Dodd's Kidney Pills

WHAT are Dodd's Kidney Pills?

They are the greatest Kidney Medicine science has ever produced.

How do they relieve Kidney Disease? By going direct to the Kidneys, by stopping the progress of disease, and by healing the Kidneys; by freeing the clogged passages, by strengthening weak Kidneys and helping them to do their work as nature intended they should; by putting new life into them and making them sound and healthy.

What are Dodd's Kidney Pills composed of? They are carefully and skilfully compounded from numerous plants and roots and being entirely vegetable will not harm the most delicate constitution.

What diseases do they relieve?

All those you will find mentioned in this book. Dodd's Kidney Pills are essentially a Kidney remedy; they are totally different from all other medicines of the kind, they are a genuine, scientific discovery.

The Kidneys are Nature's blood strainers, and by no other organ can the blood be cleansed. "Healthy Kidneys" means pure blood and good health.

The wonderful success of Dodd's Kidney Pills is due to this—they make and keep the Kidneys well, thus expelling all disease and fortifying the system against further attacks.

Be sure you get the genuine Dodd's Kidney Pills. They are put up in round boxes, with a blue label, and a red band at the bottom.

The name "Dodd's Kidney Pills" appears prominently on the cover of each box. Insist on having Dodd's. See the back cover of this book.

"I think Dodd's Kidney Pills should never be passed by anyone suffering from Kidney trouble, without first giving them a trial. I am certain, from my past experience, that they will give sure relief. There are lots of remedies for weak kidneys, but I find nothing like Dodd's Kidney Pills for strengthening the Kidneys and keeping them in good order."

MASON S. BATTSFORD,
Boggy Creek, Man.

"After five years of suffering in my back and lower part of my body, I was obliged to take to my bed. I resolved to try Dodd's Kidney Pills. Three boxes restored me to good health. I am now quite strong and healthy and recommend them to all who suffer."

MADAME ROCH MARTEL,
St. Henri, Que.

"For a long time I have suffered with bad kidneys. I have taken all kinds of remedies and none of them have relieved me. My illness continued day after day. I always had bad pains in my kidneys. I started taking Dodd's Kidney Pills, and after the first box, I felt that they were the real remedy that I was wanting. I am employed in a flour mill and my work is heavy and tiring for the kidneys. Now that I take your remedy I do not feel any fatigue after my day's work. I cannot praise your pills enough."

PLACIDE FORTIN,
Laurierville, Que.

THE KIDNEYS

THE Kidneys are situated in the back of the abdomen.

They are bean-shaped, about four inches long and two in width, and in a full-grown, average-sized person weigh about four ounces. The interior of the Kidneys consists of a net-work of short thread-like tubes, starting from the arteries and ending in little sac-like cavities. Through these little tubes the whole bulk of the blood passes once every three minutes.

The function of the Kidneys is to filter the blood. The blood in its work of tearing down the old tissue and building up the new, becomes laden with decayed waste matter which must be thrown from the body. This waste as it passes through the tubes of the Kidneys is separated from the blood, drained into the little sacs, sent to the bladder, and finally expelled from the body in the form of urine.

It is right here, in this process of separating the waste matter from the blood, that it is determined whether you are a healthy man or woman or not. If the Kidneys work properly you will be healthy. Disease will be impossible. Your blood will contain nothing for disease to feed on. Disease can only live on the impurities left in the blood by the Kidneys.

If, on the other hand, the Kidneys are not working properly, disease is certain to attack you. It is impossible to avoid it. The impurities in your system invite disease. The decayed, rotten tissue which your Kidneys should have strained away, remains in "the stream of life" and poisons it. The blood thus befouled passes on to build the poison into every bone and muscle in the body.

Kidney trouble nearly always starts with inflammation caused by cold. Owing to the lack of nerves and consequent dullness of feeling the Kidneys themselves are the last to cry out, unless of course they are constitutionally weaker than the rest of the body. But though no pain is felt at first, the inflammation, unless checked at once, causes a most dangerous condition to exist.

The little tubes become inflamed and distended. The sacs at the end of the tubes choke up and burst. Pus accumulates and the whole system of filtration becomes foul and stagnant, a stronghold of disease germs. Nevertheless the blood is now being pumped through this mass of corruption at the rate of three quarts to the minute. Instead of being purified it is thus poisoned, carrying away worse than it brings.

Are you surprised that you are not in good health if your Kidneys are not working properly? The very fact that you have disease at all proves that your Kidneys are defective. If they were healthy, disease could not exist in the system. Even if it did get in, the Kidneys would, if healthy, at once remove it. Because disease lives only on the waste matter in your blood. When the Kidneys separate the waste matter and expel it from the body, they expel disease along with it just as fast as it enters the system.

There are three main groups of diseases caused by disordered Kidneys, all of which are merely and simply symptoms of Kidney disease. The first includes the common complaints such as drowsiness, nervousness, headache, sleeplessness, loss of energy,

fits of the blues, etc., or even a boil or a pimple. These are little things, but they show that our Kidneys are imperfect. If your Kidneys did their duty perfectly, as they are intended to do, you would be alert, wakeful, full of vigor and health of both body and mind. Your blood would circulate fresh and strong in your veins, and aches, pains and nervousness would be alike impossible.

These are the first symptoms of Kidney disease. If they are neglected, then comes the second stage, where the poison left in the blood by the Kidneys attacks the great vital organs, or the muscular tissues, or perhaps causes trouble in the blood itself, as in Dropsy. In this class are Rheumatism, Dropsy, Female Troubles, Consumption, Heart Disease, Insanity, Paralysis, etc. These are all direct results of diseased Kidneys.

Finally comes the last stage, where the Kidneys themselves completely break down. This always occurs in the form of either Bright's Disease or Diabetes. Up to the time Dodd's Kidney Pills were discovered these last two diseases were always fatal. It is now a fact established by hundreds of cases extending over the last thirty-five years, that Bright's Disease and Diabetes have been relieved by Dodd's Kidney Pills. Further particulars regarding this fact and the proof are given on pages 14 and 16 of this book.

Dodd's Kidney Pills get right to the spot. Nature seems to have provided medicines that find their way straight to and act upon certain parts of the human system. Opium stupefies the brain. Alcohol hastens the action of the heart, a few seconds after it passes the lips. Other medicines have immediate effect on the stomach and

675x
bowels. Dodd's Kidney Pills find their way direct to the Kidneys.

Their discoverer had been searching for a medicine that would act on the Kidneys, so as to treat Bright's Disease. He found such a medicine and it is included in Dodd's Kidney Pills.

"For many years I suffered with bad kidneys and could get nothing to relieve me. At last I thought of Dodd's Kidney Pills and commenced taking them. I am now perfectly well."

L. FREMBLAY,
Cordonnier Dequin, Que.

"I have suffered with my Kidneys for the last six years. The pains at times were so intense, I was unable to work. I saw your advertisement in the newspaper a year ago, and decided to give your medicine a trial. All my pains have now gone and backaches are a thing of the past. If any poor sufferers are troubled with kidney disease I would implore them to take Dodd's Kidney Pills. They would be surprised how quickly they would get relief."

FRANK PLOUDE,
Dean Lake, Ont.

"I am glad to furnish this testimonial for the benefit of those suffering as I was. Your Dodd's Kidney Pills have completely relieved me in a few month's treatment, of a painful backache which was very severe at times, and which had bothered me for a period of seven or eight months."

MRS. G. MARZERALL,
Portage River, N.B.

"Your Dodd's Kidney Pills are excellent. I am perfectly satisfied with them."

MADAME D. BOUCHARD,
Labaree, Que.

Rules for Self-Examination Are Your Kidneys Affected

ASK yourself the following questions. Answer truthfully, for your future health and happiness, perhaps your life, depends on your honesty to yourself in this matter. Many have found out to their dismay that they have had Kidney disease, only when asked just such questions in an examination for life insurance. If you have to answer "Yes" to any of these questions, you are in danger. If your answer to two or more of them be "Yes," you are in great danger and should act promptly.

- Have you backache?
- Do your limbs feel heavy?
- Do you have scanty flow of urine?
- Do you suffer from unusual thirst?
- Does your urine appear thick or milky?
- Do you have frequent severe headaches?
- Do you have cramps in the muscles and limbs?
- Have you been losing weight and strength rapidly?
- Have you uneasiness or pains occasionally in the loins?
- Do you make water too frequently either during the day or night?
- Have you failing or indistinct vision, with flashes of light or floating specks?
- Does your perspiration or urine after exposure, have a bad and disagreeable odor?
- Do you have deposits of sand, gravel, brick-dust, or white mucous in the urine?
- Have you dark circles around the eyes, puffiness under the eyes, or bloated appearance of the face in the morning?
- Have you dark red or bloody-looking urine, which scalds you in passing, or do you notice shreds in it?
- Are you irritable?
- Is your sleep broken?
- Have you dizzy feeling?
- Have you shortness of breath?
- Are you greatly depressed in spirit?
- Do you suffer from nausea after eating?
- Have you tender spots in the back over the spine?
- Do you get tired and nervous after ordinary exertion?
- Do you start in your sleep, have bad dreams or nightmare?
- Has your skin a dry or harsh feeling, and does it itch and burn at night?
- Do you have attacks of rheumatism, stiffness of the joints, neuralgia, lumbago or sciatica?
- Do you have a tired feeling in the region of the kidneys, with a dragging, heavy feeling across the loins?

There is danger in delay. Don't lose a moment. There is only one remedy which has never failed. **Dodd's Kidney Pills** will help any case of Kidney Disease no matter of how long standing.

Price 50 cents per box, or six boxes for \$2.50. All dealers, or by mail on receipt of price. The Dodds Medicine Co., Limited, Toronto, Canada.

The reason people talk so enthusiastically about Dodd's Kidney Pills is that they make them well all over. Acting on the kidneys they put those organs in condition to strain all the impurities out of the blood. That means pure blood carried to all parts of the body. And people who are healthy all over are always enthusiastic.

"It is with great pleasure that I tell you how much my health has improved since taking Dodd's Kidney Pills. They have done me a great amount of good. For a year I suffered from kidney infection and now I am quite well."

MR. EUGENE PROVENCHER,
St. Julien, Wolfstown, Que.

"Dodd's Kidney Pills have done me a great deal of good and I can recommend them very highly. If you wish to publish my testimonial in your booklets or newspapers you may do so. After taking two or three boxes of Dodd's Kidney Pills I was a real well man."

BACKACHE

DO you know what backache means?

It is Nature's way of telling you there is something wrong with your Kidneys. Never neglect it. What backache begins, Bright's Disease may end. Dodd's Kidney Pills help backache and a few pills taken in time will ward off a serious illness. Prevention is better than cure.

When you have an aching back, a dull pain across your loins; when you feel weak, feeble, and exhausted, unable to hold up your head, your thoughts wandering, your skin dry and parched, your tongue sticky and clammy, your head aching, your eyes smarting, with black specks continually floating before them; when your energies flag, and every duty becomes a labor; you may be sure your Kidneys are at fault.

Do not hesitate till Kidney Disease, or some of the terrible maladies that follow in the train, gets hold of you; but at the first sign of Kidney trouble, such as backache or any one of the symptoms we have named above seizes you, turn unhesitatingly to Dodd's Kidney Pills.

Dodd's Kidney Pills are a perfectly safe remedy, because they are entirely vegetable, being made from roots and herbs, and contain no minerals, or any other harmful drugs. They can be taken in perfect safety by old and young, and even in cases of long standing, where the disease has been allowed to prey unchecked upon the system for years. Dodd's Kidney Pills bring relief.

Sore Kidneys mean sore back. Heal the Kidneys and your backache will quickly disappear, and besides, the restored Kidneys will clear the blood. Dodd's Kidney Pills have relieved hundreds of sore backs.

"I have been suffering for some time from pains in the back and rheumatism brought about by a cold. My head used to ache and I was always tired and nervous. I took two boxes of Dodd's Kidney Pills and they did me a lot of good. I can now do my work as well as I ever could."

JOHN BEREZOWECKI
Ringleton Firs, Sask.

"I feel it is my duty to let others know how I have benefitted by taking Dodd's Kidney Pills. I was in a run-down condition before taking them, having pains in my back. I got thin and pale. Rheumatism also troubled me. After taking five boxes of Dodd's Kidney Pills I feel better than I ever did."

JAMES MCKINNON,
Mulgrave, N.S.

"I suffered with a very bad back and my kidneys. My case seemed to be particularly grave. I had used your Dodd's Kidney Pills before, so decided to try some more. Five boxes sufficed to restore me to perfect health."

MISS ADEODA ITALIEN,
St. Antoine Padon, Que.

"Your Dodd's Kidney Pills have benefitted us greatly. They are very good. We always like to have some in the house."

JOHN THOMAS RICE

Dodd's Kidney Pills act directly on the kidneys. They put the kidneys in condition to strain the uric acid out of the blood. Without uric acid in the blood there can be no rheumatism or sciatica. Lumbago, rheumatism, dropsy, heart disease, diabetes and Bright's disease are other troubles that come from sick Kidneys. Mr. Rice is always ready to say a good word for Dodd's Kidney Pills.

"I cannot praise them enough. I suffered with backache, rheumatism, stiffness in my joints and heart flutterings, and was unable to work or stoop. I could not sleep and was always tired and nervous. I tried Dodd's Kidney Pills. Two boxes completely relieved me of my trouble, and now I feel fine."

J. T. RICE,
Collingwood, Ont.

"I was surprised at the good your Dodd's Kidney Pills did me. I used two boxes and now I feel very good. My kidney troubles have all gone."

PHILIP MILLER,
Fox Hills, Sask.

"I have taken six boxes of Dodd's Kidney Pills and they have done me a lot of good."

JEREMIAH SURETTE,
Eelbrook, N.S.

GRAVEL

Gall Stones, Stricture, Stone in the Bladder, and how they are Helped by Dodd's Kidney Pills

GRAVEL is caused by acidity of the blood. It is a result of Kidney disease. The uric acid, which the Kidneys failed to remove from the blood, crystallizes and turns into small particles of stone or gravel. These adhere together till they have been known to reach the size of a small hen's egg. They choke the passages or the ducts of the Kidneys and bladder, which they lacerate, causing excruciating pain.

The symptoms are: intense pain and tenderness in the region of the bladder, rigidity, prostration, and sometimes fainting; the urine passing in dribbles and is streaked with blood; heightened temperature reaching sometimes 102 degrees. Gall stones occur mostly in persons of a full or fleshy habit, and oftenest at the ages of forty to sixty. They are found more frequently in women than in men, the proportion being three to one. Stricture is most common with men. A well-known doctor writing on this subject says:

"More than twenty-five per cent, of all persons reaching the age of forty develop gall stones, gravel, or stone in the bladder in some form or other, which rapidly develops into either an acute or chronic state of the disease."

Dodd's Kidney Pills help stone in the Kidneys and bladder by partially dissolving the stones, carrying them off in the urine, and healing the Kidneys, so that the stones cannot form again.

"For three years I suffered intense pain from gall stones. I had tried many so-called remedies, but all I received was temporary relief, the trouble returning again with greater violence. The only remaining thing left seemed to be an operation, although I had been informed by another sufferer that this often only brought relief for a certain period. I therefore concluded I should have to continue to suffer. I was recommended Dodd's Kidney Pills and am only too thankful that I acted upon the recommendation, as in them I have found great and what appears to be, permanent relief from a very distressing complaint. It gives me great pleasure in sending you this testimonial."

Mrs. E. HUMPHREY,
"Amphill,"
Reigate, Surrey, England.

"I have suffered greatly with kidney trouble, bad headaches and cramp in my hands and legs. I got so sick I had to pass several days in bed. I was so weak that I could not stand up and I thought I should not pass the winter. I took six boxes of Dodd's Kidney Pills and they have made me feel much better."

Mrs. M. PERREAUD,
La Broquerie, Man.

LEANDRE DOIRON

The satisfaction Dodd's Kidney Pills are giving as a remedy for Kidney trouble is shown by the large number of people who keep them always at hand. They have learned that the proper way to avoid serious forms of Kidney troubles, such as rheumatism, diabetes, dropsy and heart disease is to correct the early symptoms of Kidney trouble.

"Your pills have done me a lot of good. Before taking them I was not able to work. I am now able to work and I think, with a little more perseverance, I shall be completely relieved from my trouble. I give you permission to publish my testimonial."

PROSPER GALLIEN,
 Upper St. Simon, N.B.

"I have used your Dodd's Kidney Pills and can tell you that they are good and that they have done me much good. I recommend Dodd's Kidney Pills to all who suffer from bad kidneys. I tell my friends what a marvellous remedy they are, and advise all those who suffer not to delay taking them. I cannot speak too highly of them."

LEANDRE DOIRON,
 Pointe Sapain, N.B.

HEART DISEASE

WHEN a man falls dead in the street or goes to sleep and never wakes up again, the cause, in nine cases out of ten, is heart disease or heart failure—the heart simply stops beating and life has fled.

When you come to think of it, how slender is the thread that separates life and death. It is severed forever if the heart stops work for a moment.

The work of the heart is constant and wearing under the best conditions. But note how that work is increased when the blood is filled with impurities—when the Kidneys are out of order. Not only does it take extra work on the part of the heart to force the blood through the clogged Kidneys, but the turbid circulation in the veins and arteries is harder to keep moving.

And while the heart is thus doing extra labor and is tired and weak, it has to combat disease on its own account. The poisonous acid impurities the blood contains, act on the delicate valves of the heart through which the blood passes. The weakened heart cannot stand the double or treble strain, cannot do the extra work with disease eating at its vitals. It must be relieved or death from heart failure is the result.

Dodd's Kidney Pills are the relief required. They put the Kidneys in good working order; the Kidneys in good working order speedily cleanse the blood of all impurities. Thus the work of the heart is lightened. And the pure, clear blood leaping through the valves of the heart, clears away the seeds of disease and supplies their place with the food and strength and heat the heart requires to restore it to perfect health.

You can't have heart disease if you keep your Kidneys in perfect order and, consequently, your blood clean and pure. You can't have disordered Kidneys if you use Dodd's Kidney Pills.

Symptoms

The symptoms of heart disease are naturally similar to those of other Kidney diseases. They are headache, dizziness, palpitations, flutterings, sleeplessness, flashes of light, faintness on rising suddenly, dull aching sensation in the heart, shortness of breath, dropsical swelling, distressing dreams, disturbed sleep, congested appearance of the face, jaundiced tint of the skin.

Cold hands or feet are symptoms that must not be overlooked. They mean that the heart is failing in its work and is not forcing the blood to the extremities. There must be a cause for the failure, and the cause is impure blood. Your Kidneys need help at once, and Dodd's Kidney Pills are the help they need.

The Proof

"For nearly three years I was run down, had a very weak heart and was so nervous that at times I would almost faint away. Many people recommended Dodd's Kidney Pills for my trouble. I found, after I had taken two boxes, that they were doing me good and after using six boxes I was completely relieved. I can now do a good day's work and scarcely ever feel tired."

"Just a line to tell you that I have been using your medicine—Dodd's Kidney Pills and have found that they have done me a lot of good. I intend to continue taking them."

EDWARD NEWTON,
Campbell's Bay, Que.

"Your Dodd's Kidney Pills have been very beneficial to me. I suffered many years from backache and four boxes of Dodd's Kidney Pills have made me feel good."

HARRY GILEVITCH,
Dysart, Sask.

MADAME DUCHESNE

Heart disease is not kidney disease, but like dropsy, rheumatism, urinary troubles, etc., it is caused by diseased kidneys failing to strain the impurities out of the blood. The natural way to remedy it is to treat the kidneys.

Few persons are more enthusiastic in their praises of Dodd's Kidney Pills than Madame Duchesne, who states:

"I could hardly believe I had found relief. For three years I have not been able to do much. I had nothing but pain to talk about. I was interested in nothing and felt so ill and weak. Since taking Dodd's Kidney Pills I have greatly recovered. I feel so much better in my head and heart, that I can now do my work, knit and feel very cheerful."

MADAME DUCHESNE,
St. Jerome, Que.

RHEUMATISM

RHEUMATISM, Lumbago, Neuralgia, Sciatica, and Gout, are but symptoms of diseased Kidneys.

Rheumatism is caused by the presence in the system of uric acid. The uric acid crystallizes at certain points; sometimes at one place, sometimes at another. This crystallization causes the terrible pain.

Certain conditions, such as exposure to cold or wet, bring on that crystallization of the uric acid, and a consequent attack of this dreadful disease.

Rheumatism appears in many forms, but no matter how or where it comes, there is but one first cause—uric acid.

This poisonous acid is never present in the system when the Kidneys are doing their duty. Well Kidneys strain out all the uric acid and expel it from the body through the urinary organs.

To relieve rheumatism it is necessary to go at once to the root of the trouble, the sick Kidneys. Strengthen these and they will very soon expel the rheumatism.

Dodd's Kidney Pills have an unbroken record as a remedy for rheumatism.

The reason of their unbounded success even in the most chronic cases, is that they are an infallible Kidney medicine, and their success is a further proof that rheumatism is a Kidney Disease.

Dodd's Kidney Pills are purely vegetable. They positively contain no mineral, nor anything that can in any way injure the stomach, liver or bowels. Their business is to heal the Kidneys. They go directly to the seat of the trouble, and go to work at once.

The healed Kidneys strain out the uric acid from the blood, and when this—the sole cause of rheumatism—is

gone, the rheumatism itself quickly disappears.

Lumbago, Sciatica, Gout, Neuralgia

These are nothing more than variations in form and location of the symptoms of Kidney derangement.

The escaping uric acid is doing its deadly work of destruction and torture.

Tissue and nerve and blood and bone alike suffer from this biting and blighting poison.

The Kidneys, if treated immediately, will arrest and in time remove the cause, and with it the effect.

Dodd's Kidney Pills help the Kidneys. That's why they relieve Lumbago, Sciatica, Gout or Neuralgia.

These diseases cannot come or stay when there is sound Kidney action.

Dodd's Kidney Pills ensure this, and its consequent freedom from every symptom of these painful maladies.

"In the Autumn of 1920, I suffered so greatly from rheumatism in the hip and pains in the back, that at times it prevented me from walking, also sleeping. I decided to try Dodd's Kidney Pills and have not regretted doing so."

MICHAEL ROY,
Lac Etchemin, Que.

"I was troubled with rheumatism for 18 months. I could not lay on my right side. I tried several boxes of Dodd's Kidney Pills and got relief. After the eighth box my trouble completely disappeared and I have not felt it since. I always keep them in the house. I shall always remain a friend of Dodd's Kidney Pills."

"Just a word to tell you that I am 70 years old and want people to know I have used Dodd's Kidney Pills, and have greatly benefitted by them. I find that I have been relieved of rheumatism of long standing, also several other slight ailments."

MICHAEL PROVOST,
Poulamon, N.S.

MRS. MARY MACLEAN

Dodd's Kidney Pills relieve all forms of Kidney trouble. Dry, itching skin, dizziness, nervousness and inability to get refreshing sleep that mark the earlier stages of the disease, or Diabetes, Dropsy, Rheumatism, Heart Disease, or some other dangerous disease that marks its advanced stages.

Read what Mrs. MacLean has to say regarding Dodd's Kidney Pills.

"I suffered from rheumatism and kidney trouble, and after spending a considerable amount of money on other medicines, I tried Dodd's Kidney Pills. They have done me more good than any other medicine I have ever taken."

MRS. MARY MACLEAN,
The Point, West Bay, Richmond Co.,
N.S.

DIABETES AND DROPSY

DIABETES is a form of Kidney Disease peculiar to persons of sedentary and luxurious habits. Over-eating, high living and intemperance are the causes of Diabetes, the latter being the most fruitful.

The Symptoms of Diabetes

Great thirst, voracious appetite, dry, harsh skin, clammy tongue, a sense of weight or acute pain in the loins, failing sight, pale colored urine, loss of sexual power, bleeding of the gums, swelling of the feet and ankles in the advanced stages, emaciation and weakness, numb feeling in the thighs, nervousness and irritability, cold damp skin, boils and skin eruptions, looseness and decay of teeth, quickened pulse, increase in quantity of urine.

All these symptoms are not present at one time. **BUT DON'T WAIT FOR ALL OF THEM.**

Dodd's Kidney Pills are the only medicine that will help Diabetes.

DROPSY is an accumulation of water in the system outside of the arteries and other ducts of the body. The disease called Dropsy is only another of the positive signs of Kidney disease; for, there never was, nor ever can be, a case of Dropsy, the Kidneys remaining healthy. As a visible effect of bad Kidneys, it is as unmistakable as the swollen cheek after toothache.

Dropsy is one result arising from precisely the same condition that brings about heart failure, and the two are often found together. Watery particles ooze through the walls of the arteries when they are distended by unusual pressure, which can only be

caused by obstructions in the Kidneys, and that is all there is of it. Depletion of the system by any means which lowers the tone of the body, may develop Dropsy.

Have you any of the well-known signs of Dropsy? Puffiness under the eyes; swollen limbs; urine changed in character and appearance; smothered feeling from excitement or exertion?

The treatment is similar to that for any form of Kidney disease, and Dodd's Kidney Pills are invariably effectual. Read what people who have suffered and been saved by this treatment have said about it. Then use Dodd's Kidney Pills, they have helped others, and they will help you.

"For twenty-five years I have suffered from various forms of kidney disease which includes Bright's Disease, Diabetes and Dropsy. I had pains in my back and was always tired and nervous. At times I found it difficult to collect my thoughts and I had sharp pains on the top of my head. I took fifteen boxes of Dodd's Kidney Pills and they have done me a lot of good. I am now enjoying good health."

MADAME FRANCOIS ARBOUR,
White Head, Percé, Que.

"I am now very well and my kidneys are without pain. Since the time I started taking Dodd's Kidney Pills, I have not had any more pain and I have been able to get to my work."

GAUDIAS AUBIN,
St. Nicholas Station, Que.

"For a good many years we have been using Dodd's Kidney Pills and found them to be a great medicine."

MRS. FRANCIS J. JONES
Wolfe Bay, Romaine, Que.

"This is to certify that I have repeatedly used Dodd's Kidney Pills with very good results."

A. McDONALD,
Stillwater, N.S.

All that is claimed for Dodd's Kidney Pills is that they are a kidney remedy. They heal and strengthen the kidneys. They are used to treat rheumatism, dropsy, backache, urinary troubles, diabetes, and heart disease, because all these ills, are either of the kidneys or caused by diseased kidneys.

"I suffered for about six years from rheumatism, lumbago and neuralgia. At times my limbs used to swell and my head ached. I started taking Dodd's Kidney Pills and my health is very much improved. I believe if I take a few more I shall soon be all right. I advise everyone who suffers with backache or stomach troubles to take Dodd's Kidney Pills."

MRS. L. BECKER,
Neustadt, Ont.

BRIGHT'S DISEASE

BRIGHT'S DISEASE is disease of the Kidneys in its worst and final stage. In Bright's Disease the Kidneys break down utterly. Besides failing to cleanse the blood, they permit the life-giving property, the albumen, to escape in the urine. That is the distinguishing mark of Bright's Disease.

Bright's Disease is caused, like all other Kidney diseases, by defective action on the part of the Kidneys in the first place. The blood is not thoroughly purified, and the poisonous matter accumulates in the Kidneys themselves instead of some other part of the system.

The poison attacks the delicate Kidney tissues like acid, causing them to fester and decay. Soon the inside tissues are completely foul and rotten, giving off a virulent pus.

The blood all this time is passing through the Kidneys as usual and is thus becoming a veritable stream of filth, refuse matter and poison.

The victim of Bright's Disease usually has it for months before it becomes painful or he is aware of it. He lets the various symptoms go unheeded until it is too late and the disease has secured a foothold. Even after he is at death's door he keeps fancying he is getting better. The lack of nerves in the Kidneys, and their comparative insensibility to pain, explain this.

Bright's Disease is the cause, directly and indirectly, of more deaths than any other disease in the world to-day.

In order to be able to check Bright's Disease in its first stages, you must know the sure signs and tests of this

form of Kidney disease. The following are the more prominent:

Symptoms

Loss of flesh, dry, hot skin, fits of "the blues," shortness of breath, changeable appetite, loss of sexual power, sleeplessness, continual nervousness, soreness of the bowels, puffiness under the eyes, headache and neuralgia, pains in region of the heart, chills and fevers, especially at night, constipation, with occasional diarrhoea, swelling of the legs and abdomen, cramps in the muscles of the legs, failure of strength, with paleness of the face, great decrease in the urine, shown by chemical tests, dropsy, beginning at the ankles and extending upwards, pains or burning sensation in the loins or in the small of the back, inability to fix the attention on one's work, dark-colored urine that scalds while being voided and which shows a deposit or is covered with a greasy scum after it has stood for a time.

You will not have all of these symptoms at one time. One is enough to determine that your Kidneys are in the way that leads to Bright's Disease.

Dodd's Kidney Pills help Bright's Disease.

"I have suffered for eight months with Bright's disease, rheumatism, and dropsy. I could not sleep at nights, and felt heavy and sleepy after my meals. I took three boxes of Dodd's Kidney Pills and they did me a whole lot of good."

"Your Dodd's Kidney Pills are very good, and they have made me feel very well."

A. GAUTHIER,
St. Taillon, Que.

"I took two boxes of Dodd's Kidney Pills last summer and they did me much good."

WIFRID LANDRY,
Etang du Nord, Que.

MDE. JEAN BAPTISTE PILON

Wet feet and colds nearly always affect the Kidneys and the result is clogged circulation and lassitude and weakness all over the body. If the Kidneys are toned up with Dodd's Kidney Pills the impurities are strained out of the blood, health is restored and danger averted. To avoid Bright's Disease, Rheumatism, etc., keep the Kidneys right by using Dodd's Kidney Pills.

"For several years I suffered with bad kidneys. I took several boxes of Dodd's Kidney Pills and have felt greatly relieved. They have given me perfect satisfaction. I was not able to do much work before and now I do much more than I formerly did."

MADAME PILON,
Cheneville, Que.

WHY WOMEN SUFFER

RIGHT at the very beginning be sure that the kind and wise Creator never intended that any woman should suffer as many do. Nature has provided a means of keeping the body clean and well—the Kidneys. This sickness and suffering is generally brought about by a lack of knowledge of woman's necessity—healthy Kidneys. Good health cannot be present in either man or woman without healthy Kidneys, but in woman the very delicate female organism feels the strain of bad Kidney action before any other part. The reason for this is that the Kidneys and the female organs are side by side in the body, and there is a constant connection between them. The one depends on the other for assistance, and without health in one there can be no health in the other.

NO WOMAN WITH SOUND KIDNEYS EVER HAD FEMALE TROUBLE.

NO CASE OF FEMALE TROUBLE HAS EVER BEEN KNOWN WHERE THE KIDNEYS WERE NOT AT FAULT.

Prove it for yourself. If you have distressing pains and aches and nervous depression, those irregularities and other symptoms of female trouble, use Dodd's Kidney Pills, a purely Kidney medicine, and see how soon the symptoms begin to disappear.

Too Much Secrecy

It is positively cruel the way some doctors and others surround the complaints of women with mystery and secrecy. Long expensive treatments are given, and often with little or no good results. The poor sufferers are

kept for years in pain and weakness, but nothing is ever explained, and no good accomplished. It is a positive fact that ninety-five out of every hundred of these cases can be permanently corrected by a month's treatment in Nature's way, by correcting the Kidneys and thus removing the prime cause of all the trouble. Dodd's Kidney Pills have established themselves as the standard Kidney Remedy, and are weak woman's greatest friend. Throw aside all those mysterious and secret female treatments and go at once to the Kidneys with Dodd's Kidney Pills, and note the result.

Irregular and Painful Menstruation

Explained by the authorities in many ways, but always caused by functional derangement resulting from Kidney derangement.

Treatment

Use Dodd's Kidney Pills patiently and regularly in dose to suit age and condition. Take Diamond Dinner Pills as a laxative to keep the liver active. Open-air exercise and careful bathing may assist the treatment, but these should be regulated to suit the case.

Whites

Generally caused by weakness or much standing on the feet.

Use Dodd's Kidney Pills as directed, taking two as a dose three times a day to begin with. This may be gradually reduced as the trouble disappears. The patient should lie down as much as possible for the first day or two.

"I have taken Dodd's Kidney Pills with great satisfaction and recommend them to everyone."

GEORGE DRAGOMIR,
Truax, Sask.

"A word to tell you that I have been very satisfied with your pills. They have done me much good."

DAME OCTAVE ROY,
Sayabec Station, Que.

MDE. LOUIS BROUILLETTE

Women's troubles, or nearly all of them, come from sick kidneys. Dodd's Kidney Pills have built up their reputation as a kidney remedy by the relief they give. Dodd's Kidney Pills will relieve kidney trouble, no matter where or in what form it is. Madame Brouillette, well known and highly respected here, is enthusiastic in her praises of Dodd's Kidney Pills.

"After my baby was born, I used to suffer with my back. I had heart flutterings and my head used to ache. I was very nervous and had no appetite. I took twelve boxes of Dodd's Kidney Pills and I am more than satisfied with the results."

MDE. LOUIS BROUILLETTE,
Ange Gardien de Rouville, Que.

From Women To Women

SOME women who have used Dodd's Kidney Pills and have been relieved have written grateful testimonials. A few of these letters are presented below. They are the heartfelt experiences of the writers, expressed in their own words, and coming as they do voluntarily from these women to their suffering sisters everywhere, they will be read with interest and profit.

"I am 68 years old and must tell you that I have taken Dodd's Kidney Pills with great success. I had bad pains in my kidneys. I am only too happy to recommend them to similar sufferers."

DAME MAXIME GRENIER,
St. Barnabe Nord, Que.

"I suffered with kidney trouble. I took Dodd's Kidney Pills and have received great benefit from them. I think they are very good."

MRS. LEO GAUDET,
Saulnierville Sta., N.S.

"Your Dodd's Kidney Pills have made my kidneys and head quite well. I suffered with rheumatism and pains in my back. My appetite was poor and I always felt tired and irritable. I took a few boxes of Dodd's Kidney Pills and am very satisfied with the results."

M'ELLE CLARICE LIZOTTE,
Green River, N.B.

"I was not able to work for the pains in my back. I took a few boxes of Dodd's Kidney Pills and was able to start work again. After continuing taking the pills, my pains have completely disappeared."

MADAME CLOVISSE BOUCHARD,
Mistassini, Que.

"I had a very weak back which caused me great pain. After taking several boxes of Dodd's Kidney Pills it improved very much and now I am hardly ever troubled at all. I should like other people who suffer with their kidneys to know this."

IDA M. HEMION,
Sandy Point, N.S.

"Dodd's Kidney Pills have done me a great deal of good. I have taken many other remedies, but none of them did what the first box of Dodd's Kidney Pills did for me. I tell all my friends about them."

MADAME JEAN BLAIS,
Girardville, Que.

"I have used Dodd's Kidney Pills and they have given me great relief. I am now pleased to recommend them to all who suffer."

DAME L. G. MOREAU,
St. Michelle Squatech, Que.

"I have used Dodd's Kidney Pills for four years and find them to be all that is claimed of them."

MRS. WM. STOWELL,
St. Agnes Dundee, Que.

Pregnancy

A great many letters reach us every year asking if it is safe to take Dodd's Kidney Pills during this period. Yes. It is not only safe, but highly beneficial to do so. It must be remembered that during pregnancy all the intestinal organs are disturbed, and there is often pressure on the Kidneys and bladder, as the condition of the urine will show. Dodd's Kidney Pills act directly upon these organs.

The reason Dodd's Kidney Pills have come to occupy such a prominent place in the family medicine chest is that so many of the ordinary every day ills come from sick kidneys. Rheumatism, urinary troubles, diabetes, backache and heart disease can all be traced directly or indirectly to sick kidneys.

Enthusiastic over the results obtained from the use of Dodd's Kidney Pills, Mrs. Espeland is recommending them to all her friends.

"I have been troubled with my kidneys for years, but since I started taking Dodd's Kidney Pills my health has greatly improved. I only have to take them occasionally now."

MRS. N. ESPELAND,
Tenby Bay, Ont.

IN THE FAMILY

KIDNEY complaint is common among children as well as older people. This insidious disease sometimes lies hidden in the system for years. It may show its presence only by those little childish ailments that are looked upon as part of every boy's and girl's life. But its real nature and the terrible menace it is to the future man or woman may never be known until it breaks out in Dropsy, Diabetes, Bright's disease, or those terrible convulsions which bring death almost like lightning from a clear sky.

Thus it is not only the present health brought by Dodd's Kidney Pills that makes them the greatest family medicine of the age, the splendid immediate results obtained from them alone are enough for that, but they are little or nothing compared to the splendid assurance of future health that goes with every box of Dodd's Kidney Pills.

The child that is given an occasional treatment of Dodd's Kidney Pills will be bright and happy in its childhood, and more than that, all those terrible diseases that find birth in disordered Kidneys will be cleared out of each little system, root and branch. Remember the Kidneys are the spot where disease begins. Their work is to take the seeds of disease out of the blood and out of the body.

That little people's Kidneys can go wrong is evidenced in various ways besides those serious diseases that make little mounds in the cemetery. How many children have boils and pimples and running sores on their bodies. These are caused by *Kidney Poison in the blood*. If the Kidneys were right they would not be there.

"I have found in Dodd's Kidney Pills a veritable friend. I was incapable of resting my brain, which made me so ill at times I almost became unconscious. Four months I suffered day and night. I took three boxes of Dodd's Kidney Pills and returned to good health.

"My daughter also suffered from nervous sickness and after taking Dodd's Kidney Pills found great relief.

"I shall tell of this remedy that saved my life, so that others might get relief."

MADAME PARADIS,
Mont Joli, Que.

"For five years we have used your Dodd's Kidney Pills in our family and we have found them very beneficial.

"As for my liver complaint, your Diamond Dinner Pills have made me well."

JOSEPH HENRI MERCIER,
Ste. Agathe, Co. Lotbiniere, Que.

I can safely say that your Dodd's Kidney Pills have done me a lot of good. I was troubled with a pain in the back. I took four boxes and am only too glad to say that they completely relieved me. I will never be without them again."

MRS. JANE BARNES, JR.
Bay Despoir, Nfld.

"I can recommend your Dodd's Kidney Pills. They relieve where many other medicines fail."

EDWARD BECHERNAISE,
Gaspé Basin, Que.

REV. S. OLSEN

No ordinary remedy could produce such results as these, because only Dodd's Kidney Pills contain the peculiar tonic and restorative elements needed by weakened and inactive kidneys.

The Rev. Severt Olsen says:

"I became sick with rheumatism and neuralgia about 10 or 12 years ago. After 6 years it began to get serious and I had to give up my work. I had special treatment for a while, without much, if any benefit. I took different kinds of medicines both for internal and external use. I started taking Dodd's Kidney Pills and found them excellent. I have derived a great deal of encouragement and benefit from using them. Dodd's Kidney Pills are a wonderful remedy to do work of this kind. I recommend them to my many friends and neighbors."

"Your Dodd's Kidney Pills have done me a great amount of good. My headaches have disappeared and I am able to carry on with my occupation. Dodd's Kidney Pills are the only remedy that has done me so much good."

MARTIAL ST. LAURENT,
St. Anaclet, Que.

REV. SEVERT OLSEN,
South Junction, Man.

THE KING OF TONICS

IF you don't "feel" well, you most certainly are not well. Your feeling is generally a safe guide.*

There is something wrong with a man, or woman, or child who says, "I don't feel well."

Nature is protesting. Mildly perhaps, but if neglected, this warning will make you "feel" worse. Your Kidneys are not acting properly. They are failing in their work of abstracting from the system the seeds of disease and poisonous impurities, and this "not feeling well" simply means that these poisons are gradually creeping through your system, and selecting a favorable spot in which to appear in the form of some disease. Correct the Kidneys at once.

As a general tonic, Dodd's Kidney Pills are unequalled. By their action on the Kidneys, they restore vitality to every organ of the body, and tone up the whole system.

Dodd's Kidney Pills are the King of Tonics, because they work with Nature, by encouraging and assisting the disease-expellers—the Kidneys—to cast out everything impure or diseased.

Read the rules for self-examination on page 4.

"I am much obliged with your Dodd's Kidney Pills. I had no rest with my back. Saw your advertisement in the little book and wrote to you. On receiving my pills, I began taking them. After one month I had a few backaches. After taking seven boxes, my backache is gone completely."

FRED PUDDWILL,
Schuler, Alta.

Getting Well and Keeping Well

SOME people gain very rapidly after a serious illness. Others drag along weak and weary for weeks and sometimes for months.

The vitality comes back very slowly, and the after effects of a bad illness are often felt for years or for life.

There should be no "after effects." Nature has made provision for prompt restoration to complete good health. The disease (Fever, Pneumonia, La Grippe, or any other), tears down and destroys. The battle rages in the body, till the disease is defeated, and when this takes place, the whole system is like any other battlefield, it is strewn with the wreckage of war.

The remains of diseased tissue, and broken and lifeless muscle and sinew, with the millions of dead and dying germs of disease, literally crowd the avenues of the body. If these are not collected and expelled, by Nature's great purifiers, the Kidneys, they will certainly decay, poisoning and destroying good health, and thus retarding recovery, or bringing on a relapse of the disorder.

"I am happy to say your Dodd's Kidney Pills are very good. I took one box and my back is better. I can do my work now and it never bothers me. I will always speak a good word for Dodd's Kidney Pills."

NAT HARRIMAN,
Grande Cascapedia, Que.

"I have used many boxes of your Dodd's Kidney Pills and they have made me feel very well."

WILLIAM McCUTCHEON,
Chambly Canton, Que.

MR. REUBEN PRICE

Dodd's Dyspepsia Tablets have proved the most successful treatment for Dyspepsia and Indigestion yet discovered.

"I am well satisfied with your Dodd's Dyspepsia Tablets and cannot say anything too high in their favor. I suffered for six years from a bad stomach. I tried different remedies, but all to no avail. I read in Dodd's Almanac that your Tablets had helped so many, so I thought I would give them a trial.

Am glad to say six boxes completely relieved me. I am over sixty years of age now, with a sound stomach. They have also relieved my wife and daughter who were suffering from stomach trouble.

REUBEN PRICE,
Hant's Harbour,
Trinity Bay, Nfld.

"Before taking Dodd's Kidney Pills I was not able to walk. Thanks to Dodd's Kidney Pills I am now perfectly well. I find them very good."

LOUIS CLEARY,
Pointe Bleue, Que.

"I certify that Dodd's Kidney Pills have done me a great amount of good."

DAVID DESBIENS,
St. Jerome, Que.

HEALTH HINTS

Constipation

FOR this distressing complaint there is no better remedy than Diamond Dinner Pills. (See page 32). A regular action of the bowels is of the utmost importance in maintaining the health. Once in every 24 hours the bowels should be moved and a complete evacuation should take place.

In most cases constipation is caused by weak Kidney action, which affects the whole system. In other cases it is due to indigestion or dyspepsia, which prevents the proper assimilation of the food.

The proper treatment for constipation is to get at the cause. If the Kidneys are suspected Dodd's Kidney Pills should be taken; if dyspepsia, Dodd's Dyspepsia Tablets, or the two may be taken together—the pills before meals, the tablets after.

The bowels should first be moved by the means of Diamond Dinner Pills, directions for taking which you will find in every box.

Headache

Headache is almost always a symptom of Kidney Disease. The Kidney poison which the sick Kidneys fail to extract from the blood is extremely injurious to the delicate tissues of the brain.

This, with the accumulated nerve irritation which reaches the brain from every part of the body where this Kidney poison is doing its deadly work, causes an almost unbearable condition—a headache which unfits one for work and indeed often sends a man or a woman to bed.

Dodd's Kidney Pills strengthen the kidneys—the kidneys purify the blood

and the headache and nervous irritation go for good.

The Nerves

The chief cause of all nervousness, irritability, bad dreams, twitchings, melancholy and every other symptom of nerve disease is in the Kidneys. If the Kidneys are sound, no poison can escape in the blood to fester and eat away at the delicate and sensitive nerves. Dodd's Kidney Pills will make your Kidneys sound.

Sleep

When the tired body lies down to rest sleep should come quickly, and it should be sweet, dreamless and satisfying.

Kidney trouble does more to make the sleep broken and unsatisfying than any other condition. A person whose Kidneys are not well will have broken sleep, and will often wake up more tired than when they went to bed.

Dodd's Kidney Pills quickly set the Kidneys right, and remove these unpleasant symptoms.

Urine Danger Signs

When the passing of the urine is accompanied by other than a feeling of pleasant relief the Kidneys are wrong.

The urine should be odorless and of a pale straw color. Any discoloration means danger.

If the urine stains the linen, there is danger.

If it burns or scalds it means danger. If it does not flow freely without straining, there is danger.

The danger comes from the Kidneys.

The safeguard is Dodd's Kidney Pills.

MRS. H. J. MARSHALL

Nine out of ten of the suffering women of Canada will find that the cause of their sufferings is diseased Kidneys. If they strengthen the Kidneys with Dodd's Kidney Pills their sufferings will cease. Read what Mrs. Marshall says:

"I got a box of your Dodd's Kidney Pills just to try, as I was troubled with backache and a tired out feeling. I have used all kinds of pills, but none have helped me so much, in such a short time. I am so pleased that I am ready to give your pills the praise they deserve. When I started taking your pills I was so weak after the slightest exertion, and my back ached so, that I had to lie down and rest before I could do anything. After the first box my back quit aching and I felt a different woman.

"Dodd's Kidney Pills have done me a lot of good. I was always ill and suffered with a bad back. I was told to take Dodd's Kidney Pills and now I am very well. I recommend them to all those who suffer. They are a good medicine."

M'ELLE GILBERT JOBIN,
Villemontel, Que.

Mrs. H. J. MARSHALL,
Sprucedale, Ont.

SPRING MEDICINES

If you would be bright and cheerful and energetic in the warm weather that marks the coming of spring, you must take a blood cleansing medicine.

During the winter months the body fortifies itself against the cold by putting on extra tissue. When the spring comes it throws off this tissue and it is carried off by the blood.

This waste matter is carried by the blood to the Kidneys. If the Kidneys are strong and healthy and in a condition to strain it all out, the blood is at once cleansed.

That Tired Feeling

But the Kidneys are nearly always tired at this season of the year, and unless they are helped or toned up, part of this waste matter remains in the blood. There it rots and turns to Kidney poison.

It is easy to see the results. The impure, thickened blood makes the circulation slow and turbid. The feeding of the different muscles and organs is not properly attended to; the food they get is tainted.

Under these circumstances the body cannot fail to become tired and weak. "That tired feeling" is the result.

But that tired feeling is not the *only* result of impure blood, or rather neglected Kidneys, in the spring. This season of the year is always marked by a large increase in the number of people suffering from serious illness.

Clean Your Body

It is necessary to health that you clean your yards and houses in the spring. How much more necessary is it that you should cleanse your body. Nature's method of cleansing the blood

is to make the Kidneys strong and healthy. Strong and healthy Kidneys ensure pure blood. Dodd's Kidney Pills ensure healthy, vigorous Kidneys.

Other results of allowing the refuse matter to remain in the blood are the boils, pimples and skin eruptions of other kinds that are so common in the spring: The pus or matter that comes out of the pimples or sores is putrid waste matter that weak Kidneys have failed to strain out of the blood.

Boils, Pimples, Etc.

Poison and waste matter in the blood is bound to break out on the skin in some painful form. The discharges from a boil or pimple or other skin eruption are Kidney poison. This filth should have been removed by the Kidneys; it would have been extracted if the Kidneys had been doing their duty. Treat them now. Take Dodd's Kidney Pills and restore your Kidneys. The healthy Kidneys will quickly strain out of the blood all poisons and other impurities and make boils, pimples and all such painful and ugly skin eruptions an impossibility.

After Fevers

After fevers the Kidneys are always weak, clogged and out of order. They need a tonic and there is only one Kidney Tonic—Dodd's Kidney Pills.

After scarlet fever children's Kidneys are nearly always affected. If you want them to grow up strong and healthy, repair the damage by giving them a treatment of Dodd's Kidney Pills.

WOMEN OF ALL AGES

Benefit by Dodd's Kidney Pills

THE CHILD Most children suffer more or less from weakness of the Kidneys. All children's ailments, such as measles, whooping cough, etc., affect the Kidneys and leave their traces behind. That fretfulness, that disinclination to play with others, that sullenness, those fits of hysteria, that wetting of the bed at night are all symptoms of Kidney weakness. Dodd's Kidney Pills strengthen weak Kidneys in children, and being purely vegetable, may be given to the youngest child with perfect safety.

THE GROWING GIRL At no period of a girl's life is it more important to note the action of the Kidneys than during those trying years that pass between girlhood and womanhood. Growing girls frequently complain of sick headaches, pains in the back, depression, horrible dreams, nervousness, cold shiverings, loss of appetite, etc. These are generally supposed to be the forerunners of so-called "female troubles," but in nine cases out of ten they are entirely due to weak Kidneys. Dodd's Kidney Pills quickly relieve these distressing symptoms in growing girls by bracing up the Kidneys and helping them to make the blood pure and wholesome.

THE YOUNG MOTHER It is hard to do your work with an aching back. All young mothers know this, and they know also that their duties and trials as a wife are only just beginning. But what they do not know is that ninety per cent. of their trouble comes from the Kidneys. "My back has ached ever since baby was born," is a common remark. Yes; and it will go on aching till you get your Kidneys right. Dodd's Kidney Pills are a boon to young mothers, for they strengthen, tone, and brace up the entire system.

THE WOMAN OF 45 Every woman as she approaches this age becomes aware, by certain signs and symptoms, that she is nearing the "Change of Life." With every woman this is an anxious time, with many a very critical one. During the whole period the Kidneys should be closely watched. If they show the slightest sign of congestion or weakness, Dodd's Kidney Pills should be taken at once. Bright's Disease, Diabetes, Dropsy, Rheumatism, are often the result of weak Kidneys following after the change of life. If Dodd's Kidney Pills are taken regularly throughout this time there will be nothing to fear.

THE GRANDMOTHER As we get on in life our Kidneys begin to show signs of wear. They are the first organs to tell us how the years are rolling by, for we find them getting weaker, and we get pains in our backs, our energy wanes, the chills of winter and the heat of summer affect us more and more, we are easily tired, and at every opportunity we want to sit and rest. Dodd's Kidney Pills are made for old and tired Kidneys. They brace them up, give them tone, and just the help they require to assist them in doing their work. No one is too old to benefit by this grand remedy.

THE STOMACH

WHILE the necessity of keeping the Kidneys healthy that the blood may be clean has been clearly shown in the foregoing pages, it must not be forgotten that the making of new blood is also necessary. This is the work of the stomach.

We eat to live, and some of us live to eat. In fact, scientific research shows that all of us eat more than is absolutely necessary, while some eat a great deal too much.

Now eating the food is only the beginning of the work of feeding the body. In order that the feeding may be completed, it is necessary that the food should be digested. That is the work of the stomach.

But how many people of to-day treat their stomachs fairly?

To begin with all, or nearly all, eat more than is necessary, and thus impose on the stomach work it has no right to do. Then again, in these days of business hurry, men, and women too, bolt their lunches half-chewed, and the stomach is forced to work on material not properly prepared for it.

What Dyspepsia Means

Dyspepsia or chronic indigestion means that the stomach has got into such a state that it cannot do the work of digestion. This means that the different muscles and organs of the body are not receiving the food they require; that they are starved and weak.

To meet this most deplorable condition, science has produced Dodd's Dyspepsia Tablets. They do the work of digestion, supplying the juices the tired stomach fails to provide. They not only feed the body and bring back its strength, but by giving the

stomach a chance to rest and recuperate, bring it back to the original healthy condition. Thus Dodd's Dyspepsia Tablets are more than a relief; they are a remedy that completely removes the trouble.

"I suffered for a long time with dyspepsia. Could not sleep at night and had pains in the stomach and around the heart. Since I have taken Dodd's Dyspepsia Tablets, I have had no more pain. I now sleep well and enjoy good health."

MDE GASPARD ROUSSELLE,
Coteau Du Lac, Que.

"I have found Dodd's Dyspepsia Tablets very satisfactory. I only used a couple of boxes and they have done me a lot of good. I would recommend them to anyone suffering from indigestion."

HENRY SALTER,
New Brandon, N.B.

"Thanks to Dodd's Dyspepsia Tablets, I am in good health to-day. I am now able to eat hearty and sleep well. I recommend all persons who suffer from stomach trouble to take these splendid tablets. I am sure they would be relieved like I was."

MRS. EUGENE BERUBE,
South Junction, Man.

"I can tell you frankly, that after taking your tablets, I found a change in my health at once. I have taken other remedies but they did me no good. Eating is now a pleasure to me, and I hardly ever have any pains at all."

ALPHONSE COTE,
St. Flavien, P.Q.

Dodd's Dyspepsia Tablets

DODD'S Dyspepsia Tablets have proved to the satisfaction of thousands that they are all that they claim to be—a complete and permanent treatment for all stages and forms of Indigestion and Dyspepsia.

They have taken a burden of pain and despondency from the lives of thousands. They have made many weak and dispirited people strong and vigorous, able, yes, eager for their daily work. They have made peaceful slumber visit thousands of sleepless couches and made thousands of weakened bodies strong enough to throw off diseases that would otherwise have stretched them on beds of suffering.

That's why Dodd's Dyspepsia Tablets stand out by themselves as the one remedy that always helps Dyspepsia and Indigestion.

Dodd's Dyspepsia Tablets are easy to carry and easy to take. They can be carried in the pocket, and one or two of them taken after a hearty meal is an insurance against the distress and pain after eating to which many are subject.

Remember that Dodd's Dyspepsia Tablets are a natural remedy. They digest the food while the stomach rests and recuperates.

Your stomach is overworked and needs rest. The rest it needs is found in Dodd's Dyspepsia Tablets.

You will find prompt relief in Dodd's Dyspepsia Tablets.

Don't let that fact deter you one moment from using Dodd's Dyspepsia Tablets if you have any symptoms of dyspepsia, the two remedies were made to be taken together, each, in fact, assisting the other, and all fear of them conflicting may be laid aside.

Diamond Dinner Pills

TORPID LIVER.—A tired, sluggish Liver causes no end of sickness and suffering. This important organ sometimes requires assistance and encouragement, but it should never be forced. It is the business of Diamond Dinner Pills to tone and strengthen and coax the Liver back to a healthy condition of activity. You should treat the torpid Liver carefully, gently and patiently. You should never try force. Nature resents such treatment and Diamond Dinner Pills are compounded not with a view of simply applying force to "*move the Bowels.*" but to gently and gradually tone up the Liver till it supplies the necessary amount of bile (Nature's own laxative), and the bowels *move themselves.*

BILIOUSNESS.—The torpid Liver allows the bile to escape through every part of the system instead of into the bowels as Nature intended. It is felt in the stomach often causing Nausea. It clogs the blood and shows itself in the sallow skin. In many cases it produces sick headache, and that heavy, dull feeling so very oppressive. Diamond Dinner Pills are essentially a Liver Medicine, and they act promptly on the sluggish Liver, gently coaxing and encouraging and helping it to do its duty. After a patient treatment it begins to improve and finally may be trusted to perform its functions independently and perfectly. In this way and only this way can Bil-

iousness ever be helped permanently.

CONSTIPATION.—Caused in the first place by the failure of the Liver to furnish the bowels a sufficient amount of bile—Nature's own laxative; but in the majority of cases Chronic Constipation is caused by the taking of salts, purgative pills and other violent physics which cause gripping and purging, and upset the whole health of the Stomach, Liver and Bowels, and the use of which is always followed by Constipation, Piles and other evidences of injury to the delicate machinery of the body. Let us repeat *you must never try to force Nature.* These violent purgatives can never do anything but harm. Study Nature's methods and follow them.

DIAMOND DINNER PILLS.—Help Torpid Liver, Biliousness and Constipation, because they follow Nature's methods.

Diamond Dinner Pills are not intended simply to empty the bowels. Their action is directly on the Liver, causing it to do its duty, after which the bowels empty themselves.

Diamond Dinner Pills are a purely vegetable remedy, and will be found when patiently used to be altogether the most satisfactory remedy for all derangements of the Liver and Bowels.

Diamond Dinner Pills are 25 cents a box. All dealers or by mail on receipt of price by The Dodds Medicine Co., Limited, Toronto, Canada.

CAUTION!

BRASS is never imitated. Gold is often counterfeited. When Dodd's Kidney Pills were discovered and first put on the market, there was no other Kidney Pill offered. But just as soon as Dodd's Kidney Pills began to relieve hitherto hopeless cases of Kidney Disease, and to attract the attention of the world by their miraculous work, imitators sprang up everywhere. These attempts at imitation only attest the worth of the original Kidney Pills—**Dodd's**. Dodd's Kidney Pills were the first kidney remedy to be offered to the public in pill form. **Dodd's** is the original Kidney Pill.

The proprietors of Dodd's Kidney Pills, Dodd's Dyspepsia Tablets and Diamond Dinner Pills have done everything they can to protect the public from being imposed upon. The design of the boxes in which the genuine Dodd's Remedies are sold is protected by law, as is the name **D-o-d-d's**. A perfect picture of each box is on the back of this Almanac. The genuine Dodd's Kidney Pills, Dodd's Dyspepsia Tablets and Diamond Dinner Pills are never sold except in these boxes. Be sure of the name **D-o-d-d's**.

Dodd's Kidney Pills will help any kind of kidney disease. Tens of thousands of grateful people in all parts of the world have testified and will testify to their complete relief by Dodd's Kidney Pills of the most severe and long-standing cases of
