ECLIPSES, 1918

In the year 1918 there will be three eclipses, two of the Sun and one of the Moon.

I.—A total eclipse of the Sun June 8th. Visible at Toronto as a partial eclipse. The path of total eclipse commences in the North Pacific in Longitude 130° E. and latitude 25° 41' N. and sweeps across the ocean until it strikes the American Continent in Washington Territory just north of the Columbia river. It then continues south-easterly, passing over the Cities of Denver and Jackson crossing over Central Florida and ending north of the Bahama islands in the Atlantic Ocean. The eclipse begins at Toronto 5h. 20m. p.m. and ends at 7.22 p.m. The magnitude of the eclipse equals 0.67. The path of total eclipse will be about 55 miles in width and sweep across the United States 2,700 miles in less than an hour.

II.—A partial eclipse of the Moon June 24th. The Moon enters the umbra 4h. 46m. a.m. Middle of eclipse 5h. 28m. a.m. Moon leaves the umbra 6h. 10m. a.m. Magnitude of the eclipse 0.135. The Moon sets eclipsed.

III.—An annular eclipse of the Sun December 3rd, invisible in Canada and the United States, but visible in South America.

Dodd's Kidney Pills

THE Kidneys are Nature's blood Purifiers. This is their only function. Through them, all the blood in the body passes every three minutes. If they are acting properly, they will remove all impurities from the blood, and therefore disease cannot enter or remain in the system. Healthy Kidneys Make Disease Impossible.

To the mind and heart of the discoverer of Dodd's Kidney Pills, this conviction was the key-note of his life's work. He was sure that if he could succeed in producing a compound that would make and keep the Kidneys well, he would have discovered a perfect medicine; one that accepted Nature's own method, as the only wise one.

Two things he must guard against. First, this compound must be of such a character as not in any way to disturb the harmony of the other organs of the body, while acting directly and curatively on the Kidneys. Second, it must contain nothing that would in itself irritate or injure the Kidneys.

He therefore determined first, on a purely vegetable compound, containing no mercury nor minerals of any kind, and second, that this remedy be put up in solid and not in liquid form.

All vegetable remedies in liquid form must contain Alcohol as a preservative, and Alcohol he knew to be an irritant, especially injurious to the Kidneys.

He gave the problem much thought. He experimented for years. At last, after much correction and alteration, he produced the compound which now bears his name—Dodd's Kidney Pills.

For years, before daring to put his new remedy before the profession or the public, he tried its efficacy in his private practice. The results surprised and delighted him. He sought out the most chronic and acute cases of disease of every kind and description, and applied his compound. While satisfied that the curative properties of the medicine were

beyond question, the results actually startled him.

Diseases which had always been considered incurable, yielded to it. Bright's Disease, an invariably fatal malady, was completely and permanently cured. Diabetes, Dropsy, Rheumatism, Gout, Backache, Lumbago, Sciatica, Neuralgia, Heart Trouble, Catarrh, Boils, Pimples, Eruptions of the Skin, all disappeared before it, and in doing so, proved the truth of the theory and the medicinal value and efficacy of the compound, which he had struggled to bring to perfection.

He had won. His life's work was accomplished. He gave his name to the remedy, and no greater monument has ever been erected to perpetuate the name and fame of any world's hero or benefactor.

No other remedy had ever even claimed to cure Bright's Disease, Diabetes or Dropsy. Dodd's Kidney Pills are continually curing Bright's Disease, Diabetes, and Dropsy. They are equally infallible in Rheumatism, Catarrh, or Heart Trouble.

The Kidneys are Nature's blood strainers, and by no other organ can the blood be cleansed. "Healthy Kidneys" means pure blood and good health.

The wonderful success of Dodd's Kidney Pills is due to this—they make and keep the Kidneys well, thus expelling all disease and fortifying the system against further attacks.

"I have used your Dodd's Kidney Pills with great benefit. Have sent you several orders for pills for my friends who cannot speak too highly of them. I am at present treating my neighbor and though just beginning to take Dodd's Kidney Pills, he feels better. He has been treated by many doctors in New Brunswick and Quebec and was pronounced incurable."

Rules for Self-Examination

ASK yourself the following questions. Answer truthfully, for your future health and happiness, perhaps your life, depends on your honesty to yourself in this matter. Many have found out to their dismay that they have had Kidney disease, only when asked just such questions in an examination for life insurance. If you have to answer "Yes" to any of these questions, you are in danger. If your answer to two or more of them be "Yes," you are in great danger and you should act promptly.

Have you backache?
Do you feel drowsy?
Do your limbs feel heavy?
Have you scanty flow of urine?
Do you suffer from unusual thirst?
Does your water appear thick or milky?
Have you frequent severe headaches?
Have you been losing weight and strength rapidly?

Do you ever have cramps in the muscles and limbs?

Have you uneasiness or pains occasionally in the loins?

Do you make water too frequently either during the day or night?

Has your perspiration or urine after exposure, a bad and disagreeable odor?

Have you deposits of sand, gravel, brick-dust or white mucous in the urine?

Have you dark red or bloody-looking urine, which scalds you in passing, or do you notice shreds in it?

Have you dark circles around the eyes, puffiness under the eyes, or bloated appearance of the face in the morning?

Are you irritable?

Is your sleep broken?

Have you a dizzy feeling?
Have you shortness of breath?
Are you greatly depressed in spirit?
Do you suffer from nausea after eating?
Do you find it difficult to remember things?

Have you tender spots in the back over the spine?

Do you get tired and nervous after ordinary exertion?

Do you start in your sleep, have bad dreams or nightmare?

Has your skin a dry and harsh feeling, or does it itch and burn at night?

Have you a bad or bitter taste in the mouth, especially in the morning?

Have you attacks of rheumatism, stiffness of the joints, neuralgia, lumbago or sciatica?

Have you failing or indistinct vision, with flashes of light or floating specks?

Have you pressure or sharp pain in the top of the head, with difficulty in collecting your thoughts?

Do you have a tired feeling in the region of the kidneys, with a dragging, heavy feeling across the loins?

TEST—Fill a bottle with urine. Let it stand a day. If sediment is formed, the Kidneys are diseased.

There is danger in delay. Don't lose a moment. There is only one remedy which has never failed. **Dodd's Kidney Pills** will help any case of Kidney Disease, no matter of how long standing.

Price, 50 cents per box or six boxes for \$2.50. All dealers, or by mail on receipt of price. The Dodds Medicine Co., Limited, Toronto, Ont.

CAUTION—Beware of imitations. Accept only the genuine—**D-o-d-d-'s**. See picture of boxes on back of cover.

The Root of all Disease

THE Kidneys are the starting-point of all disease. If the Kidneys are acting properly, disease cannot enter or remain in the system.

The function of the Kidneys is to extract and expel all decayed waste matter and poisonous impurities. If they are healthy they do this, and in doing so drive away every form of bodily ailment.

The Kidneys are Nature's only protectors against disease. If they are always on the alert and promptly perform their duty, the most malignant disease is powerless.

Like sentinels they stand, guarding the body, instantly assailing and destroying every enemy to good health, that by any means may find an entrance.

The condition of the Kidneys as ascertained by urinal examination, is the deciding point in the passing or rejection of every applicant for an insurance policy. It is an absolute rule among Life Insurance Companies, and Friendly Societies, with tables based on the experience of thousands of cases to guide them, that "If the Kidneys are not sound, the subject's life is in danger. Don't insure."

Every experienced doctor in making a diagnosis of any case whatever, is invariably careful to first ascertain how the Kidneys are, for he knows that without the help of the Kidneys he is absolutely powerless to expel sickness of any kind from the human body.

The importance of the Kidneys to the well-being of the human body simply cannot be over-estimated. They are without exception the most important and necessary organs of the body. With them rest, health, happiness, life itself. Kidney diseases carry off probably more people than all the other causes combined. No diseases are more common in every walk of life. Nor are any diseases more gradual and deceitful in their approach. The slightest symptom of Kidney trouble is a matter for grave anxiety. Therefore be sure.

Are your Kidneys sound? If not, your life is in danger. No insurance company would insure you if they knew it. No examining doctor, if he did his duty, could pass you. The man whose Kidneys are not in perfect working order is liable to be attacked by any disease and cannot live his allotted span. The gates are open. The watchmen are asleep. Any and every malady is simply invited to enter and destroy.

Never till the introduction of Dodd's Kidney Pills has the natural method of fighting disease been applied.

Recognizing the Kidneys as the root of all disease, Dodd's Kidney Pills have revolutionized the history of medicine. Acting on the Kidneys with positive and immediate directness, Dodd's Kidney Pills give those organs a condition of healthy action which absolutely defies disease.

By the use of Dodd's Kidney Pills the Kidneys are restored to their natural power of collecting up and casting out all the poison and germs which infest the system, and which are the cause of every illness to which man is heir. This is the explanation of the wonderful success of Dodd's Kidney Pills.

"For many years I suffered with cramps in my limbs and pain in my kidneys. It was only after taking six boxes of your Dodd's Kidney Pills I was cured."

MR. AVILAS C. CORMIER,
Upper Bertrand,
Gloucester Co., N.B.

"For the past year I have not been feeling very well. I had pains in my back and a sore stomach. I used several different kinds of medicine, but found no relief. Then I tried Dodd's Kidney Pills and got almost instant relief. You are free to publish these few lines so that others may benefit by it."

MRS. CELESTIN REGEAR,
Abraham's Cove, Port au Port, Nfld.

DIABETES AND DROPSY

GREAT thirst, voracious appetite, dry harsh skin, clammy tongue, a sense of weight or acute pain in the loins, failing sight, pale colored urine, loss of sexual power, bleeding of the gums, swelling of the feet and ankles, in the advanced stages, emaciation and weakness, numb feeling in the thighs, nervousness and irritability; cold, damp skin, boils and skin eruptions, looseness and decay of the teeth, quickened pulse, increase in quantity of urine.

If you find yourself with any of these symptoms don't delay. They mean Diabetes. Don't waste any time. You won't have all of them at once, *but don't wait for all of them.* Get cured.

Dodd's Kidney Pills will help Diabetes. Thousands have been literally snatched from the grave by Dodd's Kidney Pills.

Doctors pronounce Diabetes "incurable," but it is not incurable. Dodd's Kidney Pills have cured even doctors themselves who were dying with Diabetes.

Diabetes is a Kidney Disease pure and simple, a local disease of the Kidneys themselves. Dodd's Kidney Pills were made expressly to cure Diabetes, and they will help it.

) If you think you have Diabetes don't lose time by experimenting. Begin at once to use Dodd's Kidney Pills, the medicine that has been proved. The proof is in the testimony of thousands, and a few of the letters are given in this book.

Dropsy

In Dropsy, there is puffiness under the eyes, bloating of the ankles, limbs and body, and a smothered feeling when excited or over-exerted.

The water in the blood, which it is the duty of the Kidneys to separate and send on to the bladder is, by bad Kidney action, allowed to accumulate in various parts. The water, instead of being separated and discharged from the body, flows back with the blood into the arteries

and veins, causing unusual pressure upon the walls of the blood vessels, distending them and allowing the particles of water to ooze through. This condition is impossible if the Kidneys will but do their duty. Give them a chance. Dodd's Kidney Pills are the best Kidney medicine known to medical science to-day. Dodd's Kidney Pills will help Dropsy at any stage.

It is always better to check a disease in the first stages, but even the most advanced cases of Dropsy yield to a patient treatment of Dodd's Kidney Pills.

"Dodd's Kidney Pills cured me completely of bad kidneys from which I suffered for twelve years. They are a wonderful medicine."

MRS. PHILIPPE TREMBLAY,
Point aux Outardes,
Chicoutimi & Saguenay Co., Que.

"Thanking Dodd's Kidney Pills seems a small way of expressing my gratitude. I suffered from headaches and dizziness and was unable to find anything that would do me any good. I tried several medicines that were advertised to cure my trouble, but they did not. Dodd's Kidney Pills were recommended to me by a friend and I sent for a box and gave them a trial. The result is that I am feeling fine now. I shall always keep a box of Dodd's Kidney Pills handy."

M. C. LINDOS,
Ellscoff, Alta.

"Your Dodd's Kidney Pills are a wonderful medicine. I have used them and got relief. I suffered from Rheumatism and bladder trouble for thirty-two years. Twelve boxes of Dodd's Kidney Pills made a new woman of me. I am seventy-two years of age. My son who had Diabetes for over a year has also been benefitted by their use."

MDE. JOS. LACHAPELLE

Completely cured of rheumatism, from which she had suffered for five years, Madame Joseph Lachapelle, a well-known lady living here, is recommending Dodd's Kidney Pills to everyone who suffers from any form of kidney disease. Read what she says:—

"I could not work and I had almost given up hope, but Dodd's Kidney Pills cured me. Not only did I suffer from rheumatism, but I was a victim of neuralgia, lumbago, backache and headache and I also had an attack of eczema.

"I took several other remedies but without much relief. Then I decided that my kidneys were the root of all my troubles and I started to take Dodd's Kidney Pills. It took just eight boxes to cure me. If any women wish to write to me about my cure, it will give me pleasure to answer them."

Yours all devoted,
MRS. JOSEPH LACHAPELLE,
St. Henri de Mascouche, Que.

"In 1916 I had kidney trouble bad. I sent for two boxes of Dodd's Kidney Pills. I used one box and was well. Many thanks for your good medicine."

FRANK HANSEN,
Roe Lake, B.C.

"I have used your Dodd's Kidney Pills for Kidney Disease and they cured me."

MRS. L. LEBLANC,

"I think Dodd's Kidney Pills are all right. They helped me."

BRIGHT'S DISEASE

THIS is the final stage of Kidney Disease. It is really consumption of the Kidneys. In all Kidney diseases some part of the system is attacked by the escaping poison. In Bright's Disease this poison turns on the Kidneys themselves, and they are consumed. The albumen—the life-sustaining property of the blood—is allowed to escape in the urine, and the whole body wastes as a consequence.

Symptoms

The most frequent and noticeable of the early symptoms are:

Loss of flesh, dry hot skin, fits of the "blues," shortness of breath, changeable appetite, loss of sexual power, sleeplessness, continual nervousness, soreness of the bowels, puffiness under the eyes, headache and neuralgia, pains in the region of the heart, chills and fever, especially at night, constipation, with occasional diarrhoea, swelling of the legs and abdomen, cramps in the muscles of the legs, failure of strength with paleness of the face, great decrease in quantity of urine passed, albumen in the urine, shown by chemical tests, dropsy, beginning at the ankles and extending upwards, pains or burning sensation in the loins or in the small of the back, the inability to concentrate the mind on its work, dark colored urine that scalds while being voided and which shows a deposit or is covered with a greasy scum after it has stood for a time.

You will not have all of these symptoms at one time. One should be enough to convince you that your Kidneys are in the way that leads to Bright's Disease.

Bright's Disease *creeps* on its victim. Stealthily, quietly, painlessly, it works its deadly way. Gradually, without any violent symptoms, it continues till at last, having got its victim entirely in its power, this monster stands unmasked, and demands the surrender of the priceless possession, Life. Don't yield. There is

help at hand. Dodd's Kidney Pills will help Bright's Disease.

The doctors say Bright's Disease is incurable. At least, they used to say so, but now that Dodd's Kidney Pills have positively and permanently cured so many of the worst cases, they are changing their minds. The cure of many hopeless patients after taking the remedy has surprised not only the relatives of the afflicted but their doctors, who have given them up as incurable.

Before Dodd's Kidney Pills were discovered, however, Bright's Disease was incurable. Dodd's Kidney Pills are probably the only remedy known to Medical Science that has ever cured Bright's Disease.

No one need die of Bright's Disease when—the fact is well established—Dodd's Kidney Pills will help it.

Read the testimonials of a few who having tried and proved the remedy are willing to have their testimony published.

The names and addresses accompany every testimonial published. They are genuine, and they most conclusively prove that Dodd's Kidney Pills cure Bright's Disease.

"I am happy to tell you your Dodd's Kidney Pills have cured me. For seven or eight years I suffered from Bright's Disease. Two of my brothers and one sister died of this disease. I have used fifteen boxes of your pills. I can now sleep at nights. I thank you for your wonderful medicine."

Mrs. JOSEPH GREGOIRE,
Postmaster, Chantelle,
Montcalm Co., Que.

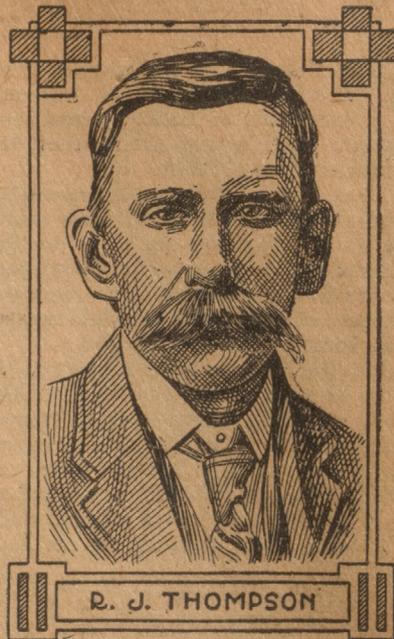

"This is to say that Dodd's Kidney Pills and Dodd's Dyspepsia Tablets are the best I ever used. They are a wonderful medicine.

"Your Dodd's Kidney Pills are the only remedy that has given me relief. I tried many other medicines."

JOHN CROFT,

"I have used six boxes of your Dodd's Kidney Pills and found them beneficial."

FELIX CORMIER,

Bright's Disease is the most advanced stage of kidney disease. It can be avoided if the earlier stages of kidney trouble are remedied by the use of Dodd's Kidney Pills. Mr. R. J. Thompson had Chronic Bright's Disease. Dodd's Kidney Pills made him well and strong.

"I am delighted with Dodd's Kidney Pills. I have only taken eleven boxes and I feel like myself again. I was taken ill very suddenly. I ate my dinner and went to take a man home. I just got about three-quarters of a mile when I was taken with a convulsion fit. I had fourteen that afternoon and the third day I had nine more. The doctors said I could not live and if I did I would never be able to do anything again as I had chronic Bright's Disease. But, thank God, I am doing my own work once again."

HEART TROUBLE

THE Kidneys are the greatest friend or enemy the Heart has. In nearly every case of Heart Failure, post-mortem examination shows that the Kidneys were to blame.

To understand this, we must remember that the Heart is a double force pump. Its duty is to pump the blood through arteries and veins to and from every part of the body. In doing this it exerts a pressure which amounts to tons in twenty-four hours.

But the blood must be kept pure. It must be strained. In the middle of the back are the strainers—two of them—composed of thousands of very small thread-like tubes. Through these, for purification, the Heart forces every drop of blood once every three minutes while life lasts. These strainers are the Kidneys.

When the Kidneys are well, they extract the impurities readily, and the life stream is not impeded. If the Kidneys do not successfully extract this poison it remains to clog the blood vessels and impede the circulation, causing the Heart to do double work in order to force the stream of life through the circulatory system. The over-taxed Heart will perhaps stand this for a time, but eventually it will falter and break down.

There is still another injury which the deranged Kidneys inflict on the Heart—the impurities which they allow to remain in the blood are poison of the worst kind, and this biting venom attacks the delicate tissue of the Heart itself, thus deranging and weakening it. Then one day it stops and people wonder why.

Sometimes the Heart makes many appeals for relief before giving up the struggle against Kidney derangement in the forms of Palpitation and Fluttering. Sometimes, however, it patiently tries to do its duty till the load becomes too much for its failing strength; it snaps without a second's warning, and a life is done, because of Kidney failure which is the

direct cause of nearly every case of Heart Failure, Palpitation, or other Heart trouble.

Following are a few of the danger signals, a knowledge of which may be the means of saving your life.

Headache, dizziness, palpitations, fluttering, sleeplessness, flashes of light before the eyes, cold feet and hands, blueness of the lips, faintness on rising suddenly, dull, aching sensation in the heart, shortness of breath, dropsical swelling, distressing dreams, disturbed sleep, congested appearance of the face, jaundiced tint of the skin, and sometimes a cough. Those who suspect from the appearance of any of the above symptoms that their Heart is affected should realize the imminent danger of their position. They should hasten that moment to the relief of the overworked Heart, by healing the Kidneys with the only remedy that permanently helps Heart Disease—Dodd's Kidney Pills.

If there be any doubt in your mind that this is the way Heart Disease must be cured, read the following letters:

“I will gladly let you know the good satisfaction I had from your Dodd's Kidney Pills for kidney trouble and heart flutterings. After using six boxes I was feeling like a new person. Hope they will give benefit to all sufferers.

MISS MARY J. DEWOLFE,
Box 213,
Antigonishe, N.S.

“I suffered for thirteen months from sore back and heart trouble. My trouble started with a cold. My joints stiffened, I was troubled with headaches and my sleep was broken and unrefreshing. My limbs were swollen, heart flutterings added to my anxiety and my back pained me terribly. Then I started to use Dodd's Kidney Pills. Twenty-eight boxes cured me.”

MR. ARTHUR ROUSSEAU

Dodd's Kidney Pills cured Mr. Rousseau because the trouble came from the kidneys. Lumbago, rheumatism, dropsy, heart disease, diabetes and Bright's disease are other troubles that come from sick kidneys. To cure them cure the kidneys with Dodd's Kidney Pills. Mr. Rousseau's statement is as follows:—

"I suffered from Kidney trouble from the time I was twelve years old. I am now twenty-two years of age and in robust health and I owe it to Dodd's Kidney Pills.

"I suffered from headaches and neuralgia. Had a very sore back, my appetite was fitful and I was troubled with sleeplessness. I was always tired and nervous, I felt heavy and sleepy after meals while heart flutterings made me uneasy. I took just six boxes of Dodd's Kidney Pills to make me sound and healthy all over."

Your sincere friend,
 ARTHUR ROUSSEAU,
 Fisher Branch, Man.

"Your Dodd's Kidney Pills are a marvellous medicine. I have had occasion to take them for pain in my limbs. They gave me relief."

Mrs. Jos. D. LABBEE,
 St. Anges,
 Beauce Co., Que.

"After suffering for about twenty years with a lame back I can say your Dodd's Kidney Pills have almost cured me. A few more and I am sure I will be completely cured."

SAMUEL ARNOLD,
 Holt, Ont.

RHEUMATISM

RHEUMATISM, Lumbago, Neuralgia, Sciatica, and Gout are nothing but symptoms of diseased kidneys, and treated as such are always curable.

Rheumatism is caused by the presence in the system of Uric Acid. The Uric Acid crystallizes at certain points; sometimes in one place, sometimes in another. This crystallization causes the terrible pain.

Certain conditions, such as exposure to cold or wet, bring on that crystallization of the Uric Acid, and a consequent attack of this dreadful disease.

Rheumatism appears in many forms, but no matter how or where it comes, there is but one first cause—Uric Acid.

This poisonous Acid is never present in the system when the Kidneys are doing their duty. Healthy Kidneys strain out all the Uric Acid and expel it from the body through the Urinary Organs.

To cure Rheumatism it is necessary to go at once to the root of the trouble, the unhealthy Kidneys. Cure these and they will very soon expel the Rheumatism.

Dodd's Kidney Pills have an unbroken record as a remedy for Rheumatism. They have never disappointed any poor sufferer who looked to them for help.

The reason of their unbounded success, even in the most chronic cases, is that they are an infallible Kidney medicine, made and sold only as such, and their success is a further proof that Rheumatism is a Kidney Disease.

Dodd's Kidney Pills are purely vegetable. They are not a purgative (except in case of an over-dose). They positively contain no mineral, nor anything that can in any way injure the Stomach, Liver or Bowels. Their mission is to cure the Kidneys. They go directly to the seat of the trouble, and get to work at once.

The cured Kidneys strain out the Uric Acid from the blood, and when this—the sole cause of Rheumatism—is gone, the Rheumatism itself surely disappears.

Lumbago, Sciatica, Gout, Neuralgia

These are nothing more than variations in form and location of the symptoms of Kidney derangement.

The escaping Uric Acid is doing its deadly work of destruction and torture.

Tissue and Nerve and Blood and Bone alike suffer from this biting and blighting poison.

The Kidneys, if cured, will arrest and in time completely remove the cause, and with it the effect.

Dodd's Kidney Pills help the Kidneys. That's why they never fail in a single case of Lumbago, Sciatica, Gout or Neuralgia.

These diseases cannot come to stay when there is sound Kidney action.

Dodd's Kidney Pills ensure this, and its consequent freedom from every symptom of these painful maladies.

"It gives me great pleasure to say a few words of praise for Dodd's Kidney Pills. I had been troubled with headache and backache about two years and when I was reading in Dodd's Almanac that many sufferers had been cured by Dodd's Kidney Pills, I decided to send at once for two boxes. Before they were finished I was feeling as well as ever. I recommend them to all who suffer."

MR. MATHURIN ARSENEAULT,
Cape Egmont, P.E.I.

"For about ten years I suffered from Rheumatism. Different doctors treated me. I would also have a sick headache about one day out of every week but have been entirely free from pain since taking your Dodd's Kidney Pills and Dodd's Dyspepsia Tablets. You are welcome to publish these statements as my neighbors know of my case."

MISS E. DEMERS

Rheumatism is caused by uric acid in the blood. If you cure your kidneys by using Dodd's Kidney Pills they will drain all the uric acid out of the blood and there can be no rheumatism. Cured of chronic indigestion, sick headache and rheumatism, from which she had suffered for six months, Miss Demers gives all the credit for her cure to Dodd's Kidney Pills.

"I am always ready to tell what Dodd's Kidney Pills did for me. My case was one of the worst. I had tried several medicines from the doctor and was getting no better when I decided to try Dodd's Kidney Pills. I took seven boxes and all my rheumatism, sick headache and indigestion were gone. When my father saw how much good Dodd's Kidney Pills had done me he began to take them for kidney trouble. He is better now."

Yours truly,

MISS EMMA DEMERS,
190 Maisonneuve St., Hull, Que.

"I bought some Dodd's Kidney Pills and I wish to inform you they are all right. I have only taken two boxes and my back is fine, of course I will keep on taking them whenever I think my kidneys are not just right. Your Diamond Dinner Pills are dandy too. I keep them in the house and take one occasionally as required."

MRS. R. ECKFORD,
Leslieville, Alta.

They have no selfish interest in saying what they do about Dodd's Kidney Pills. Their only motive is the desire to help you, and as many other sufferers as will read their grateful testimony.

"I have been cured by your Dodd's Kidney Pills. I suffered from heart disease and rheumatism. Six boxes put me in perfect health."

HAROLD D. BERTRAM

That rheumatism is caused by disordered kidneys and that Dodd's Kidney Pills will cure it is again proved by the case of Harold D. Bertram. He had inflammatory rheumatism for two months. Dodd's Kidney Pills cured him.

That Mr. Bertram's trouble came from his kidneys is shown by his other symptoms. He had stiffness in the joints, was tired and nervous, and there were flashes of light before his eyes and had a dragging sensation across the loins.

"The doctor said my trouble started with the grippe. My hands and feet were badly swollen and the doctor did not seem to be doing me any good. My grandmother, Mrs. G. Grasser, advised me to take Dodd's Kidney Pills. I took one box of them and I haven't been bothered since. I am clear of the rheumatism."

Yours faithfully,
 HAROLD D. BERTRAM,
 Southampton, Ont.

"I was in a very badly run down condition, due to my stomach, bowels and kidneys. I am thankful to say after taking a few boxes of Dodd's Kidney Pills and Diamond Dinner Pills I feel as well as ever."

JAMES A. ROE,
 Leaman, Alta.

"Was quite a sufferer at times from a pain in my back and side. A lady friend advised me to try Dodd's Kidney Pills and I did. Received great benefit. I always keep a box on hand."

A TALK TO WOMEN

THERE is much mystery wrapped round some of Nature's methods, and there is a great deal of cant and foolish science in regard to disorders peculiar to women.

One fact is indisputable. No woman with sound, healthy Kidneys, ever has female trouble.

Every woman knows she is liable to trouble from certain disorders peculiar to her sex, and very often a lack of knowledge is responsible for the irregularities to which women are subject.

Nearly every woman knows from sad experience the meaning of backache, nervousness, bearing down pains, irregular, profuse, painful or suppressed menstruation, but very few understand the cause.

Kidney Disease is responsible for every one of these symptoms. The distinctly feminine organs would be healthy if the Kidneys were sound. The two go together. No organs in a woman's body depend so closely upon others as the reproductive organs on the Kidneys.

If the Kidneys are sound and healthy all the delicate female organs will work amicably, and the painful symptoms which are accepted almost without question by many as the penalty to be paid by all women, will subside and disappear.

Dodd's Kidney Pills are women's best friend. Helpful and strong, they never fail to render just the assistance a woman needs. Dodd's Kidney Pills act on the Kidneys and by doing so, strengthen the delicate machinery which is prone to get out of order, as soon as the Kidneys are not doing their duty.

Young girls at the critical age when childhood is being left behind, young wives and mothers, tired house-keepers, mothers of families, and women entering on the Change of Life will all find in Dodd's Kidney Pills an unflinching friend, a safe, sure, reliable medicine, to help them over the hard trying places where health and life are so often lost.

If a woman finds that her health is not just what it should be, her remedy should be Dodd's Kidney Pills. Let her try a box and see how much better she will feel.

Nor will she be trying an experiment. For years Dodd's Kidney Pills have been used by the women of several continents, and the result is the same, a continual chorus of praise.

A difficult subject to deal with is the question of woman's health, but the time has come when the plain facts should be set forth before suffering womanhood, and a proven remedy brought easily to their hand.

"I have used Dodd's Kidney Pills and found them very satisfactory and I advise every person to use Dodd's Kidney Pills for any disease they have."

MISS ELLEN J. COWAN,
Island River, Gloucester Co., N.B.

"My trouble started from a strain. I suffered for years. I was attended by a doctor and was also treated at a hospital. I suffered from stiffness in the joints, I had a bitter taste, especially in the morning, and at times was subject to severe headaches. I had a pressure and often a sharp pain at the top of my head and my skin itched and burned at night. Neither from the doctor nor at the hospital did I get any permanent relief. Then I started to use Dodd's Kidney Pills and two boxes did me so much good I feel like recommending them to everyone who has kidney trouble."

MRS. FELIX ASCAH,
Haldimand, Gaspé Co., Que.

"I am very much pleased with your Dodd's Kidney Pills which I have been taking for the last six months. They have done me a world of good and would advise anyone bothered with kidney trouble to use them."

MRS. MARY MORAN,
McNally, Alta.

PREGNANCY

A great many letters reach us every year asking if it is safe to take Dodd's Kidney Pills during this period. Yes. It is not only safe, but highly beneficial to do so. It must be remembered that during pregnancy all the intestinal organs are disturbed, and there is often pressure on the Kidneys and bladder, as the condition of the urine will show. Dodd's Kidney Pills act directly upon those organs, soothing them, allaying inflammation and assisting the Kidneys to throw off all waste matter and poisonous fluids. As the pills are entirely vegetable and composed only of the purest drugs, they are perfectly harmless, and may be taken with the utmost confidence.

MRS. E. S. THOMPSON

Dodd's Kidney Pills are the greatest of all remedies for weak, suffering women. They cure the kidneys. The kidneys are the root of nine-tenths of women's ills. Moreover, cured kidneys mean pure clear blood all over the body. That means good health everywhere. Mrs. Thompson writes:

"My sickness dates back about eight years. My sleep was broken and unrefreshing, there were dark circles under my eyes, my appetite was fitful and I suffered from backache. I had frequent headaches, I felt heavy and sleepy after meals, and I was depressed and low spirited. Rheumatism and Bright's disease were soon added to my afflictions. I was far from being well when I started to use Dodd's Kidney Pills. I only took two boxes, but the results are so good that I am recommending them to all my friends."

Yours sincerely,

MRS. E. S. THOMPSON,
Minahico, Ont.

Grateful Women Testify

WHEN a woman allows her name to be published over a testimonial of Dodd's Kidney Pills broadcast throughout the world, it is easily understood that the highest possible motives alone induce her to do so. It means that she is sincere, earnest; that she is anxious to help others. And more than all, it means that she believes in Dodd's Kidney Pills—she *knows* they are good. Dodd's Kidney Pills have won hundreds of such testimonials as those printed below. But a thousand letters could not tell any more. They all amount to the same thing—"Dodd's Kidney Pills are women's best friend."

"Yes, I am telling my friends what Dodd's Kidney Pills did for me. Not only did I have backache and rheumatism, but I was tired all the time. Two boxes of Dodd's Kidney Pills helped me so much that I decided to continue the treatment. In two months I was completely cured and I have stayed cured."

MISS LIZZIE V. LEBLANC,
Lower West Pubnico,
Yarmouth Co., N.S.

"It gives me great pleasure to tell you Dodd's Kidney Pills made me well. I was very ill with my kidneys and was always tired before taking them. Publish this to help some other sufferer."

MRS. ODILON THERIAULT,
Paquetville,
Gloucester Co., N.B.

"Last winter I was suffering with very bad kidneys and indigestion. Everything I ate hurt me so that I was at last forced to live on bread and milk. I made up my mind to try Dodd's Kidney Pills as different persons had recommended them. They helped me wonderfully. In a very short time I was able to enjoy good meals without hurting me, and my health was greatly improved. My daughter also used Dodd's Kidney Pills with splendid results."

"I was a nervous wreck before I started to use Dodd's Kidney Pills. My trouble

started from a strain, and I suffered for years. I had cramps in the muscles, my joints were stiff and I could not sleep well. My appetite was fitful, I was always tired, my eyes were puffed and swollen and had dark circles under them. When rheumatism and neuralgia were added to my troubles I consulted a doctor, but got no lasting relief. I took three and a half boxes of Dodd's Kidney Pills."

MISS E. M. SHANNON,

MRS. H. DICKENS

Women's troubles, or nearly all of them, come from sick kidneys. The cure for them is the old established remedy for sick kidneys, Dodd's Kidney Pills. The story told by Mrs. Dickens carries a message of hope to every suffering woman in Canada.

"I am a young girl thirteen years of age. Your Dodd's Kidney Pills cured me of an attack of bladder trouble."

EUTROPPE GIONET,
Upper Caraquet, N.B.

"Seven boxes of Dodd's Kidney Pills have benefited me."

ARTHUR HARVEY,
St. Joseph d'Alma,
Lac St. Jean, Que.

"I have found satisfaction in using Dodd's Kidney Pills."

MRS. JACOB HAAS,
Shellmouth, Man.

"After my baby was born, I used to suffer with my back and had no heart to do my work around the home. But I read about Dodd's Kidney Pills and what they had done for others, so I thought I would get a box and see what they would do for me. I am pleased to say that after taking two boxes I found such great relief I would not be without them in the house.

"My daughter, too, had been very sick on and off for a long time. Her nerves got so bad. But I am pleased to say she is better through taking Dodd's Kidney Pills."

Yours truly,

What Kidney Poison Is

WHAT is the Kidney poison of which previous pages speak? What is this danger that lurks within the body; the enemy which the Kidneys so often fail to remove? This is a question often asked, and we will try to make it clear.

The position is very simple. Good fuel will burn in a clear grate, but as it burns it leaves clogging accumulations of dead ashes behind it. If you add fresh fuel, and leave the dead waste ashes in the grate, the fire will not burn so brightly, and bye and bye it will go out altogether, choked by the waste of its own combustion. You must keep the grate clear.

So with the body. You add fuel in the shape of food to feed continually changing tissue. The ever changing system decays and rebuilds itself, and in the process dead waste matter is formed, and flows with the blood. This matter, if it is not taken from the system, becomes immediately a deadly poison, and it will speedily choke the body, just as ashes choke the fire in the grate.

Nature, to clear away the waste, has given to each of us Kidneys. The Kidneys should separate all the decayed matter from the blood and instead of letting it remain in the body, should send the pure red stream of life forward free from impurity.

The Kidneys cleanse the blood, take away foulness that Nature is constantly throwing off, and expel it through the urinary organs.

If the Kidneys are not healthy, they do not fulfil this duty. The waste caused by the wear and tear of the body remains, poisoning the blood, polluting the system, undermining and impeding every other organ.

You cannot live without Kidneys. Experiments on animals prove this. Once stop the urinary channels, and you set up all the symptoms of Kidney poison from minor symptoms through every stage to the end, frightful pain, convulsive stupor and death.

The reason is obvious. Waste and impurity are kept within the body and the blood, the life stream is a tainted poisoned fluid, unclean itself and unable to renovate and restore.

If your Kidneys are slightly deranged, there is a steady gathering of poison in your system, and you cannot be well; if you allow the disorder to take its head and develop into actual decay of the organs themselves, the fire of life will gradually burn lower, and at last, smothered by the uncleared refuse, will go out.

What healthy Kidneys take out, what weak Kidneys leave behind, is Kidney poison, and most of the ills we bear are due to it.

Keep the grate clear and the fire will burn brightly; keep the body pure and sweet by seeing to Nature's cleansers, the Kidneys, and life will run with a merry swing.

If you think your Kidneys are not as they should be, if your symptoms tell you that a loathsome poison is creeping into your blood, get help for the weakness. Dodd's Kidney Pills have stood the test of years, and bear a world-wide reputation for helping Kidneys that are not acting properly. They never fail to restore the Kidneys, even in advanced and complicated trouble, and to many sufferers they have meant a life's salvation.

How very important it is, therefore, to be sure that the Kidneys are sound. The rules for Self-Examination on page 2 will enable you to make sure.

"I certify I have been cured from kidney disease by your Dodd's Kidney Pills and I recommend them to all who suffer."

THOMAS ASPIROT,

Paspebiac, Bonaventure Co., Que.

"For kidney trouble there is no better medicine than Dodd's Kidney Pills. They gave me relief."

GEORGE SULLIVAN

When the kidneys go wrong the blood goes wrong, and the whole body goes wrong. Rheumatism, Dropsy, Diabetes and Bright's Disease are the usual results. Dodd's Kidney Pills cure these by simply curing the kidneys. Completely cured of Bright's Disease of the kidneys, Mr. George Sullivan is spreading the good news.

"I suffered from Bright's Disease for two years. I was unable to work for weeks at a time. I spent hundreds of dollars on doctors without receiving any real benefit and received out door treatment at the Montreal General Hospital.

"I was feeling very badly discouraged when a friend advised me to try Dodd's Kidney Pills. After using three boxes I was much better. I kept on till I had used nine boxes, when I was completely cured."

I remain, yours truly,
 GEORGE SULLIVAN,
 284 de St. Valiers St., Montreal, Que.

"Before I took Dodd's Kidney Pills my muscles would cramp, my back and head ached and Rheumatism also bothered me, now I am well. I gave some Dodd's Kidney Pills to a friend who suffers with backache and hope he gets well also. They are a good medicine."

J. M. SELINGER,
 Lajord, (Box 45), Sask.

"Was cured perfectly by one box of Dodd's Kidney Pills. For three years I suffered from palpitation of the heart. My perspiration had an unpleasant odour and my head and back ached."

Mrs. Jos. C. THERIAULT,
 Blue Cove,
 Gloucester Co., N.B.

THE KING OF TONICS

IF you don't "feel" well, you most certainly are not well. The feeling is generally a safe guide.

There is something wrong with a man or woman or child who says "I don't feel well."

Nature is protesting. Mildly perhaps, but if neglected, this warning will make you "feel" worse. Your Kidneys are not acting properly. They are failing in their work of abstracting from the system the seeds of disease and poisonous impurities, and this "not feeling well," simply means that these poisons are gradually creeping through your system, and selecting a favorable spot in which to appear in the form of some disease. Correct the Kidneys at once.

As a general tonic, Dodd's Kidney Pills are unequalled. By their action on the Kidneys, they restore vitality to every organ of the body, and tone up the whole system.

Note the great number of testimonials which contain expressions such as "I feel like a new man"; "I feel better than I have for many years;" "Life is now worth living;" "I feel ten years younger," etc., etc.

Dodd's Kidney Pills are the King of Tonics, because they work with Nature by encouraging and assisting the disease-exPELLERS—the Kidneys—to cast out everything impure or diseased.

Read the rules for self-examination on page 2.

Getting Well and Keeping Well

Some people gain very rapidly after a serious illness. Others drag along weak and weary, for weeks and sometimes for months. The vitality comes back very slowly, and the after effects of a bad illness are often felt for years or for life.

There should be no "after effects." Nature has made provision for prompt restoration to complete good health. The disease (Fever, Pneumonia, La

Grippe, or any other), tears down and destroys. The battle rages in the body till the disease is defeated, and when this takes place, the whole system is like any other battlefield, it is strewn with the wreckage of war.

The remains of diseased tissue, and broken and lifeless muscle and sinew, with the millions of dead and dying germs of disease, literally crowd the avenues of the body. If these are not collected and expelled by Nature's great purifiers, the Kidneys, they will certainly decay, poisoning and destroying good health, and thus retarding recovery, or bringing on a relapse of the disorder.

"Before using Dodd's Kidney Pills I was always tired and nervous. My back and head ached and I always felt heavy and sleepy after meals. One box of Dodd's Kidney Pills benefitted me."

MISS PHILOMENE GAGNON,
Shippagan,
Gloucester Co., N.B.

"I bought your Dodd's Kidney Pills to give to my little son, four years old, who wet the bed. I only used one box. I have recommended them to my friends. One sent to-day for some to use for a similar case."

MRS. CHAS. COURTEMANCHE,
North Cobalt, Ont.

"It is with great pleasure that I take in telling you what Dodd's Dyspepsia Tablets did for me. They cured me of a very bad attack of indigestion. Also my husband and I have both derived great benefit from the use of Dodd's Kidney Pills. We are never without a box in the house. My husband suffers from Lumbago, and they always help him. Wishing you every success."

MRS. W. COULES MACDONA

Dodd's Kidney Pills cure all kidney ills from backache to rheumatism, Bright's disease and heart disease. These troubles come from sick kidneys. That's why Dodd's Kidney Pills cure them.

"I would like to recommend Dodd's Kidney Pills. They did me a lot of good. I suffered with catarrh of the head and throat. I feel a good deal better now."

Miss ANNIE MACKENZIE,
West Bay, Morrison, P.O.
Inverness Co., N.S.

"Two boxes of Dodd's Kidney Pills cured me. I suffered from paralysis. I was always tired and my head and back ached. I was treated by a doctor but it was Dodd's Kidney Pills that made a new woman of me."

Mrs. PETRE TREMBLAY,
Riviere Ste. Marguerite,
Saguenay, Co.
Via Tadousac, Que.

"My trouble started from overwork, and I suffered for two years. I was treated by a doctor, but the results were not satisfactory. My joints were stiff, I had cramps in my muscles, my sleep was broken and unrefreshing and I was heavy and sleepy after meals. I had bad headaches, my appetite was fitful and I was always tired and nervous. I was depressed and low-spirited, I had a bitter taste in my mouth in the mornings and I was often dizzy. Then rheumatism was added to my troubles. I have taken just two boxes of Dodd's Kidney Pills and they have done me good, not only in one way, but in many." Yours in haste,

Mrs. W. COULES MACDONA,
11 Calumet Ave.,
Montreal, Que.

NERVOUS DISORDERS

HOW many people have weak nerves, with the attendant ills that make life a misery?

How many people having weak nerves know exactly why?

The nerves are the organs of sensation, and are fed by the blood, like every part of the body. If the blood contains poison from the Kidneys, the nerves suffer, and when the nerves suffer, life is not worth living.

A man with unstrung nerves is like a piano out of tune. He is altogether below concert pitch. He is irritable, easily startled, moody without cause, and worries over trifles that in health he would laugh at.

Women with weak nerves are irritable, hysterical, sleepless, martyrs to neuralgia, and a hundred minor troubles that make life unbearable.

If the condition continues, other disorders develop, including paralysis and insanity. In paralysis half the body is practically dead, for the nerves are not carrying their messages to the brain. Insanity is partial or complete paralysis of the brain. The poison in the blood has attacked the brain itself, and the whole system has collapsed.

Blame first of all the poisoned blood that has ceased to feed the nerves; then blame the Kidneys which have not cleansed the blood. If you want to recover, see to the Kidneys first, and take Dodd's Kidney Pills; thousands have done so with the best results. They will make the Kidneys act perfectly, and the result is, pure nourishing blood, well-fed nerves and a rejuvenated system.

Dodd's Kidney Pills have done this time after time. Even paralysis and insanity have yielded to the effective remedy, which strikes at the starting point of all disorders—the Kidneys.

“My trouble came from a strain, and I suffered for thirteen months. Backache, heart flutterings, sciatica, neuralgia, ner-

vousness, dizziness and failing memory were among my symptoms. When the doctor I consulted failed to do me any lasting good I decided that my kidneys were the root of my troubles and decided to try Dodd's Kidney Pills. I took twelve boxes in all, and you may judge of the results when I tell you that I have not lost a day's work as teacher in the last year. I can say that Dodd's Kidney Pills have done all for me that was claimed for them.”

MRS. JOS. ROGER,
Elm Tree,
Gloucester Co., N.B.

“I think Dodd's Kidney Pills are wonderful. My trouble started from a strain or a cold and I noticed it first about three years ago. My eyes were puffed and swollen and had dark circles under them. I was very irritable at times and my skin had a dry harsh feeling. My sleep was broken and unrefreshing, and I had a bitter taste in my mouth in the morning. I took medical advice, but got no permanent benefit, till I used Dodd's Kidney Pills. Just two boxes of them fixed me up and I feel as well as ever I did.”

GEO. W. GARDNER,
Fern Creek, Alta.

“I have taken two boxes of Dodd's Kidney Pills and found relief. I suffered off and on for four years and was treated by a doctor. My nerves were bad and it was difficult to collect my thoughts. To add to my troubles Rheumatism developed. Two boxes of Dodd's Kidney Pills made a new man of me.”

MR. MAURICE TREMBLAY,
St. Agnes de Charlevoix, Que.

“Your Dodd's Kidney Pills cured me and I recommend them to all.”

St. Marcel,
L'Islet Co., Que.

MRS. PIERRE TREMBLAY

Everywhere you go in Canada people tell you of the great work Dodd's Kidney Pills are doing and everyone who tells you can give the reason why. That reason simply is that there is no case of Kidney Disease Dodd's Kidney Pills cannot help. Backache, Rheumatism, Dropsy, Diabetes, Lumbago, Heart Disease and Bright's Disease are some of the more serious troubles that Dodd's Kidney Pills always help, simply because these are all either Kidney diseases or are caused by diseased Kidneys.

"I praise Dodd's Kidney Pills because I have found them good. I had bad kidneys. I took Dodd's Kidney Pills and they cured me. I think Dodd's Kidney Pills are the best of all kidney remedies." Well to you,

MRS. PIERRE TREMBLAY,

CAUSE AND CURE

BY their failure to carry away the impurities and acid poisons from the system properly, the Kidneys are the real cause of nearly all human sickness and weakness.

Strengthen the Kidneys by Dodd's Kidney Pills, and enable them to perform their natural function of gathering up and expelling these disease-breeding poisons and waste matter, and the Kidneys will very soon remedy the unfortunate results of their previous weakness.

Bladder and Urinary Troubles

Bladder and Urinary Troubles invariably have their beginning in sick Kidneys. Dodd's Kidney Pills are a sure help for all such ailments. They heal the Kidneys, correct their action, and the cause of the irritation being removed, the Bladder and Urinary Troubles soon disappear.

La Grippe and Its After-Effects

The only persons to escape this disease are those whose Kidneys are strong enough to fortify them against all its attacks.

Have you noticed how many people, when recovering from La Grippe complain of a pain in the back? It's their Kidneys. If they had been all right in the first place, there would have been no La Grippe. They are impaired, and now La Grippe is attacking this weak point. Be warned in time. This may be the first stages of Bright's Disease, Diabetes or Dropsy. Don't trifle with a sore, lame back. Dodd's Kidney Pills will help it, and enable your Kidneys to resist La Grippe or any form of disease.

Busy Men Take Heed

Busy men neglect their health. Planning and working and struggling to make a living, acquire wealth or pay debts, they make fearful demands on their bodies and brains. They overwork themselves and forget that in the struggle they are losing something more precious than gold—the priceless boon of good health.

Such men always forget their Kidneys, till Rheumatism, Lumbago, Sciatica, Dropsy, Diabetes, or Bright's Disease gets a tight grip on their bodies, and then, and not till then, they stop and think. Men, be warned in time.

Kidney Disease creeps on without violent pain. Every man should make an examination of his urine at least once a month. It costs you nothing to do so. See rules for self-examination on page 2. If the tests show that your Kidneys are sound, you need have no fear of any illness, for while they are well they will protect you against all forms of disease.

But if the tests indicate a derangement of the Kidneys, don't trifle or delay, for it may be that Dropsy, Diabetes, or Bright's Disease is slowly creeping on, and if not checked will strike you down. Dodd's Kidney Pills are a sure help for all derangements of the Kidneys. Men and women in all walks of life, of all countries, at every age, declare in writing Dodd's Kidney Pills will do what is claimed for them.

"Yes I was troubled with gravel and bladder trouble, but since I took four boxes of Dodd's Kidney Pills my troubles are gone. I also had heart flutterings and shortness of breath. There were flashes of lights and specks before my eyes and I was very nervous. All these troubles have gone too."

Mr. Wm. Wood,
Hadlington, Ont.

"Yes, I am feeling quite well again. Dodd's Kidney Pills did me a great deal of good. I was much troubled with pain in the back and I knew from my other symptoms that the kidneys were the cause of my trouble. I used pills I got from the doctor, but I only got worse. So I sent for Dodd's Kidney Pills. They fixed me up."

THOS. SOLOMON

Dodd's Kidney Pills cure the kidneys. Good kidneys mean that there can be no impurities left in the blood. And the man who has good pure blood can laugh at nine out of ten of the ills to which the flesh is heir. They are the one sure cure for all diseases of the kidneys, and all diseases such as Rheumatism, Backache, Lumbago and Heart Disease, which are caused by impure blood. Read what Mr. Solomon, a West Indian, from the British Island of Antigua, says:—

"I have been suffering for the last five years from disorders of the kidneys which caused great pain. Have tried a good many other medicines but found no relief until I took your Dodd's Kidney Pills. I am on the third box and can assure you they are worth more to me than all the money I am able to work for or save. I will spare no pains in telling others about them. Yours faithfully,

THOMAS SOLOMON,
Trenton, Ont.

"Am glad to say Dodd's Kidney Pills have done me a wonderful lot of good. I suffered from drowsiness and sharp pains across my back. I had headaches and was subject to Neuralgia and Rheumatism. For three years I was in this worn out condition, often having to lay off a day or two. I would highly recommend Dodd's Kidney Pills to any one suffering from Kidney trouble."

MRS. MANTLE,
117 King St. East., St. John, N.B.

"Your Dodd's Kidney Pills are a wonderful medicine, in fact they are a life to any one who takes them. For years I suffered, but they cured me."

PETER ANDRE, Boyd's Cove, Nfld.

HEALTH HINTS

HEADACHES.—No healthy man or woman is troubled with headaches. They are one of Nature's warnings that some part of the system is out of order. In nine cases out of ten it is the Kidneys that are wrong. They are not doing their appointed work of taking impurities and poisons out of the blood. These act on the delicate nerves and tissues and cause headaches. A short treatment of Dodd's Kidney Pills will not only banish your headache, but correct the derangement in the system before a more serious disease is developed.

WEARINESS OR TIRED FEELING.
—Clogged circulation is responsible for that tired feeling that makes everything "a bother,"—makes you want everybody to go away and leave you alone. This feeling of heaviness means that the Kidneys are out of order. If the Kidneys were right the blood would be pure and clear and would go bounding through the body making every part of it healthful and energetic. Dodd's Kidney Pills make you feel "young again."

BACKACHE.—Sore back means sore Kidneys. Cure the Kidneys and your backache will quickly disappear, and besides the restored Kidneys will clean the blood—clean the seed of disease out of it. Dodd's Kidney Pills have cured hundreds of sore backs. Don't trifle with a Backache.

YOU CAN'T SLEEP.—There is nothing so disagreeable in life as to go to bed and be unable to sleep. It is a sure sign that something is wrong with the system, a sure sign that the Kidneys are out of order and that the putrid matter remaining in the blood is irritating the nerves. The Kidneys need help, and Dodd's Kidney Pills is the help they need.

Don't use sleep-producing medicines for they all contain narcotics, drugs that cause lasting injury to the system. **DODD'S KIDNEY PILLS ARE PURELY VEGETABLE.** They contain no opium or mineral.

There is nothing in them that can harm a child. They bring sleep by natural methods,—by removing the cause of the sleeplessness.

BOILS, PIMPLES AND SKIN DISEASES.—Poison and waste matter in the blood is bound to break out on the skin in some painful form. The discharges from a boil or pimple or other skin eruption are Kidney poison. This filth should have been removed by the Kidneys; it would have been extracted if the Kidneys had been doing their duty. Treat them now. Take Dodd's Kidney Pills and restore your Kidneys. The healthy Kidneys will quickly strain out of the blood all poisons and other impurities and make Boils, Pimples and all such painful and ugly skin eruptions an impossibility.

CONSTIPATION.—For this distressing complaint there is no better remedy than Diamond Dinner Pills. (See page 32). A regular action of the bowels is of the utmost importance in maintaining the health. Once in every 24 hours the bowels should be moved and a complete evacuation should take place.

In most cases constipation is caused by weak Kidney action, which affects the whole system. In other cases it is due to indigestion or dyspepsia, which prevents the proper assimilation of the food. Violent purgatives should be avoided; they are weakening and do no permanent good.

The proper treatment for constipation is to get at the cause. If the Kidneys are suspected Dodd's Kidney Pills should be taken; if dyspepsia, Dodd's Dyspepsia Tablets, or the two may be taken together—the pills before meals, the tablets after.

The bowels should first be moved by the means of Diamond Dinner Pills, directions for taking which you will find in every box, then take a glass of cold water first thing every morning, and a glass of warm water—as warm as you can drink it, immediately after each meal.

Dodd's Kidney Pills make healthy kidneys. Healthy kidneys strain all the impurities, all the seeds of disease, out of the blood. With pure blood coursing through the body every part of it finds energy and cheerfulness.

"I feel I should write a few lines in favor of Dodd's Kidney Pills as it may help some one who has suffered as I have. I suffered so with my back and pain in the top of my head for months. Sometimes I was almost crazy with pain and nervousness. But thanks to Dodd's Kidney Pills. I can now do nearly all my own housework for seven of a family and feel so much better. I am still taking the pills." Mrs. ROBERT McINNIS, Lampman (Box 36), Sask.

"For six months I suffered from Rheumatism, heart disease, and pain in the head. Three boxes of Dodd's Kidney Pills cured me." MR. BERNARD BRIDEAU, Paquetville, Gloucester Co., N.B.

"I suffered for over two years with my kidneys. They were so bad I could not stoop to lace up my shoes. Then to make matters worse Rheumatism developed in my legs and arms. I tried several different remedies. Some did me good for a while but it would return again. I heard of Dodd's Kidney Pills and bought some. They helped me from the first. My feet and legs have been free from the Rheumatism now for the last six months. Anybody who wishes to write me regarding my cure I will be pleased to tell them the same as I have told you."

I remain, your truly,

THE FAMILY HEALTH

TO protect the household against disease, is as much a duty of the head of the house as it is to provide a roof to protect them from the weather.

In order to do this, it is necessary to know Nature's way of protecting humanity against ill-health of every kind.

Nature has provided the Kidneys for the chief purpose of abstracting the poison that breeds disease.

To these organs we must look for general all round protection.

We should be careful at frequent intervals to satisfy ourselves that the Kidneys are safe.

This is done by an examination of the urine, and every member of the family should undergo this test at least once a month. (For rules see page 2.)

It costs nothing, is very little trouble, and the discovery of the presence of the deadly Kidney derangement, if followed by prompt action, may save yourself or some of your loved ones from a long illness or may be from death.

If the test shows that the Kidneys are deranged, use Dodd's Kidney Pills at once. Keep them always on hand, use them promptly and the family will be well protected against every form of disease.

The Kidneys are the foundation of health. Upon the Kidneys the whole body depends for its cleanliness and freedom from disease. Every drop of the life stream flows through the Kidneys once every three minutes; sent there to be relieved of all the impurities it collects in circulation. If the Kidneys do not take out these, and send the blood onward, rich, red, vigorous, and free from poison, disease will surely follow. Dodd's Kidney Pills will enable the weak Kidneys to regain lost vigor, and thus restore health to the whole system.

To Secure Health in the Home

Nature cures all diseases if given a chance. At the most all she needs is assistance. Medicine can only help Na-

ture, and allow her to proceed in the work of restoration in her own way.

The Kidneys are Nature's great medium for the expulsion of disease, as they are through faulty action, the great cause of all disease.

Dodd's Kidney Pills owe their success to the fact that they go at once to the root of all human sickness—diseased Kidneys.

In this way they cure or prevent almost all the diseases and complaints that attack the members of a household.

Dodd's Kidney Pills restore the Kidneys to health, and fit them to do their cleansing work, which is their natural function.

Nature thus armed with sound Kidneys defies disease. If by the slightest failure of the Kidneys, disease has already found an entrance, restore them, and Nature at once casts out the enemy.

No drug can permanently cure any disease in any other way. A partial or temporary relief may be accomplished, but the cause of the disease remains, and is sure to return.

By keeping the Kidneys sound, Dodd's Kidney Pills have come to be the greatest family medicine. A household where Dodd's Kidney Pills are kept and used, is protected against any and all forms of sickness. Because sound Kidneys mean general good health.

"I am writing to tell you what Dodd's Kidney Pills did for me. I had the back-ache badly before I decided to use your pills, now I feel fine. I also have a little girl who wets the bed and now she is perfectly well after using your pills."

Mrs. M. D. FORSBERG,
Overland, Sask.

"Dodd's Kidney Pills have given me a grand relief. I am still taking them. Am telling all my friends about them."

MISS CLAIRE SABOURIN,
Surgeon Falls, Ont.

THE REAL PROOF

DODD'S KIDNEY PILLS are no cure-all. They simply cure the Kidneys. The reason they cure so many different forms of disease is simply that all these ailments are either Kidney diseases or the result of Kidney disease. The real proof of how much the health depends on the Kidneys is furnished by Dodd's Kidney Pills. They always cure sick Kidneys. By doing this they also always cure a large number of diseases. These cures are reported in the newspapers. Some have been given in the foregoing pages of this book. Here are a few more selected from hundreds

"My husband says Dodd's Kidney Pills have done him more good than any other medicine he has ever used. I, myself, was suffering greatly with my kidneys and I feel ever so much better since using Dodd's Kidney Pills. My little girl, eleven years old, was also suffering from sore back, and I gave them to her with splendid results."

Mrs. H. K. HEWER,
Rossington, Alta.

"I used twelve boxes of your Dodd's Kidney Pills which cured me. My kidneys were in bad shape and I suffered from severe headaches. Feel fine now."

Mrs. NAPOLEON GRAVELIN,
Fort Coulonge,
Ponziac Co., Que.

"I had catarrh in my throat and stomach and used to cough and spit up bloody mucous every morning. My nose was sore and running most of the time as though I had a cold in the head. Dodd's Kidney Pills have done me much good and I am thankful. I do not raise any matter now and my nose is much better. My kidneys which had been giving me some trouble are also in better shape since I used Dodd's Kidney Pills."

PETER SEREDINK,
Kahwin, Alta.

"Yes, it always gives me pleasure to say a good word for Dodd's Kidney Pills. My wife was sick for two years with pain in loins, lumbago and her kidneys. We could not find anything to restore her

health. Then we found a pamphlet telling of several persons who had been cured by Dodd's Kidney Pills. My wife used just two boxes of them and she is perfectly well, to the great surprise of all our neighbors. They can tell you the same thing."

MR. ISIDORE MERCREDI,
Fort Smith,
Via Athabaska, Alta.

"I can truly recommend Dodd's Kidney Pills to any one. They are the only medicine that helped me. My trouble started from a cold over two years ago. I had cramps in my muscles and my joints were stiff. My back ached, my nerves were bad, was always thirsty and my skin had a harsh dry feeling. Rheumatism and Lumbago were soon added to my troubles. I took just four boxes of Dodd's Kidney Pills. I cannot be too glad that I did so."

MR. ALBERT MANGNUS,
Tilly, Sask.

"I have suffered with Female sickness, heart trouble and indigestion. I tried different kinds of medicine and none seemed to help, till one day I saw Dodd's Kidney Pills advertised so sent for some. As soon as I started to take them I was relieved. I have taken four boxes and cannot express the good they have done me. Hoping some other sufferer will see this letter and will start taking Dodd's Kidney Pills. Success to you."

Mrs. WM. NOVAK,
St. Martin Station, Man.

THE STOMACH

MOST of us forget that we have a Stomach and that it deserves some care and consideration, till it rebels against this daily neglect, and forces us to give it attention.

We take care of hands and feet. We find time and place to rest the arms, and back and limbs and give them an opportunity to regain strength spent in daily toil.

But the poor, tired, over-worked Stomach is forgotten, and upon it is heaped day and night, year after year, thoughtless burdens without end.

Meals of indigestible food, often poorly selected, and poorly prepared, are forced down without any thought as to the Stomach's ability to properly digest the heavy load.

Drinks too hot or too cold are swallowed with never a care as to the probable effect on the Stomach.

We eat too fast; we eat too much; we eat irregularly; we overload and overtax the Stomach, till it is no wonder that this faithful servant sometimes cries out in the voice of Heartburn, Sour Stomach Bloating, Indigestion, or Dyspepsia, "Oh! give me a little chance to rest!"

The body needs nourishment. We get this from properly digested food. A man or a woman who toils with body or brain must eat plenty of nourishing food, and this must be properly digested and assimilated by the Stomach.

How then may one nourish the body, and at the same time rest the Stomach?

The much advertised methods for the cure of Stomach troubles, simply starve the body, and thus rest the Stomach. That's about all their treatment consists of—REST.

But everybody cannot afford to lie up and starve for a month or two. Daily duty must be done. Strength expended must be regained. Nourishment is a necessity. What can such a busy one do?

Dodd's Dyspepsia Tablets answer that question.

Taken (one or two) immediately after each meal, they digest the food—animal and vegetable—every bit of it, with little or no assistance from the Stomach.

Thus they enable the Stomach to rest and regain its lost vigor; at the same time furnishing the body with the necessary strength and nourishment.

Gradually as the Stomach gains strength to do its own work again, the dose may be lessened, till finally, health being completely restored, the treatment may be discontinued.

The first symptoms of Stomach Trouble should be regarded as an appeal from that important organ for rest.

Give your Stomach a fair chance.

Don't wait for Dyspepsia. Use Dodd's Dyspepsia Tablets in time.

The Bowels

The Bowels frequently need help. In every box of Dodd's Dyspepsia Tablets for the Stomach, there is enclosed an envelope containing small brown Tablets.

These brown Tablets are for the Bowels and are positively the best aperient known. If the Bowels are constipated, one to three of these at night will promptly correct the trouble. They are made to be used with the Dyspepsia Tablets, being part of the treatment for Indigestion, and are to be used only when a purgative is necessary.

"My Stomach feels perfectly well and all right since using your Dodd's Dyspepsia Tablets."

MR. JOHN TUNNY,
Ronan, Alta.

"I suffered for twenty-five years from Dyspepsia. I tried all sorts of remedies but none helped until I took your Dodd's Dyspepsia Tablets. I am now in good health."

FABIEN BISSONNETTE,
Lemieux, Ont.

INDIGESTION

WHAT is commoner than to hear people exclaiming that they cannot digest their food properly? The man or woman with plenty to eat suffers the pangs of martyrdom because he wants to eat and satisfy his hunger. Yet he is afraid to do so owing to the pain and discomfort that follows.

The poor man with just sufficient food to feed him, cannot enjoy his plain, hard-earned fare for the same reason.

On the other hand how different is the case with the comparatively few whose stomachs are sound. They think nothing about their digestive organs and do not even feel digestion going on. They do not know what a blessing a good digestion is. No one does until he loses it. Then no trouble or expense is too great in the effort to regain that blessing.

Dodd's Dyspepsia Tablets have proved the most successful treatment for Dyspepsia and Indigestion yet invented. Read the following symptoms over carefully and see if they correspond to your own feelings. If they do, Dodd's Dyspepsia Tablets are exactly what you want.

Symptoms

Pain in the chest after meals.
Feeling of weight and discomfort.
Flatulence or wind.
Pain in stomach.
Coated Tongue.
Undue thirst.
Vomiting.
Loss of appetite.
Distaste at sight of food.
Giddiness.
Dry cough.
Nasty taste in mouth.
Nervousness.
Acidity and heartburn.
Hiccough, flushings in the face.
Headache, specks before the eyes.
Feeling of inertia, low spirits.
Inability to work well.
Eruptions on the skin such as nettle rash and redness of the nose.

Drowsiness, sleeplessness.
Palpitation and constipation.
Gurgling noises in the bowels with pain in the right side just above groin.
Fidgetting, neuralgic pain over the heart.

Foul breath.

Fluid arising from the stomach.

Sallow complexion, etc., etc.

Any of these symptoms should be sufficient warning. Don't wait, don't experiment. Dodd's Dyspepsia Tablets are sure. They help Dyspepsia. That is a fact, a certainty. No experiment is necessary.

Now it may happen that you are taking Dodd's Kidney Pills, or are about to take them. Don't let that fact deter you one moment, from using Dodd's Dyspepsia Tablets if you have symptoms of Dyspepsia. The two remedies were made to be taken together, each, in fact, assisting the other, and all fear of them conflicting may be laid aside.

Indigestion in Children

Dodd's Dyspepsia Tablets are the very best possible medicine for children. They are like sweets. Children cry for them. They are perfectly safe. They digest the meal, all of it, furnishing the growing body of the little one with needed nourishment, and avoiding all possibility of sour stomach, colic, bloating or distress, at the same time resting and toning the Stomach.

A Tablet may be cut in two or three pieces, to suit the age of the child.

"I recommend Dodd's Dyspepsia Tablets to all persons, old or young. Twelve boxes cured me. I suffered for ten years from Dyspepsia. For two years I could not eat meat, now I can eat all I want. They are worth their weight in gold."

DIAMOND DINNER PILLS

For
Liver
and
Bowels

Cure
Torpid Liver
Biliousness
Constipation

TORPID LIVER—A tired, sluggish Liver causes no end of sickness and suffering. This important organ sometimes requires assistance and encouragement, but it should never be forced. It is the business of Diamond Dinner Pills to tone, strengthen and coax the Liver back to a healthy condition of activity. You should treat the torpid liver carefully, gently and patiently. You should never try force. Nature resents such treatment, and Diamond Dinner Pills are compounded, not with a view of simply applying force to "move the bowels," but to gently and gradually tone up the Liver till it supplies the necessary amount of bile (Nature's own Laxative), and the bowels *move themselves*.

Repair the defects in the machinery, oil up the parts, and then allow Nature to do her own work in her own way.

BILIOUSNESS—The Torpid Liver allows the bile to escape through every part of the system instead of into the bowels as Nature intended. It is felt in the stomach, often causing Nausea. It clogs the blood and shows itself in the sallow skin. In many cases it produces sick headache, and that heavy dull feeling so very oppressive. Diamond Dinner Pills are essentially a Liver Medicine, and they act promptly on the sluggish Liver, gently coaxing, encouraging and helping it to do its duty. After a patient treatment it begins to improve and finally may be trusted to perform its functions independently and perfectly. In this way and only this way, can Biliousness ever be cured permanently.

CONSTIPATION—Caused in the first place, by the failure of the Liver to furnish to the bowels a sufficient amount of bile—Nature's own laxative; but in the majority of cases, Chronic Constipation is caused by the taking of salts, purgative pills and other violent physics which cause griping and purging and upset the whole health of the Stomach, Liver and Bowels, and the use of which is always followed by constipation, piles and other evidences of injury to the delicate machinery of the body. Let us repeat, *you must never try to force Nature*. These violent purgatives can never do anything but harm. Study Nature's methods and follow them.

DIAMOND DINNER PILLS—Diamond Dinner Pills cure torpid liver, biliousness and constipation because they follow Nature's methods.

Diamond Dinner Pills not only relieve these diseases but they cure them permanently and completely.

Diamond Dinner Pills do not produce griping pain or nausea.

Diamond Dinner Pills are not intended simply to empty the bowels. Their action is directly on the liver, causing it to do its duty, after which the bowels empty themselves.

Diamond Dinner Pills are a purely vegetable remedy and will be found when patiently used to be altogether the most satisfactory remedy for all derangements of the Liver and Bowels.

Diamond Dinner Pills are 25 cents a box. All dealers or by mail on receipt of price, by The Dodds Medicine Co., Limited, Toronto, Canada.

MAKE SURE!

BRASS is never imitated. Gold is often counterfeited. When Dodd's Kidney Pills were discovered and first put on the market, there was no other Kidney Pill offered. But just as soon as Dodd's Kidney Pills began to cure hitherto incurable cases of Kidney Disease, and to attract the attention of the world by their miraculous work, imitators sprang up everywhere. These attempts at imitation only attest the worth of the original Kidney Pills—**Dodd's**. When Dodd's Kidney Pills were put on the market the public were offered for the first time a kidney

medicine in pill form. **Dodd's** is the original Kidney Pill. It is the only Kidney Pill. All others are imitations.

The proprietors of Dodd's Kidney Pills and Dodd's Dyspepsia Tablets have done everything they can to protect the public from being imposed upon. The design of the boxes in which the genuine Dodd's Remedies are sold is protected by law, as is the name **D-o-d-d-'s**. A perfect picture of each box is on the back of this Almanac. The genuine Dodd's Kidney Pills and Dodd's Dyspepsia Tablets are never sold except in these boxes. Be sure of the name—**D-o-d-d-'s**.

Dodd's Kidney Pills cure. They relieve almost instantly, of course, but they do more. **THEY CURE.** Tens of thousands of grateful people in all parts of the world have testified and will testify to their complete cure by Dodd's Kidney Pills of the most severe and long-standing cases of

Kidney Disease,
Pain in the back,

Dodd's Kidney Pills are not a "cure-all" in any other sense than that implied by their name. They cure the Kidneys. Every ailment named above is a direct result of diseased Kidneys. Dodd's Kid-

ney Pills cure and restore the Kidneys, and all these disorders disappear. Cure the Kidneys and you remove the CAUSE of the disease. That's just what Dodd's Kidney Pills claim to do, and they do it.
