of cures effected by their medicines. There is a permanency in all these cures, which surprises even the subjects themselves.

On this page will be found a testimonial given nearly eleven years ago. Surely no evidence can be more convincing than such a statement by a reputable citizen. Every testimonial published by The Dodds Medicine Company, Limited, contains just as satisfactory evidence. Any reader who wishes to test the genuineness of any testimonial is at perfect liberty to write to the address given and make full inquiries.

Only a few testimonials can be published in this book, and these are selected from their geographical location rather than from the strength of the statements made. The most hopeless cases are cured by Dodd's remedies—completely cured, and stay cured.

"Every time I have used your Dodd's Kidney Pills for Kidney Disease and Rheumatism, they have helped me."

**Letter from Mr. R. J. Harris, father of little Edith Harris, who was cured of Dropsy by Dodd's Kidney Pills after two doctors had given her up.**

McTaggart, Sask.,  
June 7th, 1903.

"We had our little girl on Dodd's Kidney Pills for just three weeks to-day, and she does not show any signs of Dropsy now, and we know if it had not been for Dodd's Kidney Pills she would be dead now. Her stomach measured 34 inches around and to-day she is like herself. Two doctors said she must die."

**Again in 1904 Mr. Harris says:**

"I might say that Edith is better than ever. You can see no signs of Dropsy. She is cured, and we do not just guess it was Dodd's Kidney Pills—we know it. All the neighbors know it as well."

**From Edith Harris herself:**

McTaggart, Sask.  
October 22nd, 1912.

"We received your almanac and thanks for same. I am the little girl who was saved by your Dodd's Kidney Pills about eleven years ago. We always keep them in the house. I go to school every day. Am in the fourth grade. I remain, yours truly,

"EDITH HARRIS."

"I have great pleasure in testifying to the value of your Dodd's Kidney Pills. I used four boxes at different times and they gave me immediate relief especially at the time when an operation for Kidney Stones seemed imminent. I can assuredly recommend them to others."

"For three years I suffered from back-ache and palpitation of the heart. I was always tired and irritable. It was one box of Dodd's Kidney Pills that cured me."

Mrs. CHARLES BOULIEU,  
Steinbach, Man.

"Your Dodd's Kidney Pills are an excellent medicine. For four years I suffered from Kidney Disease. My limbs and head ached, and I was always tired. If you think these few words are of any value to other sufferers, please publish."

Mrs. STANISLAS BERNATCHEZ,  
Petite Riviere au Renard,  
Gaspé Co., Que.

Mrs. John McRea

Nearing the three-score mark, but feeling like a woman of thirty, Mrs. John McRea, wife of a farmer living at Prevel, Gaspé Co., Que., is telling her neighbors that she owes her health to Dodd's Kidney Pills.

"For two years and seven months," says Mrs. McRea, "I was a sufferer from Kidney Disease brought on by a strain and a cold. My eyes were puffed and swollen, my muscles cramped, and I suffered from Neuralgia and Rheumatism. My back ached and I had pains in my joints.

"For two years I was under the doctor's care, but he never seemed to do me any lasting good. Then I was advised to try Dodd's Kidney Pills. Two boxes made a new woman of me."

Dodd's Kidney Pills make tired, run-down women feel as if life had started all over again for them by curing the Kidneys. Healthy Kidneys mean pure blood, and pure blood means new life all over the body. The one sure way to keep the Kidneys healthy is to use Dodd's Kidney Pills.

# HEART DISEASE

**T**HE heart is a double force pump. Its mechanism is wonderful and extremely delicate. Its duties are to pump the blood through the arteries and veins, to and from all parts of the body. In doing this work it exerts a pressure amounting to tons in twenty-four hours. What wonder is it then that hearts often fail, or by palpitation or other symptoms notify us that they are tired and worn, and require attention.

The kidneys are the greatest friend or the greatest enemy the heart has. Just as it is the duty of the heart to force the blood to every part of the body—the pure blood to carry health and strength to the parts and the impure blood back to the kidneys to be purified—so it is the duty of the kidneys to extract from the blood thus returned the waste and poisonous impurities with which it is laden.

If the kidneys do not successfully extract this poison it remains to clog the blood vessels and thus impede the circulation, causing the heart to do double work in order to force the stream of life through the circulatory system. The overtaxed heart will perhaps stand this for a time, but eventually it will protest.

In many cases the notice given is but of a second's duration, and with one final faithful struggle the poor, tired worn-out heart ceases to throb, and friends say, "Died of heart failure."

In other cases the heart gives longer notice of its inability to carry on this double work which the diseased kidneys have imposed upon it. Following are a few of the danger signals.

## Symptoms of Heart Disease

Headache, dizziness, palpitations, fluttering, sleeplessness, flashes of light before the eyes, cold feet and hands, blueness of the lips, faintness on rising suddenly, dull, aching sensation in the heart, shortness of breath, dropsical swelling, distressing dreams, disturbed sleep, congested appear-

ance of the face, jaundiced tint of the skin, and sometimes a cough.

None of these symptoms should we allow to pass unheeded. Any one of them tell us plainly and positively that our kidneys are diseased and that their failure to do their work of filtering the blood is weakening the action of the heart.

There are very few cases of Heart Disease that cannot be directly traced to the kidneys. One eminent physician has said, "I have never made an after-death examination in a case of Heart Disease but what I found the kidneys were to blame."

Those who suspect from the appearance of any of the above symptoms that their hearts are affected should realize the tremendous danger of their position, and should hasten that moment to treat the kidneys, and thus relieve the heart, by using the only kidney remedy that has never failed to relieve Heart Disease—Dodd's Kidney Pills.

You are not asked to accept the mere assertion that Dodd's Kidney Pills will cure Heart Disease, you are asked to consider the experiences of others, who have tried every known treatment for the heart, at last decided to try Dodd's Kidney Pills, and who found in them that which brought them speedy relief and a permanent cure. They never fail.

## ONE CASE IN POINT

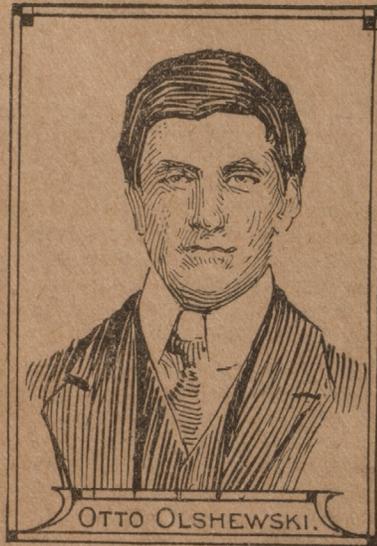

"I had a pain in my left side and down through my hips. I had a headache all the time. My heart was weak, and at times a pain around it added to my fears. Some days I was hardly able to walk. I read of a number of cures of cases like mine by Dodd's Kidney Pills, and sent for three boxes. To-day I am a well woman, and can do as much work as ever I could."

SOME people may ask how Dodd's Kidney Pills, which are purely a Kidney remedy, can cure Heart Disease. And the answer is simple. Diseased kidneys fail to drain the impurities out of the blood. If these impurities are left in the blood they not only increase the work of the heart in propelling the blood through the body, but act on the valves causing disease. Pure blood removes the cause of the disease. Dodd's Kidney Pills make pure blood by putting the kidneys in condition to strain all the impurities out of it.

Mr. Otto Olszewski, of St. Phillips, Sask., tried Dodd's Kidney Pills for heart disease and backache and they stood the test. In speaking of his cure he says:

"I suffered from kidney disease for four months. My back ached, I had heart flutterings, and was always tired and nervous. My skin had a harsh dry feeling; my limbs were heavy; and I had a dragging sensation across the loins."

"I consulted a doctor, but, as I did not appear to improve, I decided to try Dodd's Kidney Pills. I used six boxes, and now I am all right."

Dodd's Kidney Pills always stand the test. Ask your neighbors.

"I used your Dodd's Kidney Pills and found them very good. I suffered from Kidney Disease."

THOMAS BOURGET,  
Prevel, Gaspé Co., Que.

"I am glad to tell you that your Dodd's Kidney Pills have made a wonderful change in my son, eighteen years of age. His back and head bothered him and heart disease developed and added to his troubles. He is not entirely cured yet, but we hope a few more boxes of Dodd's Kidney Pills will complete a cure."

MRS. THOMAS BELLAVANCE,  
St. Fabien,  
Rimouski Co., Que.

# DROPSY

**T**HIS painful disease is getting to be very common. It is simply another symptom of kidney trouble.

In Dropsy, the water in the blood, which it is the duty of the kidneys to separate and send on to the bladder, instead of being expelled from the body in the natural way, is allowed to accumulate in various parts of the body.

The healthy kidneys never permit this condition. It is only when the kidneys become diseased that this water is not separated and discharged as Nature intended. The water is flowed back with the blood into the arteries and veins. The obstruction, caused by disease in the kidneys, causes unusual pressure upon the walls of the arteries which distend and allow the particles of water to ooze through.

When the kidneys are well and acting properly, there is no obstruction in them to the free circulation of the blood, and consequently the force exerted by the heart in the circulation of the blood is evenly distributed in all the vessels. But when the kidneys are diseased they become clogged, requiring greater effort on the part of the heart to force the blood through the natural channels to and from the different parts of the body. In this way the blood vessels become distended in dropsy as in heart disease.

Dropsy is one result of the abnormal condition that causes heart disease and the two are often found together because they both spring from the same source, namely, imperfect kidney action.

## Symptoms

The symptoms of dropsy are puffiness under the eyes, bloating of ankles, limbs and body, smothered feeling when excited or over exerted.

If you are suffering from any of these symptoms you may be sure that you are a victim to dropsy and you should lose no

time in treating the kidneys. Dodd's Kidney Pills will immediately relieve the kidneys and restore them to a healthy working order. The kidneys thus restored will reduce the pressure on the blood vessels, and the unpleasant symptoms and fatal consequences of dropsy will be averted.

Only a few testimonials can be given.

They all tell the same story of complete recovery from dropsy by the use of Dodd's Kidney Pills.

"I suffered for twelve years. My back and head ached. I was nervous, always tired and very irritable and I was troubled with heart flutterings. Dropsy developed and added to my suffering. I was treated by a doctor who could not help me.

"I was in a very run-down, worn out condition when I started to use Dodd's Kidney Pills, but I am thankful to say they cured my kidneys and all my other troubles have also disappeared."

MADAME FRANCOIS ARBOUR,  
White Head Perce,  
Gaspé Co., Que.

"I have been sick several years with kidney trouble and swollen legs. As soon as I used your Dodd's Kidney Pills I felt better, my legs got thinner and the pain in my kidneys are gradually disappearing. My health is not quite restored but I shall continue to use your pills. I think Dodd's Kidney Pills are just right."

MRS. KAROLINA JUNG,  
Box 40,  
St. Gregor, Sask.

"Some time ago I had a sore back, which was caused from kidney trouble. I used two boxes of your Dodd's Kidney Pills and I feel much better."

MR. C. MARSHALL

LIVING far from towns and with doctors not within easy reach, many of the settlers have found Dodd's Kidney Pills an inestimable blessing. One of those is Mr. Charles Marshall, sr., of Parkinson, Algoma District, Ont., whose recovery from a severe case of kidney disease has recently been the cause of much satisfaction to his family.

"My husband was suffering very much with his back and legs," Mrs. Marshall says, speaking of her husband's cure. "He went to see the doctor, and he told him he had urinary trouble, but he did not seem to get any better. Then I sent for some Dodd's Kidney Pills. Since taking them, he has no more pain in his back or legs, and his other troubles are all gone.

"I am indeed thankful for what Dodd's Kidney Pills did for my husband, and I hope other sufferers from kidney disease will benefit by his experience, and use Dodd's Kidney Pills."

Urinary troubles are caused by diseased kidneys. The natural remedy is to cure the kidneys by using Dodd's Kidney Pills.

"My sickness started from a strain. I suffered for six months. I had Gravel, heart flutterings and my limbs had a heavy and a dragging sensation across the loins. My back ached and I was very irritable. I was nervous and tired all the time; there were dark circles around my eyes. I used three boxes of Dodd's Kidney Pills and two boxes of Dodd's Dyspepsia Tablets and now I am a well man. Publish this as it may be the means of helping some other sufferer."

# DISEASES OF WOMEN

IT is not necessary in this book to talk too openly about the sufferings peculiar to women. Women themselves will understand what is meant. What we want to talk of is the close relationship of the female organs to the kidneys, and Dodd's Kidney Pills which cure female complaints.

Nearly every woman in the land knows from sad experience the meaning of back-ache, nervousness, bearing-down pains, headache, hysteria, irregular, profuse, painful or suppressed menstruation. The symptoms are only too well known. It is the cause that is misunderstood. But the cause is simply—Kidney Disease. The distinctly feminine organs would be healthy if the kidneys were healthy. The two go together. No organ in a woman's body depends so closely upon another as the reproductive organs on the kidneys.

Dodd's Kidney Pills strengthen and cure the kidneys. This is positive. Dodd's Kidney Pills will cure diseases of the female organs because these organs depend for their health upon the kidneys. If the kidneys allow impurities to remain in the blood the female reproductive organs are the first to suffer. These impurities breed disease and immediately interfere with the regular and natural functions.

To every suffering woman, to young girls just approaching womanhood, to young wives and mothers, to women who are just nearing or passing through the "Change of Life," we would say, do not suffer another day. There is hope for you. It is not your lot to suffer. You should be healthy and happy and free from pain. Science has placed in your hands a never-failing remedy for all diseases of women—Dodd's Kidney Pills.

On another page will be found the testimonials of some of your sisters who, like you, have suffered long, and in many cases severely, from some of the multi-

tude of female complaints which have their origin in the kidneys. Such testimony should convince you that to endure another day's or night's pain and suffering would be foolish. If you do not believe what is written here, you must, at least, believe the straightforward statement of those who have been cured by Dodd's Kidney Pills.

Dodd's Kidney Pills ease the anxiety of pregnancy, lessen the excessive morning sickness, shorten the pains of labor, hasten the recovery of the mother, banish danger of blood-poisoning, increase the flow and insure the purity of the mother's milk and assure a strong, lusty, pure-blooded child.

Dodd's Kidney Pills build up young girls, give their blood a strength and purity which carries them through the dangerous period when they are blossoming into womanhood, and insures a maiden perfect fitness for the pleasures, cares and responsibilities of wifehood.

Dodd's Kidney Pills take the impurities from the system of the jaded wife or mother or housekeeper, giving her vim and vigor of blood, which banishes back-ache and bearing-down pains, and gives a woman a healthy and pleasurable interest in life.

Dodd's Kidney Pills stimulate the kidneys to carry off unnecessary elements in the blood whose channel of escape is altered by the "Change of Life," build up the failing powers and insure a peaceful journey down the gentle slope leading to old age.

Dodd's Kidney Pills are harmless and mild. But they are also helpful and strong. They do away with melancholy and bring health, which means joy. Indelicate medical examinations are unnecessary. Treat yourself. Dodd's Kidney Pills will cure you. On page 16 you will find some letters in proof.

**Pregnancy.**

A great many letters reach us every year asking if it is safe to take Dodd's Kidney Pills during this period. Yes. It is not only safe, but highly beneficial to do so. It must be remembered that during pregnancy all the intestinal organs are disturbed, and there is often pressure on the kidneys and bladder, as the condition of the urine will show. Dodd's Kidney Pills act directly upon those organs, soothing them, allaying inflammation and assisting the kidneys to throw off all waste matter and poisonous fluids. As the pills are entirely vegetable and composed only of the purest drugs, they are perfectly harmless, and may be taken with the utmost confidence.

MRS E. J. TALBOT.

**"I** KNOW there are a lot of people who suffer and do not know what will cure them. Dodd's Kidney Pills will."

These are the words of Mrs. E. J. Talbot, who resides at 293 Wellington Street North, Hamilton, Ont. And Mrs. Talbot speaks out of her own experience.

"Last July I was very sick," Mrs. Talbot continues. "My heart bothered me, my limbs were heavy, and I had a dragging sensation across the loins. Rheumatism, lumbago and neuralgia added to my sufferings, and the doctor I called in did not help me much.

"I finally decided to try Dodd's Kidney Pills. I have used seven boxes and I am so much stronger and better that I feel I must recommend them to others."

It is statements such as these that give Dodd's Kidney Pills their popularity. They are no cure-all. They simply cure diseased Kidneys and the ills that come from diseased Kidneys. But no matter what neighborhood you visit you will find some man or woman who has been sick and in pain and has been cured by Dodd's Kidney Pills. In every part of Canada Dodd's Kidney Pills are known as the one sure cure for Kidney Disease.

Mrs. E. Perreault

"I AM very content. Dodd's Kidney Pills have made me well." These are the words of Madame Eugene Perreault, a highly-respected lady of Verner, Ont., and mother of a large family. For twenty years she was a sufferer. But, let her tell her own story.

"I was always tired and nervous," she states. "I felt heavy and sleepy after meals. My limbs were heavy, and I had a dragging sensation across my loins. My skin itched and burned at night. I had a bitter taste in my mouth, especially in the morning. In twenty years I hardly knew what it was to have a well moment. Then I commenced to use Dodd's Kidney Pills. Six boxes cured me."

Madame Perreault's symptoms were those of kidney disease. They are the symptoms of nine out of ten of the nervous, rundown, pain-racked women of Canada. Madame Perreault found a speedy and complete cure in Dodd's Kidney Pills. They simply cured her kidneys.

If you're a suffering woman ask your friends. They'll tell you out of their own experience to use Dodd's Kidney Pills.

"For years I suffered from headache, backache and a pain in my side. Was always tired. One box of Dodd's Kidney Pills gave me relief."

MRS. EDWARD PAQUETTE,

St. Anne des Monts,

Gaspé Co., Que.

"I suffered from Kidney Disease for a long time. It was Dodd's Kidney Pills that made me well. They are worth a great many times more than what you are asking for them."

MRS. WM. PETRONY,

Hardieville, Alta.

# RHEUMATISM

**M**ANY attempts have been made to cure Rheumatism by rubbing the affected parts with liniments, by plasters and other external treatments. This is all extremely foolish. The only way to cure Rheumatism is to remove the cause. The cause of Rheumatism is always Kidney Disease. It is impossible to have Rheumatism if the kidneys are doing their work properly. Science, Nature and Common Sense all point to kidney treatment as the only treatment that will remove Rheumatism.

Rheumatism is beyond a doubt a disease of the blood. The uric acid, which is simply the worn-out tissues of the body, the ashes of the fire that burns when we think, talk or work, instead of being filtered out by the kidneys, is allowed to remain in the blood. This poisonous acid cannot be extracted from the blood except by the healthy action of the kidneys. The uric acid in the system very soon manifests itself in the form of Rheumatism, Lumbago, Neuralgia, Gout, or Sciatica. Exposure to cold, or wet weather, or the excessive use of alcoholic liquors frequently intensifies the action of this poison, and causes the pain to be very severe and constant.

Without uric acid in the blood there can be no Rheumatism. There can be no uric acid in the blood if the kidneys are doing their work properly. Dodd's Kidney Pills heal the kidneys and restore them to their natural functions. The kidneys, thus restored to good health and strength, extract the uric acid from the blood, and the cause having been removed, the disease with all its pain and stiffness disappears. Dodd's Kidney Pills are the only medicine that will do this work promptly, effectually and well. Dodd's Kidney Pills have relieved thousands of sufferers from Rheumatism. There is no case of Rheumatism in any form, no matter of how long standing or how acute, that Dodd's Kidney Pills will not cure and that to stay cured.

There is a permanency in all the cures effected by this wonderful medicine which distinguishes it from all others. All those who use Dodd's Kidney Pills for Rheumatism (in any form), Lumbago, Gout, Neuralgia, or Sciatica, are invariably cured. Hundreds of testimonials might be given of the most hopeless and acute cases of these diseases, cases which have been pronounced incurable by physicians and hospitals, and yet which are to-day enjoying perfect health after using Dodd's Kidney Pills.

Muscular Rheumatism attacks the muscles, the poisonous uric acid having settled in them and sapped their strength, and paralysed and corrupted their tissues. Dodd's Kidney Pills clear the accumulated poison away, and supply fresh, pure, rich blood to rebuild the muscles.

Rheumatism of the Heart. This form of Rheumatism has, heretofore, been fatal in nine cases out of ten. But Dodd's Kidney Pills have cured every case of it for which they were used.

Inflammatory Rheumatism is, perhaps, the most agonizing malady that mortal can endure. With swollen limbs and burning nerves, the victim lies, swathed in bandages from head to foot, unable to move. This condition is so extremely painful that men have killed themselves rather than bear it. Dodd's Kidney Pills soothe the pain and eradicate the disease forever.

## LUMBAGO, SCIATICA, GOUT, NEURALGIA.

In these diseases, which are simply variations of Uric Acid Poison, the pain caused by the crystallization of the Uric Acid is frequently increased by the awful damage which the acid has wrought on the nerves themselves.

Tissue and nerve and blood and bone alike suffer from its biting and blighting poison. These diseases cannot come or stay where there are sound kidneys. Dodd's Kidney Pills make and keep the kidneys well.

JOS. B. CHARTIER

"I suffered from rheumatism for thirty-four years. Two boxes of Dodd's Kidney Pills cured me." That is the statement of Joseph Boisleau Chartier, St. Faustin Station, Terrebonne Co., Que., and his neighbors are satisfied that the statement is a true one. Pressed for further details of his cure, Mr. Chartier said:

"I had rheumatism, sciatica, and pains in my back. My memory was failing, and I was always tired and nervous. I perspired freely with the least exertion, and my perspiration had an unpleasant odor. I was also troubled with heart flutterings, my limbs were heavy, and I had a dragging sensation across the loins."

These symptoms tell just why Dodd's Kidney Pills cured Mr. Chartier so quickly and completely. They are, every one of them, symptoms of kidney disease. Mr. Chartier's rheumatism was caused by the diseased kidneys failing to remove the uric acid from the blood.

Dodd's Kidney Pills cured his kidneys: the cured kidneys strained the uric acid out of the blood, and the rheumatism disappeared.

"It is with pleasure that I give you my testimonial. I suffered for a long time from Kidney Disease. Thanks to your Dodd's Kidney Pills they cured me."

MRS. CHARLES LE BLANC,  
Pointe aux Outardes,  
Saguenay Co., Que.

"To all those who suffer from Kidney Disease, I would recommend them to use Dodd's Kidney Pills. Last winter I worked in the woods and it effected my kidneys. I used your Dodd's Kidney Pills and the pain disappeared completely."

GEDEON OUMET,  
Lac Humqui,  
Matane Co., Que.

MRS. P. J. WELLS

"I have come to the conclusion I owe your company a few lines concerning Dodd's Kidney Pills." These are the words of Mrs. P. J. Wells, of 5 Rosebery Avenue, Toronto, Ont. And Mrs. Wells gives her reasons.

"Fourteen years ago, I had an attack of Dropsy. Could not get my shoes on and the pain in my ankles was very severe. Tried everything. A lady friend told me about your Dodd's Kidney Pills. I took ten boxes before the pains left my limbs and joints. Since then, every spring and during the winter, I take some Dodd's Kidney Pills. A few doses fixes me up.

"Many times I have been told other kidney remedies on the market were better than Dodd's Kidney Pills, but from experience I have found none better. They are the best medicine in the world for Dropsy, all Kidney Troubles and Women's ailments. Please do not think I am writing this for any favor, but from one who is grateful that Dodd's Kidney Pills came into existence so that I was benefited thereby."

"Yes you can publish my name. I am in splendid health. Dodd's Kidney Pills cured me of kidney disease and constipation."

Mrs. THEODORE BOUCHARD,  
Canton Tache,  
Chicoutimi Co., Que.,

"I have used six boxes of your Dodd's Kidney Pills and received benefit. After my first baby was born I suffered from Neuralgia, cramps in the muscles, back-ache, headache and palpitation of the heart added to my troubles. My nerves were also bad and I was very irritable. I am twenty-eight years of age."

Mrs. ALFRED BAILLAGEON,  
St. Magloire,

# BACKACHE

**T**HIS is the first sign of Kidney Disease. Don't neglect it. It is Nature's way of warning you that there is something wrong with your kidneys. If you suspect your Kidneys and wish to know exactly what is wrong with them, refer to page 2 of this book, study carefully the rules of self-examination given there, and should your suspicions become confirmed do not delay. Backache should be attended to promptly; it may be the forerunner of Diabetes, Rheumatism, Dropsy, Lumbago, Sciatica, Urinary Troubles, Diseases of the Bladder, Gravel, Stricture, Bright's Disease, etc. Backache is easily cured.

Dodd's Kidney Pills cure it completely. A few boxes taken in time, will ward off and keep you free from any of the above diseases.

Backache comes on suddenly. It may catch you just as you are rising from a chair, or just as you are stooping to lift something. It comes like a knife-stab in the back—where the kidneys are—and sometimes it stays with you for days, a weary, gnawing pain that makes your life a misery.

You may have relief if you will. Science knows why your back aches. Science can remove the cause and cure you. Science has given the world Dodd's Kidney Pills. They never fail. Thousands who have doubted just as you do now, have tried and proven them. Their evidence you have. They say they have been cured. Many have tried everything else and given up hope. Many had been given up by the doctors. They say that they have been completely cured by the use of Dodd's Kidney Pills. You, too, may be cured. Do not suffer a moment longer. Be sure you get the genuine Dodd's Kidney Pills.

"My disorder was a run-down system and a very weak back. Dodd's Kidney Pills have cured my ailments, thanks to them. They are a good medicine to keep in the house."

STANISLAUS BERNARD,  
De Blois Station, P.E.I.

"I wish to inform you that your Dodd's Kidney Pills have made me well. My back and head ached. I felt drowsy and my limbs were heavy. My sleep was broken and I was depressed in spirit. I advise all persons who suffer to take Dodd's Kidney Pills."

MR. RAOUL SAUVE,  
Coteau du lac,  
Soulanges Co., Que.

"The supply of Dodd's Kidney Pills I received from you sometime ago did me a wonderful lot of good. They cured me of pains in the back which had troubled me for a number of years."

ISAAC J. MOORE,  
Point Alexander,

"My back was very weak and full of pain. I sent for some Dodd's Kidney Pills and after using them my pains all disappeared."

**A**FTER suffering for five years from kidney disease, brought on by a strain, Hudson Marchbank, of Marchbank, Kings Co., N.B., the well-known farmer of this place, is again a strong, healthy man, and another grand cure for Dodd's Kidney Pills has been put on record. In an interview, Mr. Marchbank says:

"About five years ago I hurt my back from lifting, and it developed into kidney disease. My back pained me all the time, and I was very much troubled with headaches. My appetite was fitful: I had a bitter taste in my mouth in the morning; I perspired freely, and my perspiration had a disagreeable odor.

"I used liniments and plasters, but they did not do me any good, and as there were other symptoms that my kidneys were affected, I decided to try Dodd's Kidney Pills. After using two boxes, my back was completely cured, and my kidneys have not troubled me since."

Dodd's Kidney Pills benefit and cure permanently all who suffer from any form of Kidney Disease. They never fail to cure Rheumatism, Dropsy, Gravel, Backache.

"For nearly nine years I suffered from Kidney Disease and Backache. Five boxes of Dodd's Kidney Pills helped me."

# Gravel and Bladder Troubles

**G**RAVEL and Stone in the Bladder are simply two manifestations or visible effects, of diseased or defective Kidneys.

Drinking hard water, an injury to the back, or the effect of a cold climate, may cause gravel. If the Kidneys are healthy, they secrete juices that dissolve the gritty particles as rapidly as they are brought to them in the blood.

But if the kidneys are not healthy, or if they are weak, the gravel accumulates and lodges in the tender, mucous inner surfaces of the kidneys, ureters and bladder, causing inflammation and the most intense pain. Agonizing pain is felt also while these particles are passing through the ureters from the kidneys to the bladder. When voided in the urine, the gravel settles on the bottom and sides of the receiving vessel.

There are two kinds of gravel—red and white. The former is brown, pink or red in color. The urine is small in quantity, and high colored, and there is a painful inflammation in the urinary organs. The further the disease advances, the nearer the color of the gravel approaches to a perfect red.

White Gravel is marked by great irritability of the system, derangement of digestion, sallow, haggard expression of the face, languor and depression of spirits, coldness of the legs and great debility. In both types of the disease, the urine decomposes quickly and emits a disgusting odor.

Dodd's Kidney Pills are the only remedy yet known that has cured Gravel. They cure by toning the kidneys and stimulating the secretion of the fluids that dissolve the gritty particles. The effect of Dodd's Kidney Pills in all cases of Gravel is to cure positively and permanently.

When Gravel has been allowed to exist for some time, the sandy particles unite, forming a hard, ragged mass called Stone. These stones form in the kidneys and pass

through the ureters to the bladder. Their passage is accompanied by intense pain; the urine is tinged with blood from the wounds inflicted by the edges of the stones, and there is a steady pain in the region of the kidneys.

The presence of one or more of these stones in the bladder causes inflammation of the bladder and other painful and dangerous affections.

The kidneys are either diseased or defective, otherwise there would be no such ailments as Gravel and Stone in the Bladder.

It stands to reason, therefore, that the kidneys must be restored to health in order to cure either disease. Dodd's Kidney Pills are the patient's only hope. On them he can rely with the utmost confidence for they always cure.

For all Bladder and Urinary Diseases, including inflammation of the Bladder, Scalding in urinating, Retention of Urine, Incontinence of Urine (bed wetting), etc., Dodd's Kidney Pills are an unfailingly successful specific. They tone and strengthen the Kidneys, ensuring their perfect health and thorough, regular action, and giving tone, regularity and vigorous health to the entire system. A trial will convince by effecting a cure.

Gravel is a disease that very few, young or old, escape. Youths, male and female, from fourteen years of age upwards, are peculiarly liable to it.

The disorder may exist for months, or years, unsuspected. If allowed to run unchecked, Stone in the Bladder must result.

But there is no reason why it should be permitted to advance to this stage. The test by which it is detected is very simple. If the bottom or sides of the vessel into which the urine is voided are coated or spotted with tiny, gritty particles, Gravel exists. Then take Dodd's Kidney Pills. Your cure will positively follow.

**Boils, Pimples, etc.**

Boils, pimples, eruptions, etc., have their origin in bad blood. They never can be cured by any other treatment than the purifying of the blood. Nature purifies the blood by her own filtering process and no other way. The kidneys are nature's blood purifiers. Heal the kidneys and allow them to do their purifying and all boils, pimples, eruptions, etc., of the skin will disappear. Dodd's Kidney Pills are the only kidney medicine that never fails to cure all diseases of the kidneys. Dodd's Kidney Pills are the greatest blood purifier in existence to-day.

CAROLINE DESMASDON

**T**HAT diseased Kidneys are the cause of the ills from which so many children suffer and that they are cured completely and permanently by Dodd's Kidney Pills, is once more proved in the case of little Caroline Desmasdon, daughter of Mrs. Jos. Desmasdon, of Point aux Baril, Parry Sound, Ont. In an interview Mrs. Desmasdon says:

"Dodd's Kidney Pills have given me the best satisfaction. They are just as represented. My little daughter Caroline, seven years of age, suffered from kidney disease, and one box cured her entirely."

Dodd's Kidney Pills only cure diseased kidneys. It is by curing diseased kidneys that they cure rheumatism, heart disease, dropsy, diabetes, Bright's disease, backache, urinary troubles and other ailments. All these ills are caused by kidney disease, and the natural cure for them is to cure the kidneys.

The work of the kidneys is to strain impurities out of the blood. To have good health you must have pure blood. If your kidneys are diseased or out of order you can't have pure blood. You must cure the kidneys. Dodd's Kidney Pills always cure the kidneys.

# THE REAL PROOF

**D**ODD'S KIDNEY PILLS are no cure-all. They simply cure the Kidneys.

The reason they cure so many different forms of Disease is simply that all these ailments are either Kidney Disease or the results of Kidney Disease. The real proof of how much the health depends on the Kidneys is furnished by Dodd's Kidney Pills. They always cure sick Kidneys. By doing this they also always cure a large number of diseases. These cures are reported in the newspapers. Some have been given in the foregoing pages of this book. Here are a few more selected from hundreds.

## Rheumatism

"I desire to thank you for the benefit received from the use of your Dodd's Kidney Pills. I suffered from Kidney Disease, Headache and Rheumatism for two years. I was so bad I could not do my housework. Finally I was persuaded to try Dodd's Kidney Pills. I used four boxes and now I am happy and well. I feel I would be ungrateful if I failed to tell the public what Dodd's Kidney Pills have done for me."

MRS. CHARLES D. MAILLET,  
Brest, Kent Co., N.B.

## Bright's Disease

"Yes, I was cured by Dodd's Kidney Pills. I suffered for ten years from Rheumatism, Lumbago, Bright's Disease and a run-down system. Three boxes of Dodd's Kidney Pills made a new man of me. Publish these few lines for the benefit of other sufferers."

LOUIS BRIARD,  
Petite Magdeleine,  
Gaspe Co., Que.

## Heart Disease

"I hope by continuing the use of your Dodd's Kidney Pills to live as long as my father and grandfather who died at the age of ninety-one years. I am sixty-five years of age. Your Dodd's Kidney

Pills have done wonders for me. I have suffered for twenty years from Rheumatism, Neuralgia of the head and Heart Disease. So far I have taken six boxes of Dodd's Kidney Pills. I have advised all my friends to try Dodd's Kidney Pills."

THEOPHILE MAYER,  
Noelville, Ont

"This is to certify that I have used your Dodd's Kidney Pills with the best results. I commenced to use them about eighteen months ago for kidney trouble, Gravel and Backache. Have not felt any pain for about a year and I feel better now than I have for the last ten years. I am a farmer and am well known around here. Any person troubled with Kidney Disease in any form, should use Dodd's Kidney Pills."

LEMUEL BURKETT,  
Box 169, Dresden, Ont.

## Female Weakness

"About four years ago, I caught cold which developed into Rheumatism, Backache and Heart Disease. Was often dizzy and was depressed and low spirited. They are woman's best friend."

MRS. JOHN S. DICKINSON,  
Porton, Carleton Co., N.B.

**SPRING MEDICINE**

During the winter the body fortifies itself against the cold by putting on extra tissue. When the Spring comes the body throws off this extra tissue and it is carried off by the blood to be strained out by the Kidneys and expelled from the body. This, of course, gives the Kidneys extra work to do, and, if they are at all tired or worn, they speedily get out of order and allow the blood to clog up with waste tissue matter. And this is why Dodd's Kidney Pills have made a reputation as the greatest of all Spring medicines. They cure the Kidneys. The cured Kidneys speedily cleanse the blood of the waste tissue matter, and the pure, clear blood gives a natural energy to the body.

JOSEPH AYRE.

Sixty-three years old, but feeling like a young man, Mr. Joseph Ayre, a highly respected resident of Thedford, Ont., gives all the credit for his splendid health to Dodd's Kidney Pills.

"Twenty-two years ago while working in the coal mines," Mr. Ayre states, "I caught cold working in water. Rheumatism set in my arms and back, and my kidneys got so bad that it was a trouble to go to work.

"The company's doctor could not do me any good and I was off work three or four days every month.

"Reading of cures by Dodd's Kidney Pills I decided to try them. By the time I had taken five boxes, I felt like a new man. I gained in weight twenty-six pounds, and I could get up on the plate and nail rafters without getting dizzy.

"Now I feel like a young man. I can walk four miles an hour with my kit of tools on my back.

"I cannot recommend Dodd's Kidney Pills too highly. They are worth their weight in gold to me."

Keep the kidneys right with Dodd's Kidney Pills, and the pure clear blood coursing through your veins will make you feel like a young man.

## IN THE FAMILY

**K**IDNEY Complaint is common among children as well as older people. This insidious disease sometimes lies hidden in the system for years. It may show its presence only by those little childish ailments that are looked upon as part of every boy's and girl's life. But its real nature and the terrible menace it is to the future man or woman may never be known until it breaks out in Dropsy, Diabetes, Bright's Disease, or those terrible convulsions which bring death almost like lightning from a clear sky.

Thus it is not only the present health brought by Dodd's Kidney Pills that makes them the greatest family medicine of the age, the splendid immediate results obtained from them are alone enough for that, but they are little or nothing compared to the splendid guarantee of future health that goes with every box of Dodd's Kidney Pills.

The child that is given an occasional treatment of Dodd's Kidney Pills will be bright and happy in its childhood, and more than that, all those terrible diseases that find birth in disordered kidneys will be cleared out of each little system, root and branch. Remember the Kidneys are the spot where disease begins. Their work is to take the seeds of disease out of the blood and out of the body.

That little people's kidneys can go wrong is evidenced in various ways besides those serious diseases that make little mounds in the cemetery. How many children have boils and pimples and running sores on their bodies. *These are caused by Kidney Poison in the blood.* If the Kidneys were right they would not be there.

"We send you with pleasure our testimonial. Your Dodd's Kidney Pills cured our little son, fourteen years old of Kidney Disease."

MRS. J. B. BERNIER,  
Moisie River,  
Cote Nord, Que.

"I have used Dodd's Kidney Pills in my family and found them very satisfactory."

MRS. JOS. HACKWELL, P.M.  
Boscobel,  
Shefford Co., Que.

"I have never been without Dodd's Kidney Pills or Dodd's Dyspepsia Tablets in my home for eighteen long years. They are all that they are recommended to be."

MRS. S. H. KNIGHT,  
535 Furby St.,  
Winnipeg, Man.

"I wish you to publish in your books that Dodd's Kidney Pills are the best medicine in the world for Kidney Disease. They certainly cured me, also Diamond Dinner Pills are excellent for constipation. I suffered many years. I tell all my friends about them."

MRS. JOSEPH BENJ. AUBUT,  
St. Godfroy, Kelly P. O.,  
Bonaventure Co., Que.

"I was nearly helpless with Rheumatism for two years. I got medicine from the doctor and tried several other remedies but nothing helped me. One of my neighbors advised me to try Dodd's Kidney Pills. I bought four boxes and they did me so much good, I kept on taking them, until I had taken two dozen boxes. I can truly recommend Dodd's Kidney Pills to any one suffering from Rheumatism."

MRS. W. A. BALDWIN,  
St. Walburg, Sask.

# WOMEN OF ALL AGES

## Benefit by Dodd's Kidney Pills

---

**THE CHILD** Most children suffer more or less from weakness of the kidneys. All children's ailments, such as measles, whooping cough, etc., affect the kidneys and leave their traces behind. That fretfulness, that disinclination to play with others, that sullenness, those fits of hysteria, that wetting of the bed at night are all symptoms of kidney weakness. Dodd's Kidney Pills cure weak kidneys in children, and being purely vegetable, may be given to the youngest child with perfect safety.

**THE GROWING GIRL** At no period of a girl's life is it more important to note the action of the kidneys than during those trying years that pass between girlhood and womanhood. Growing girls frequently complain of sick headaches, pains in the back, depression, horrible dreams, nervousness, cold shiverings, loss of appetite, etc. These are generally supposed to be the forerunners of so-called "female troubles," but in nine cases out of ten they are entirely due to weak kidneys. Dodd's Kidney Pills quickly relieve these distressing symptoms in growing girls by bracing up the kidneys and helping them to make the blood pure and wholesome.

**THE YOUNG MOTHER** It is hard to do your work with an aching back. All young mothers know this, and they know also that their duties and trials as a wife are only just beginning. But what they do not know is that ninety per cent. of their trouble comes from the kidneys. "My back has ached ever since baby was born," is a common remark. Yes; and it will go on aching till you get your kidneys right. Dodd's Kidney Pills are a boon to young mothers, for they strengthen, tone, and brace up the entire system.

**THE WOMAN OF 45** Every woman as she approaches this age becomes aware, by certain signs and symptoms, that she is nearing the "Change of Life." With every woman this is an anxious time, with many a very critical one. During the whole period the kidneys should be closely watched. If they show the slightest sign of congestion or weakness, Dodd's Kidney Pills should be taken at once. Bright's Disease, Diabetes, Dropsy, Rheumatism, are often the result of weak kidneys following after the change of life. If Dodd's Kidney Pills are taken regularly throughout this time there will be nothing to fear.

**THE GRANDMOTHER** As we get on in life our kidneys begin to show signs of wear. They are the first organs to tell us how the years are rolling by, for we find them getting weaker, and we get pains in our backs, our energy wanes, the chills of winter and the heat of summer affect us more and more, we are easily tired, and at every opportunity we want to sit and rest. Dodd's Kidney Pills are made for old and tired kidneys. They brace them up, give them tone, and just the help they require to assist them in doing their work. No one is too old to benefit by this grand remedy.

# THE STOMACH

**T**HERE is no organ of the body on which so much depends as the stomach, and none receives less care. We eat and drink anything, and at all times, until the poor, over-worked stomach says, "Stop, let me rest."

We get our strength from properly digested food. Our food cannot be digested and the supply of sustenance maintained without using the stomach.

How then may we rest the stomach? It needs rest. Rest is all that it does need. If allowed to rest, Nature will in time restore it. In the same way our arms and legs and backs and brains call for rest and we at once cease to use them and Nature quickly does all that is needed and we are ourselves again and go on with our duties as before. How then can we rest an organ on the work of which all the others depend for their strength and vigor?

If our legs are tired by standing or walking, we sit or ride, making the chair or the horse do the work of the tired limbs until they have recovered. In just the same simple and common-sense way should we treat our stomachs and digestive organs. Make something do their work for them until their tiredness is rested.

Dodd's Dyspepsia Tablets do the work of the stomach and digestive organs with little or no assistance on their part. These dainty little tablets are made for this purpose only and they never fail. One or two taken after eating will digest the most hearty meal and thus supply the blood and the body with the needed strength, while the stomach and organs of digestion absolutely rest. A few days of this rest treatment will restore the natural strength to the organs so that they are able to do their own work without help. This is Nature's way. It is the only way.

## Symptoms of Dyspepsia

Pain in the chest after meals, feeling of weight and discomfort, flatulence or

gas, pain in the stomach, coated tongue, undue thirst, vomiting, loss of appetite, distaste at sight of food, giddiness, dry cough, nasty taste in the mouth, nervousness, acidity, heartburn, hicough, flushings in the face, headache, specks before the eyes, feeling of inertia, low spirits, inability to work well, eruptions on the skin, such as nettle rash and redness of the nose, drowsiness, sleeplessness, palpitation, and constipation, gurgling noises in the bowels with pain in right side just above groin, fidgeting, neuralgic pain over the heart, foul breath, fluid rising from the stomach, sallow complexion, etc., etc.

To the sufferer from Dyspepsia, Indigestion, or any other stomach trouble (except cancer) we would say, Dodd's Dyspepsia Tablets will cure you. They have never failed to cure. They never can fail because they recognize the harmony that God intended should prevail in the work of the various organs of the body, and recognizing this they work together with Nature to restore the system to the perfect harmony of good health.

## Old Methods vs. New Methods

The old fashioned way of treating diseases of the stomach was by administering purgatives. These, while they temporarily relieve, weaken the body and do not act upon the stomach but upon the bowels. In some cases of Dyspepsia a purgative is necessary, and the proprietors of Dodd's Dyspepsia Tablets recognizing this, have enclosed with each package of Dodd's Dyspepsia Tablets an envelope of small laxative tablets to be taken when necessary; but a laxative treatment will never cure Dyspepsia. Dodd's Dyspepsia Tablets, by digesting the food and thus allowing the stomach to rest, cure dyspepsia in the only common sense way, that is, by assisting Nature.

# Dodd's Dyspepsia Tablets

IF the kidneys are doing their work properly and the stomach is in a healthy working condition, no man or woman can be very sick. Dodd's Kidney Pills will cure any disease of the kidneys, but they only help the stomach in so far as they generally tone up the system and improve the health, which of course benefits every part of the body the stomach included.

Dodd's Dyspepsia Tablets are a specific medicine intended only for the cure of Dyspepsia, Indigestion and other diseases of the stomach and digestive organs. Their object is to do the work of digestion with no assistance from the digestive organs, thus allowing these to rest and recuperate till their natural health is restored.

In the same way that Dodd's Kidney Pills go about renewing the diseased Kidneys so Dodd's Dyspepsia Tablets relieve the stomach and digestive organs and give Nature the opportunity required to recover lost vigor.

More people die from eating too much than die from starvation. Most of us eat and drink too much, but food, pure wholesome food in large quantities is absolutely necessary to sustain the working strength of the man or woman who has to toil with body or brain, or both, to maintain himself and those dependent upon him; so when the stomach becomes deranged and the doctor advises a starvation diet, the toiler finds this advice one with which he cannot comply, because his work must be carried on from day to day, and this requires the strength and nutrition which he can only get from the food he eats.

The reason the doctor tells him to stop eating is because he knows the stomach and digestive organs require rest. Dodd's Dyspepsia Tablets make it possible for you to continue to eat what you like, and yet allow the digestive organs a complete rest. This they do by digesting the food and thus doing the work of the stomach while it takes a holiday.

One or two of Dodd's Dyspepsia Tablets taken after the most hearty meal will digest every particle of food eaten, and that without any assistance from the stomach or the digestive organs. You may eat what you like if you are careful to use Dodd's Dyspepsia Tablets after each meal.

We give a few testimonials proving the wonderful curative properties of Dodd's Dyspepsia Tablets. Space in this book will not permit the publication of more than a few. They all tell the same story. that Dodd's Dyspepsia Tablets cure Dyspepsia, Indigestion or any other form of stomach trouble—completely cure to stay cured.

“I have much pleasure in mentioning to you the benefits received from your Dodd's Dyspepsia Tablets and can cheerfully recommend them. I had Dyspepsia with all its wretched symptoms for nearly twenty years. Tried several doctors and many advertised cures with no success (giving all a fair trial). You have in Dodd's Dyspepsia Tablets the best curative agent I could find. I can now enjoy my meals. I have used about forty boxes. No need of telling symptoms of dyspepsia: every sufferer knows them.”

W. J. GRANT,

Caistorville, Ont.

“I praise the day I first read of Dodd's Dyspepsia Tablets. I was a great sufferer. About three hours after eating, I would get such a pain in my stomach, heartburn and water would run out of my mouth. I lost my appetite, a rash came out on my body and I felt dizzy. Two doctors treated me and they said it was indigestion. Their medicines did me no good. I have taken two and a half boxes of your Dodd's Dyspepsia Tablets and they have cured me.”

# Diamond Dinner Pills

For  
Liver  
and  
Bowels

Cure  
Torpil Liver  
Biliousness  
Constipation

**TORPID LIVER.**—A tired, sluggish Liver causes no end of sickness and suffering. This important organ sometimes requires assistance and encouragement, but it should never be forced. It is the business of Diamond Dinner Pills to tone and strengthen and coax the Liver back to a healthy condition of activity. You should treat the torpid Liver carefully, gently and patiently. You should never try force. Nature resents such treatment, and Diamond Dinner Pills are compounded not with a view of simply applying force to "move the bowels," but to gently and gradually tone up the Liver till it supplies the necessary amount of bile (Nature's own laxative), and the bowels move themselves.

Repair the defects in the machinery, oil up the parts and then allow Nature to do her own work in her own way.

**BILIOUSNESS.**—The Torpid Liver allows the bile to escape through every part of the system instead of into the bowels as Nature intended. It is felt in the stomach, often causing nausea. It clogs the blood and shows itself in the sallow skin. In many cases it produces sick headache, and that heavy, dull feeling so very oppressive. Diamond Dinner Pills are essentially a Liver Medicine, and they act promptly on the sluggish Liver, gently coaxing and encouraging and helping it to do its duty. After a patient treatment it begins to improve and finally may be trusted to perform its functions independently and perfectly. In this way and only this way can Biliousness ever be cured permanently.

**CONSTIPATION.**—Caused in the first place by the failure of the Liver to furnish to the bowels a sufficient amount of bile—Nature's own laxative; but in the majority of cases Chronic Constipation is caused by the taking of salts, purgative pills and other violent physics which cause griping and purging, and upset the whole health of the Stomach, Liver and Bowels, and the use of which is always followed by Constipation, Piles and other evidences of injury to the delicate machinery of the body. Let us repeat, you must never try to force Nature. These violent purgatives can never do anything but harm. Study Nature's methods and follow them.

**DIAMOND DINNER PILLS.**—Diamond Dinner Pills cure Torpid Liver, Biliousness and Constipation, because they follow Nature's methods.

Diamond Dinner Pills not only relieve these diseases, but they cure them permanently and completely.

Diamond Dinner Pills do not produce griping pain or nausea.

Diamond Dinner Pills are not intended simply to empty the Bowels. Their action is directly on the Liver, causing it to do its duty, after which the Bowels empty themselves.

Diamond Dinner Pills are a purely vegetable remedy, and will be found, when patiently used, to be altogether the most satisfactory remedy for all derangements of the Liver and Bowels.

Diamond Dinner Pills are 25 cents a box. All dealers, or by mail on receipt of price by The Dodds Medicine Co., Limited Toronto, Canada.

# CAUTION!

**B**RASS is never imitated. Gold is often counterfeited. When Dodd's Kidney Pills were discovered and first put on the market, there was no other Kidney Pill offered. But just as soon as Dodd's Kidney Pills began to cure hitherto incurable cases of Kidney Disease, and to attract the attention of the world by their miraculous work, imitators sprang up everywhere. These attempts at imitation only attest the worth of the original Kidney Pills—**Dodd's**. When Dodd's Kidney Pills were put on the market the public were offered for the first time, a kidney

medicine in pill form. **Dodd's** is the original Kidney Pill. It is the only Kidney Pill. All others are imitations.

The proprietors of Dodd's Kidney Pills and Dodd's Dyspepsia Tablets have done everything they can to protect the public from being imposed upon. The design of the boxes in which the genuine Dodd's Remedies are sold is protected by law, as is the name **D-o-d-d-'s**. A perfect picture of each box is on the back of this Almanac. The genuine Dodd's Kidney Pills and Dodd's Dyspepsia Tablets are never sold except in these boxes. Be sure of the name—**D-o-d-d-'s**.

**Test**—Fill a bottle or glass with the first urine passed in the morning. Let it stand till the following day. If it then appears cloudy or stringy, or a sediment is formed, you may be sure your kidneys are diseased.

Dodd's Kidney Pills are not a "cure-all" in any other sense than that implied by their name. They cure the Kidneys. Every ailment named above is a direct result of diseased Kidneys. **Dodd's Kidney Pills** cure and restore the Kidneys, and all these disorders disappear. Cure the Kidneys and you remove the **CAUSE** of the disease. That's just what Dodd's Kidney Pills claim to do, and they do it.
