# Dodd's Kidney Pills

**WHAT** are Dodd's Kidney Pills?

They are the greatest Kidney Medicine science has ever produced. How do they help Kidney Disease? By going direct to the Kidneys, by stopping the progress of disease, and by healing the Kidneys; by freeing the clogged passages, by strengthening weak Kidneys and helping them to do their work as nature intended they should; by putting new life into them and making them sound and healthy. What are Dodd's Kidney Pills composed of? They are carefully and skilfully compounded from numerous plants and roots and being entirely vegetable will not harm the most delicate constitution. What diseases will they help? All those you will find mentioned in this book. Dodd's Kidney Pills are not a cure-all; they are totally different from all other medicines of the kind, they are a genuine, scientific discovery. Be sure you get the genuine DODD'S KIDNEY PILLS, which are only sold in boxes. See picture of box on back of cover.

"Your Dodd's Kidney Pills have given me complete satisfaction. For three months I have taken them regularly. I am very pleased with them because the paining in my kidneys, from which I was suffering, have completely disappeared."

L. THIBOUTOT,  
St. Pamphile, Que.

"I can tell you that Dodd's Kidney Pills have done me much good. I am very satisfied."

LOUIS BORDELEAU,  
Riviere Mekinac, Que.

**WHERE** are the Kidneys situated?

On each side of the spine, in "the small of the back." What have they got to do? To filter the Uric Acid and other poisonous matter out of the blood. How do the Kidneys do this? By absorbing the poisonous matter through their surfaces into the centre of the Kidneys, from whence they discharge it in the form of urine down two tubes into the bladder. How often do they do this? Always; night and day; from birth to death. How much do the Kidneys filter? About 500 grains of poisonous matter every twenty-four hours. Are they easily deranged? Yes, a blow, chill, strain, or excesses of eating and drinking will affect them. What happens then? The Kidneys become weak and cannot filter the impurities out of our blood. Then we get Backache, Rheumatism, Dropsy, Diabetes, Bright's Disease, Lumbago, Urinary Troubles, and many other Kidney Diseases. How can the Kidneys be helped? By Dodd's Kidney Pills. How can I tell if my Kidneys are diseased? By reading the rules of self-examination on page three.

"Your pills are very good. I have suffered a long time with Kidney trouble. Six boxes of Dodd's Kidney Pills have done me so much good that I intend continuing the treatment until I am completely relieved of my trouble. I tell all my friends who suffer with Kidney trouble to take them."

PHILIPPE GAGNON,  
St. Fulgence, Que.

# KIDNEY TROUBLE

**T**HE Kidneys are the most important organs we have in our bodies. Although they have so much work to do, and so much depends upon their being able to do it, yet they are very delicate and easily put out of order. A cold or chill, a strain, a blow, a fall, excesses in eating and drinking, insufficient fresh air and exercise, want of proper attention to our general health, working in a hot or fetid atmosphere; these are some of the things that affect the Kidneys, that weaken them, and render them incapable of carrying out the duties nature assigned to them.

Kidney Trouble is always serious. Let no one suppose that an attack of Kidney Trouble is to be treated lightly or passed over in the belief that it will right itself. There is many a vacant chair in many a household to-day through neglected Kidney Trouble. Everything we eat and drink goes to enrich the blood and build up the tissues, but a large proportion is waste matter for which the body has no use, and this the Kidneys have to filter out and pass off in the urine. This goes on night and day all through our lives from birth to death. When the Kidneys fail, through weakness or disease, to do their duty, the waste matter gathers in our bodies and poisons us. This is Kidney Trouble. Backache, Rheumatism, Sciatica, Neuralgia, Lumbago, Diabetes, Dropsy, Bright's Disease, these are all due to Kidney Trouble.

Dodd's Kidney Pills help Kidney Trouble. They are a Kidney food. They strengthen weak Kidneys, heal diseased Kidneys, allay inflammation, clear the clogged passages, revitalize the Kidneys of the aged, and give tone

to the Kidneys of the young. Dodd's Kidney Pills have been successful when all other medicines have failed.

"I was attacked with a malady that at first I did not think was serious until about the beginning of last March, when it became evident that I could do nothing. I consulted a doctor and he told me I was suffering from Kidney Trouble

"I was obliged to take to my bed. I had a Dodd's Almanac in the house and read a few of the testimonials, then bought three boxes of Dodd's Kidney Pills and a box of Diamond Dinner Pills.

"I can assure you that they have made me well, and the pain in my back between the shoulders is gone. I am completely relieved of my trouble."

MRS. J. DEROCHE,  
South Stukely, Que.

"Dodd's Kidney Pills are a wonderful medicine. I suffered with Kidney trouble and they could not have benefitted anyone more. They were most satisfactory."

MISS M. AUSTIN,  
Guelph, Ont.

"I have suffered for three years with Kidney trouble. I have been to the doctor and have tried many other remedies, but they did me no good. I tried Dodd's Kidney Pills and they were a great help to me. I could hardly do any housework. Three boxes of Dodd's Kidney Pills have done me much good. They are the best remedy I have ever taken."

MRS. L. LIPPA,  
St. Kilda, Alta.

# Rules for Self-Examination

## Are Your Kidneys Affected

**A**SK yourself the following questions. Answer truthfully, for your future health and happiness, perhaps your life, depends on your honesty to yourself in this matter. Many have found out to their dismay that they have had Kidney disease, only when asked just such questions in an examination for life insurance. If you have to answer "Yes" to any of these questions, you are in danger. If your answer to two or more of them be "Yes," you are in great danger and should act promptly.

Have you backache?

Do your limbs feel heavy?

Do you have scanty flow of urine?

Do you suffer from unusual thirst?

Does your urine appear thick or milky?

Do you have frequent severe headaches?

Do you have cramps in the muscles and limbs?

Have you been losing weight and strength rapidly?

Have you uneasiness or pains occasionally in the loins?

Do you make water too frequently either during the day or night?

Have you failing or indistinct vision, with flashes of light or floating specks?

Does your perspiration or urine after exposure, have a bad and disagreeable odor?

Do you have deposits of sand, gravel, brick-dust, or white mucous in the urine?

Have you dark circles around the eyes, puffiness under the eyes, or

bloated appearance of the face in the morning?

Have you dark red or bloody-looking urine, which scalds you in passing, or do you notice shreds in it?

Are you irritable?

Is your sleep broken?

Have you dizzy feeling?

Have you shortness of breath?

Are you greatly depressed in spirit? Do you suffer from nausea after eating?

Have you tender spots in the back over the spine?

Do you get tired and nervous after ordinary exertion?

Do you start in your sleep, have bad dreams or nightmare?

Has your skin a dry or harsh feeling, and does it itch and burn at night?

Do you have attacks of rheumatism, stiffness of the joints, neuralgia, lumbago or sciatica?

Do you have a tired feeling in the region of the kidneys, with a dragging, heavy feeling across the loins?

There is danger in delay. Don't lose a moment. There is only one remedy which has never failed. **Dodd's Kidney Pills** will help any case of Kidney Disease no matter of how long standing.

Price 50 cents per box, or six boxes for \$2.50. All dealers, or by mail on receipt of price. The Dodds Medicine Co., Limited, Toronto, Canada.

**CAUTION.**—Beware of imitations. Accept only the genuine **D-o-d-d's**. Picture of box on back of cover.

"It is with pleasure that I let you know your Dodd's Kidney Pills have done me good and I am well satisfied with the results. My trouble started from a cold. My sleep was broken and rheumatism also troubled me. I am now taking your Dodd's Dyspepsia Tablets, and find them very good. When I feel my stomach bad I take them and get instant relief. My age is 76."

G. CRAWFORD,  
Standon, Que.

Mde. Amedee Godin.

The reason people talk so enthusiastically about Dodd's Kidney Pills is that they make them well all over. Madame. A Godin writes:—

"Pardon me for not writing to you before about your Dodd's Kidney Pills, but when one enjoys good health one is always busy.

"Some time ago I was suffering with my kidneys and weakness of the bladder. I read in your Almanac that Dodd's Kidney Pills were good for this trouble and decided to try them.

"I had not a great deal of confidence in Pills because I had tried so many other kinds without good results. To my surprise after I had taken the first box, I began to feel better. I continued taking them and am now completely relieved of my trouble. I advise all those who suffer with their kidneys to use them. It gives me pleasure to tell all my friends to use them."

MADAME A. GODIN,  
St. Jeanne D'arc, N.B.

# RHEUMATISM

**R**HEUMATISM, Sciatica, Lumbago, Gout, and all the kindred ailments are results of diseased Kidneys. They are caused by the presence in the blood of large quantities of Uric Acid, which the Kidneys have failed to remove. This poisonous acid combines with the alkaline substances found in the body (such as Potash, Soda, Lime, etc.) and form into small flinty crystals with sharp points and jagged edges, that cause inflammation in the joints and muscles and produce those excruciating pains that all who suffer from Rheumatism know only too well. With the blood saturated with poison, and these crystals accumulating in the joints, where they cut and lacerate the muscles, it is not to be wondered at that every movement of the limbs becomes an agony, that they swell, that the flesh becomes hard and painful, the muscles twisted and knotted until the whole of the frame is distorted out of all shape.

Rheumatism is a most obstinate disease, and as the ordinary remedies such as oils, liniments, embrocations, baths and rubbings fail to effect relief, sufferers become discouraged, and there are many people to-day who are compelled to walk about on sticks and crutches, or have to be wheeled about in chairs, who would never have reached this pitiable condition had their Kidneys been properly attended to in the early stages of the disease. But even those who have reached this stage can find relief if they will but take the right remedy, namely, **DODD'S KIDNEY PILLS**. If the Kidneys are the cause of the trouble, it is to the Kidneys we must turn to find relief. First, get them working properly, so that these

can remove the Uric Acid from the blood, and it follows as a natural consequence that the Rheumatism must disappear.

"I am writing to say how wonderful and quick your pills were in arresting and relieving an attack of rheumatism I had a few weeks ago. My occupation, a coal teamster, necessitates me being out late at nights during the severe winter weather. I had an occasion to get on my knees in the snow to put fuel into a basement. Two days later I had to stay at home with rheumatism in both of my knees. I was recommended to try Dodd's Kidney Pills, which I did. The first half box gave me relief and all signs of rheumatism have now gone after taking three boxes. I thank you for being able to give me such relief. The recommendation of your Dodd's Kidney Pills came from several other coal teamsters that I work with."

P. M. RAGGETT,  
222 Woodmount Ave.,  
Toronto, Ont.

"I have suffered with rheumatism for several years. One box of Dodd's Kidney Pills have given me complete relief. I am happy to be able to say a good word of your pills to all my friends."

JOHN CHESNEY,  
Ottawa, Sask.

"I was troubled with rheumatism and I took twelve boxes of Dodd's Kidney Pills. I am very pleased to inform you that they did me a great deal of good."

Gerard Comtois

Dodd's Kidney Pills are popular all over the world because they not only help the pains and aches of the different diseases springing from disordered Kidneys, but give new life and energy all over the body.

"I have been waiting for my son to return from the lumber camp to know the result of your Dodd's Kidney Pills. He is a young man 17 years old, and at the age of 14 he used to have a stitch in his side and pains in his legs which we believed to be rheumatism. He took three boxes of Dodd's Kidney Pills and felt much better. The following year he took another three boxes and after the autumn he was engaged in lumbering. I sent him three more boxes, and I can certify in all sincerity, that they have done him a great good. He has done the work of a man and returned home quite fat. People who knew him hardly believe that he is only 17 years old. He now weighs 150 lbs." MADAME B. COMTOIS, St. Jean de Matha, Que.

"I am a little late in sending in proof of the efficacy of your Dodd's Kidney Pills, but as the old saying goes, 'Better late than never.'

"Yes, only two boxes of your marvellous pills have sufficed to completely relieve me from a complication of kidney trouble from which I have suffered for seven years. I have decided in future, not to suffer long before making a call on Dodd's Kidney Pills."

MISS M. BEAULIEU,  
St. Athanasie, Que.

# HEART DISEASE

**T**HE heart and the kidneys have more work to do than any other organs of the body. The kidneys purify the blood, and the Heart circulates it through all the veins and arteries. The heart and kidneys therefore work in unison with each other. The kidneys have to filter all the uric acid and other poisonous matter out of the blood, at the rate of 200 or 300 grains per day, while the heart has to circulate every drop of blood in our bodies through all the veins and channels every few minutes. These two processes are going on day and night throughout our lives. You will see from this what a close connection there is between the heart and the kidneys. You will understand how, when the kidneys are clogged or diseased, and the blood is charged with foul polluting matter, the heart has hard work to circulate it through the veins, and what mischief this poisoned blood is doing to all the organs it comes in contact with. A great many people imagine they are suffering from heart disease when in reality it is kidney disease that is troubling them. The kidneys have failed in their duty, and the heart has extra work to do. Then we get that dreadful palpitation, that fluttering and choking sensation as if the heart was going to rise in our throats and suffocate us. What does common sense say? Take care of the kidneys and the heart will take care of itself. How? By **DODD'S KIDNEY PILLS**. They have helped thousands of cases of supposed heart disease. **DODD'S KIDNEY PILLS** go at once to the kidneys, restore them to action, heal and strengthen them, and put new life into them, and assist them to send a supply

of pure, rich blood to ease the over-worked heart.

A few other danger signals, a knowledge of which may be the means of saving your life.

Headache, dizziness, sleeplessness, flashes of light before the eyes, cold feet and hands, blueness of the lips, faintness on rising suddenly, dull, aching sensations in the heart, shortness of breath, dropsical swelling, distressing dreams, disturbed sleep, congested appearance of the face, jaundiced tint of the skin, and sometimes a cough.

---

"I have used **Dodd's Kidney Pills** and found them very satisfactory. I suffered with my head and heart. I could not sleep very well and I was always tired and nervous. I took half a dozen boxes of **Dodd's Kidney Pills** and they have done me much good. I make no error in recommending them to my fellow countrymen as a remedy for sick kidneys."

JOSEPH HARDY,  
Mistassini, Que.

---

In reply to your letter regarding **Dodd's Kidney Pills**. They are very good and we have derived great benefit from them. We are fat, vigorous, and well satisfied."

ZELIA GIRARD,  
St. GEDÉON, Que.

---

"I used your **Dodd's Kidney Pills** for a few weeks and am very glad to say that I am quite all right now."

Mrs Andrew Johnston

Dodd's Kidney Pills help Rheumatism, Lumbago, and Sciatica, because all these come from the same cause—impure blood. Dodd's Kidney Pills put the Kidneys in good working order and cleanse the blood of all impurities. Pure blood means good health all over the body.

"My sickness dates back twenty years or more. My sleep was broken and unrefreshing, my appetite was fitful and I suffered from backache. I felt heavy and sleepy after meals and was depressed and low spirited. Rheumatism, Lumbago and Sciatica were also three of my troubles.

"I have taken your Dodd's Kidney Pills and Dyspepsia Tablets and must say I was greatly benefitted by the treatment. I have recommended them to all my friends and could recommend them to any one else. You may publish my testimonial for the benefit of others."

MRS. ANDREW JOHNSTON,  
Coldwater, Ont.

Pregnancy

A great many letters reach us every year asking if it is safe to take Dodd's Kidney Pills during this period. It is not only safe, but highly beneficial to do so. It must be remembered that during pregnancy all the intestinal organs are disturbed, and there is often pressure on the Kidneys and bladder, as the condition of the urine will show. Dodd's Kidney Pills act directly upon these organs.

# BRIGHT'S DISEASE

**O**F all forms of Kidney Disorder this is the most deadly. It was first discovered in 1837 by Dr. Bright, from whom it takes its name. From then, till the discovery of Dodd's Kidney Pills, cases of Bright's Disease were considered most dangerous. It is a gradual breaking up of the Kidneys; piece by piece they separate, and pass away in the urine till there is nothing left of them. This terrible malady may be divided into two classes, Acute Bright's Disease, and Chronic Bright's Disease. In the former case, which is frequently the result of Chills, Scarlet Fever, Cholera, Typhoid, Measles, Intemperance, too-frequent Pregnancies, Erysipelas, etc., the symptoms are easily recognizable. There is always a chilly feeling as if ice water was running down your back. You have shivering fits, apparently without cause, your face, body, and ankles become puffy; the urine passed is scanty, high-colored, often streaked with blood, and containing albumen. You have pains in your back, you feel languid, tired, and fit for nothing. If any of these symptoms appear, no time should be lost in resorting to a course of Dodd's Kidney Pills.

If the disease has been allowed to run on unchecked till it has reached the chronic stage the matter is more serious. In addition to the above symptoms, there will be: Loss of Flesh, Dropsy in the Body, the water rising to the heart and causing Shortness of Breath; the Liver and Lungs will be affected; the discharge of urine decreases greatly till hardly any is passed, there is soreness of the Bowels, Constipation, Fitful Appetite, Nervousness, Failing Eyesight, Depression, some-

times Delirium, a hot dry skin with cramp in the muscles of the leg and feet.

In such a case Dodd's Kidney Pills should be taken regularly, never missing a single day or dose. Again and again has this famous Kidney Medicine snatched sufferers from the grave. We have scores of letters from grateful patients who have found relief in Dodd's Kidney Pills.

---

"After suffering several months with Bright's Disease and pains in the head, I took six boxes of Dodd's Kidney Pills. They have completely relieved me of my trouble, and given perfect satisfaction.

"Before taking Dodd's Kidney Pills I was incapable of doing much work. I can now do more than ever before."

MADAME PROSPER BOUDREAU,  
Caraquet, N.B.

---

"I have suffered from Bright's Disease, Rheumatism and Neuralgia. I have used Dodd's Kidney Pills and found them very satisfactory."

LEANDRE P. CHIASSON,  
Island River, N.B.

---

"I was almost unable to work any more and it was necessary that I walked every day. I have taken several boxes of Dodd's Kidney Pills and am now quite well. I always keep them in the house. I take a box from time to time and that keeps me well."

MADAME G. BOUDART,  
Val Barrette, Que.

Louis Poudrier

Dodd's Kidney Pills have been in use in Canada for more than thirty years. They have been used by thousands of people suffering from various forms of Kidney trouble, such as Rheumatism, Sciatica, Lumbago, Dropsy, Sore Back, Diabetes and Bright's disease. It is on the relief afforded sufferers that Dodd's Kidney Pills have built their reputation.

"Dodd's Kidney Pills have been a great relief to me. Before I started using them I suffered greatly with a severe pain in my back, and had to wear a belt for support. I felt relief from the first box and since then I have been using them constantly. My pain in the back is all gone and I am feeling much better—thanks to Dodd's Kidney Pills."

PETER J. DUVAL,  
Bonaventure Island, Que.

"I have suffered for a year with pains in my right side. A friend of mine advised me to take Dodd's Kidney Pills. I have taken seven boxes and am now perfectly relieved, thanks to your Dodd's Kidney Pills.

"I had taken several other remedies but without getting relief."

LOUIS POUDDRER,  
St. Gerard des Laurentides, Que.

# DROPSY

**D**ROPSY is water formed in the tissues, or cavities of the body; it is not (as it is generally supposed) a disease in itself; it is a symptom of Kidney Disease. A mistake is frequently made, often by doctors, in treating the Dropsy—"getting rid of it," as it is usually called—while common-sense should tell them to treat the *cause* of the disease and not the *symptom*. The Kidneys are to blame. If they are weak and cannot perform their duty, they fail to carry off the fluid from the body which gathers in the limbs, causing intense agony. From this it will be seen how useless it is to rub the swollen parts with liniments and embrocations, or to let the water out by "tapping."

The only successful method of treating Dropsy is by treating the Kidneys, and the only method of treating the Kidneys is by Dodd's Kidney Pills. Restore the Kidneys to health, heal their inflamed surfaces, strengthen their action, and they will soon rid the body of superfluous water. Dodd's Kidney Pills are the most successful medicine that has been used in the treatment of Dropsy. Why? Because Dodd's Kidney Pills are a true Kidney medicine; they are not made to relieve every disease under the sun, but only for those arising from diseases of the Kidneys. Dodd's Kidney Pills act directly on the Kidneys, and do their work so surely and thoroughly that the greatest sufferer, after years of torture, will find relief from the first few doses.

Dropsy in the limbs should never be disregarded. The water in the body has a tendency to rise; it will mount up from the knees to the thighs, from the thighs of the body to the

stomach, and then if nothing is done to check it, it reaches the heart, when death is almost invariably the result.

---

"I have used several boxes of Dodd's Kidney Pills and have been greatly benefitted.

"I have suffered many years from Dropsy, Gravel and Sugar Diabetes. My head used to ache and my appetite was fitful. My sleep was broken and I was nervous and irritable.

"I have taken ten boxes of Dodd's Kidney Pills and feel much better, especially my kidneys.

"I give you the right to publish this testimonial because your Dodd's Kidney Pills merit the honor."

MADAME GERARD FLOURDE,  
Danville, Que.

---

"I have suffered for three or four years with dropsy, backache and headaches. I had heart flutterings and my sleep was broken and unrefreshing. I have taken eight boxes of Dodd's Kidney Pills and I can tell you they have done me much good."

MRS. LOUIS LEMIEUX,  
Cap Aux Os, Que.

---

"I can tell you that Dodd's Kidney Pills have done me much good. I have suffered for two years from bad kidneys. One of my friends advised me to take them. Two boxes have restored my health. I advise all those suffering from kidney complaints to try Dodd's Kidney Pills, they will surely relieve them."

L. SOUCY,  
St. Antonin, Que.

Mrs. G. Woonch

Everywhere you go in Canada people tell you of the great work Dodd's Kidney Pills are doing and everyone who tells you can give the reason why. That reason simply is that there is no case of Kidney Disease Dodd's Kidney Pills cannot help. Back-ache, Rheumatism, Sciatica, Neuralgia, Dropsy, Diabetes, Lumbago, Heart Disease and Bright's Disease are some of the more serious troubles that Dodd's Kidney Pills always help.

"I cannot tell you otherwise but that your Dodd's Kidney Pills have done me much good. My malady was very serious. They have brought me great relief. It is with pleasure that I give you permission to publish this testimonial."

DAME AUGUSTE COTÉ,  
Petite Vallee, Que.

"I am pleased to say how much good your Dodd's Kidney Pills have done me. I have suffered with back-ache, lumbago and neuralgia, and after I started using your Dodd's Kidney Pills I felt like a new woman. I will recommend your medicine any time."

Mrs. G. WOONCH,  
Sprucedale, Ont.

# DIABETES

**"D**EADLY Diabetes." This was the grim title this terrible disease earned for itself before the discovery of Dodd's Kidney Pills. And, indeed, it was a fitting title, too, for very few afflicted with Diabetes ever escaped death.

It is the most elusive of all forms of Kidney Disease. One of the greatest authorities on Kidney Disease in speaking of Diabetes says: "The first symptoms should be most carefully watched." Why? Because this terrible disease creeps on insidiously, gaining a little day by day till it has the unsuspecting sufferer firmly in its grasp. It may take eight or ten years to reach this stage, but then it develops with marvellous rapidity.

The first symptom to be noticed is an unusual discharge of urine. In some cases this has reached as much as forty pints in twenty-four hours; while the average discharge in health should not exceed two or three pints daily. This is accompanied with a terrible thirst. The sufferer feels he could go on drinking for ever. The skin becomes hot, dry and parched. There is loss of flesh, the tongue is clammy and sticky, often very red; there is flatulence and indigestion. The bowels are constipated, the limbs ache, there are pains in the back and loins, swelling of the legs, great irritation of all parts the urine comes in contact with, the liver is congested, the lungs become affected, and many diabetics go into a decline and die of consumption. But the symptom most to be dreaded is that of a voracious appetite. Diabetic subjects who are ignorant of the significance of this symptom are often led astray by it. They

argue, "I have a splendid appetite. I eat and drink well, surely there cannot be much the matter with me." Yet this very appetite, which they look upon as a sign of good health, is overwhelming evidence that something is wrong. The appetite, like every other function of the body, should be normal. An abnormal appetite, a perpetual thirst, an unusual discharge of urine, or any of the other symptoms mentioned above, they are the unmistakable signs of Diabetes. Test your Kidneys. See page three.

"I have suffered seven years with diabetes, rheumatism and backache. I started taking Dodd's Kidney Pills, and began to get better right away."

Mrs. K. ZUKE,  
Tenby, Man.

"It gives me pleasure to tell you how satisfactory your Dodd's Kidney Pills have been to me. I have had boils for the past eight months and have spent over \$60 for treatments, which did not relieve me of them. After taking five boxes of Dodd's Kidney Pills my boils have disappeared. I also had violent pains in my kidneys and they have also gone with the boils. I am now feeling fine and am quite well. I would like to recommend Dodd's Kidney Pills to all persons who suffer with similar complaints to my own."

JOSEPH LESSARD,  
St. Leon, Que.

"Regarding your Dodd's Kidney Pills. I am very satisfied with them and I am very well."

WILFRED THOUDE,  
Petit Saguenay, Que.

Edward J. Dupuis

Rheumatism is caused by uric acid in the blood. If you strengthen the Kidneys by using Dodd's Kidney Pills they will drain all the uric acid out of the blood and there can be no rheumatism. Relieved of rheumatism and bad Kidneys, from which he had suffered for several years, Mr. Dupuis, well-known and highly respected here, gives all the credit to Dodd's Kidney Pills, the great Canadian kidney remedy.

"Your Dodd's Kidney Pills have done me much good. I am better, but take care to always have a box in the house. When the symptoms of my bad Kidney complaint commence I take a few and they make me better. I find them indispensable. Your Dodd's Dyspepsia Tablets are very good also."

DAME E. CHATIGNY,  
St. Agapit Station, Que.

"I took one box of Dodd's Kidney Pills and it did me so much good that I got a second box and it absolutely cleared my system.

"I suffered from rheumatism and backaches. I often had stiffness in my joints and was always tired and nervous. My head also used to ache.

"I am never bothered now."

EDWARD DUPUIS,  
Auld, Ont

# WOMAN'S WEAKNESS

**E**VERY woman knows what it is to be ill. Yet every woman does not know the cause—the *real* cause—of her illness.

There has been a great deal of foolish, false modesty and mystery surrounding all forms of Female Complaints, and the consequence is that the great majority of women are wholly ignorant of the true nature of their sufferings.

And what is the result of all this secrecy and mystery? Why, that many women go on year after year dosing themselves with noxious and poisonous drugs, while others give up in despair and sink into utter hopelessness under the belief that there is no relief for their complaint, and that Nature ordained that they should suffer all their lives.

Never did greater fallacies enter the human mind.

No amount of drugging ever made a weak woman strong, and kindly Mother Nature *never* intended a woman to suffer a lifetime of pain and suffering just because she was a woman.

No. Nature intended all women to be healthy and happy, to enjoy life and its pleasures to the fullest extent, and not to be forever weak and ailing. Let us look this thing honestly in the face. More than half these so-called Female Troubles are really Kidney Troubles. They are the result of over-worked Kidneys. Many of those distressing symptoms, that women know so well, come from the Kidneys. Those bearing-down pains, those sick headaches, that sallow complexion, that weary tired feeling, that pain across the loins, that swelling of the body and limbs, those sharp, shooting

pains in the back that seem to dart through you like a knife, the fitful sleep, the poor appetite, the failing eyesight, the come-and-go pains; these and many others are sure and certain signs of Kidney Troubles. A woman's Kidneys soon give out, but no suffering woman need despair. Dodd's Kidney Pills will quickly relieve her. They will bring back roses to the cheeks, give new life and vigor, give back health and strength, lighten the steps, brighten the eye, and free her from pain as no other medicine can or ever did before. Dodd's Kidney Pills are safe to take at all ages, in childhood or during that critical period, "the change of life," and that is why they are called "Woman's best friend."

"I give you a testimonial of my health. I can recommend your Dodd's Kidney Pills as they have done me much good. They have greatly strengthened my kidneys, which were very weak. I recommend all persons suffering from kidney trouble to use Dodd's Kidney Pills as they are a splendid remedy."

MADAME D. BLANCHARD,  
Ste. Jeanne D'Arc, N.B.

"For nineteen years I have suffered from kidney troubles and seeing so many recommending your Dodd's Kidney Pills, I decided to give them a trial. After using six boxes I am now feeling quite well and recommend Dodd's Kidney Pills to anyone suffering from kidney troubles, as I have suffered."

MRS. J. COLLINS,

"I have been taking your Dodd's Kidney Pills for three weeks and am perfectly satisfied with them. I was suffering from a bad headache and I could hardly work. I was discouraged. My neighbor told me about Dodd's Kidney Pills and I started right away. I am quite well now."

TREFFLI FOURNIER,  
South Stukely, Que.

Dame Elzear Puay

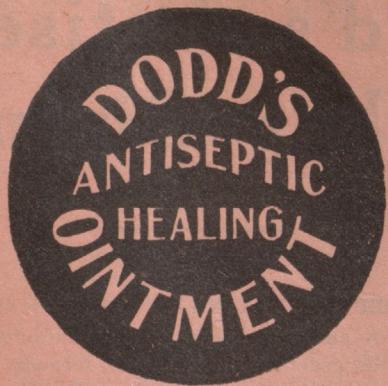

There can be no good health unless the blood is pure. Dodd's Kidney Pills put the kidneys in good working order and cleanse the blood from all impurities.

"I have found your Dodd's Kidney Pills excellent. For ten years I have suffered from diabetes and pains in my kidneys. I have consulted many doctors. I have had their treatments without results. They told me my case was incurable. I had heard of Dodd's Kidney Pills and I decided to give them a trial. I took several boxes and my health seemed to improve.

"I continued taking them and to-day I am quite well. I can eat anything I wish. I always keep a box of Dodd's Kidney Pills in the house and if my kidney trouble reappears I take a few and the trouble disappears. If anyone suffers from diabetes or bad kidneys they should take Dodd's Kidney Pills."

# Dodd's Antiseptic Healing Ointment

---

**D**ODD'S ANTISEPTIC HEALING OINTMENT is the product of years of careful study and experiment. The manufacturers of the famous **Dodd's Kidney Pills** examined hundreds of formulæ before discovering the one which is now offered to the public as **Dodd's Antiseptic Healing Ointment**.

This formula was chosen for various reasons; chief among them being, because of its great curative value and because of its outstanding antiseptic and cleansing qualities.

It is a pleasure to use **Dodd's Antiseptic Healing Ointment**. It is so pure and soothing. It gives relief from pain and yet will not injure the most delicate skin. It can be used with perfect safety by both old and young alike.

Few people realize the danger that lurks in a small cut or bite. Although, innocent enough looking in themselves, these are often the cause of blood-poisoning and sometimes death itself. The smallest cut or scratch is a source of great danger and we cannot urge too strongly the immediate use of **Dodd's Antiseptic Healing Ointment**. This will not only cleanse the wound, but will relieve the pain and bring about an early recovery.

**Dodd's Antiseptic Healing Ointment** is recommended and will be found a soothing treatment for all forms of:—

Cuts  
Burns  
Cold Sores  
Chafed Hands  
Sore Nipples  
Salt Rheum  
Sore Feet  
Abscesses

# WHAT OTHERS SAY

WE are printing in this book letters from persons who have suffered and found relief from Dodd's Kidney Pills. To those who are STILL suffering and have NOT yet found relief, they will be the gladdest of glad reading, for they tell how aches and pains can be swept away as though they had never been. They tell of those who would work but cannot; of weary mothers whose load of pain has been taken from them; of toilers whose toil has been lightened; of those other unfortunates being made well and strong by DODD'S KIDNEY PILLS. They are letters from plain, honest folk, written in all sincerity and heartfelt gratitude. They are written as messages to YOU, and if you do not heed the advice they contain the fault is yours, for they are printed here wholly and solely for your benefit and guidance.

"I have been using Dodd's Kidney Pills at different times and must say that they are the best for those who suffer from kidney trouble. I had a lot of trouble for seven years and I was in the hospital for quite a while, but it did not do me much good. I feel quite different now since I have been taking Dodd's Kidney Pills. I would advise every man and woman who has a trouble from head to knee to try them."

MRS. NELLIE BAGAN,  
Gilbert Plains, Man.

"It gives me pleasure to send you this certificate. I was so weak I often had to stay in bed. I was nervous and only got a little sleep at nights. My doctor had told me this weakness was bringing on consumption. A few boxes of your marvellous Dodd's Kidney Pills sufficed for me to completely recover my health."

DAME T. CAVIGNON,  
Marieville, Que.

"I have tried your Dodd's Kidney Pills which a friend recommended me

to take and I have been very satisfied."

Y. FAFARD,  
Victoriaville, Que.

"About twenty-four years ago I had a very severe attack of kidney trouble. I was so ill for three months with an aching back that I was almost if not quite a cripple. I began using Dodd's Kidney Pills and in six months I was completely relieved.

"I am now in my eighty-first year and am still in good health and strong, which I firmly believe I can attribute to the use of Dodd's Kidney Pills so many years ago."

RICHARD QUIRK,  
Fortune Harbor, Nfld.

"For my part I can tell you I had very bad kidney trouble. I was hardly able to walk, but I have been completely relieved of my trouble by Dodd's Kidney Pills. I recommend them to all who suffer with their kidneys. Kindly send me one of your almanacs."

"Please send by return mail \$2.00 worth of Dodd's Kidney Pills. I was visiting Prince Edward Island this summer and bought some of your famous pills there. They are wonderful pills and have helped me greatly. I can recommend them highly to anyone with Kidney trouble. You can use this testimonial."

Respectfully,  
 JOHN MOREY,  
 390 Purchase St., Milford, Mass.

Mrs Wm Maddix

Dodd's Kidney Pills are the greatest of all remedies for weak, suffering women. They heal and strengthen the Kidneys. The Kidneys are the root of nine-tenths of women's ills. Moreover, strengthened Kidneys mean pure, clear blood all over the body. That means good health everywhere. Dodd's Kidney Pills are purely a kidney remedy.

"I am the mother of three children and after the birth of the eldest my back was very weak. Later it became very painful, until last winter it got so bad that I could hardly stand. I then took four boxes of Dodd's Kidney Pills which completely relieved me. I have great confidence in them and recommend them to all my friends."

# HEALTH HINTS

**H**HEADACHES.—No healthy man or woman is troubled with headaches. They are one of Nature's warnings that some part of the system is out of order. In nine cases out of ten it is the Kidneys that are wrong. They are not doing their appointed work of taking impurities and poisons out of the blood. These act on the delicate nerves and cause headaches. A short treatment of Dodd's Kidney Pills will not only banish your headache, but correct the derangement in the system before a more serious disease is developed.

**B**ACKACHE.—Sore back means sore Kidneys. Heal the Kidneys and your backache will quickly disappear, and besides, the restored Kidneys will clean the blood—clean the seed of disease out of it. Dodd's Kidney Pills have helped hundreds of sore backs. Don't trifle with a Backache.

**Y**OU CAN'T SLEEP.—There is nothing so disagreeable in life as to go to bed and be unable to sleep. It is a sure sign that something is wrong with the system, a sign that the Kidneys are out of order and that the putrid matter remaining in the blood is irritating the nerves. The Kidneys need help, and Dodd's Kidney Pills is the help they need. Don't use sleep-producing medicines for they often contain narcotics, drugs that cause lasting injury to the system. **DODD'S KIDNEY PILLS ARE PURELY VEGETABLE.** They contain no opium or mineral.

**B**OILS, PIMPLES AND SKIN DISEASES.—Poison and waste material in the blood is bound to break out on the skin in some painful form. The discharges from a boil or pimple

or other skin eruption are Kidney poison. This filth should have been removed by the Kidneys; it would have been extracted if the Kidneys had been doing their duty. Treat them now. Take Dodd's Kidney Pills and restore your Kidneys. The healthy Kidneys will quickly strain out of the blood all poisons and other impurities and make Boils, Pimples and all such painful and ugly skin eruptions an impossibility.

**C**ONSTIPATION.—For this distressing complaint there is no better remedy than Diamond Dinner Pills. (See page 32). A regular action of the bowels is of the utmost importance in maintaining the health. Once in every twenty-four hours the bowels should be moved and a complete evacuation should take place.

In most cases constipation is caused by weak Kidney action, which affects the whole system. In other cases it is due to indigestion or dyspepsia, which prevents the proper assimilation of the food. Violent purgatives should be avoided; they are weakening and do no permanent good.

The proper treatment for constipation is to get at the cause. If the Kidneys are suspected, Dodd's Kidney Pills should be taken; if dyspepsia, Dodd's Dyspepsia Tablets, or the two may be taken together—the pills before meals, the tablets after. The bowels should first be moved by the means of Diamond Dinner Pills, directions for taking which you will find in every box, then take a glass of cold water first thing every morning, and a glass of warm water—as warm as you can drink it, immediately after each meal.

George L. Everett

Dodd's Kidney Pills hold their popularity not because of the promises they make, but because of the good they do. They are no cure-all. They are purely and simply a Kidney remedy. The reason they are credited with relieving rheumatism, heart disease, dropsy, etc., is because all these diseases are caused by sick Kidneys. Relieved of rheumatism and backache Mr. G. L. Everett sends us the following statement.

"I cannot recommend your Dodd's Kidney Pills too highly after what they have done for me.

"I was suffering from rheumatism, backache, stiffness in my joints and cramp in my muscles.

"I was practically given up by doctors, when a friend advised me to try Dodd's Kidney Pills. After the first three boxes I felt better and am now able to do my regular work."

# GRAVEL

## GALL STONES, STRICTURE, STONE in the BLADDER

**G**RAVEL is caused by acidity of the blood. It is a result of Kidney Disease. The uric acid, which the Kidneys failed to remove from the blood, crystallizes and turns into small particles of stone or gravel. These adhere together till they have been known to reach the size of a small hen's egg. They choke the passages or ducts of the Kidneys and Bladder, which they lacerate, causing excruciating pain.

The symptoms are: Intense pain and tenderness in the region of the Bladder, rigidity, nausea, vomiting, profuse perspiration, prostration, and sometimes fainting; the urine passing in dribbles and is streaked with blood; heightened temperature reaching sometimes 102 degrees. Gall-stones occur mostly in persons of a full or fleshy habit, and oftenest at the ages of forty to sixty. They are found more frequently in women than in men, the proportion being three to one. Stricture is most common with men. A well-known doctor, writing on this subject, says:

"More than twenty-five per cent. of all persons reaching the age of forty develop gall-stones, gravel, or stone in the bladder in some form or other, which rapidly develops into either an acute or chronic state of the disease."

This terrible disease, which before now has ended fatally, is often beyond the surgeon's power to heal. The very utmost he can do is to remove the stones by a delicate and painful operation, but the cleverest surgeon in the world cannot prevent the stones from forming again.

Dodd's Kidney Pills help Stone in the Kidneys and Bladder by partially dissolving the Stones, carrying them off in the urine, and healing the Kidneys, so that the stones cannot form again.

"I used to get those griping pains in my back and kidneys and was seriously inconvenienced with urinary troubles. I was advised by my aunt to give your pills a trial, which I did, and oh, gee, what a wonderful change came over me. I can now run and jump and perform all kinds of stunts and not an ache or a pain. Good-bye to weak kidneys. I feel like singing and dancing all the time. You are at liberty to use my letter which I know will help others to enjoy this wonderful change in life."

J. L. OSBORNE,  
Kegashka Bay, Labrador.

"I used Dodd's Kidney Pills two years ago. I had poor circulation in my legs and feet. I used to have hot water tanks at night to keep my feet warm. I was able to do without them after using one box of Dodd's Kidney Pills.

"I also had urinary trouble, but now I am quite well. My age is eighty years."

JOSHUA SMITH,  
Port Hood Island, N.S.

"I write you a few words to tell you about my health and that Dodd's Kidney Pills have done me much good."

Mrs. Francois Simone.

Sore Kidneys are the bane of the average woman's life. They are the cause of weakness, lassitude, loss of appetite, sleeplessness, headaches, and depression of spirits that makes life a burden. But thousands of women all over Canada are telling their suffering sisters that relief and help is to be found in Dodd's Kidney Pills. They help the Kidneys and nine-tenths of women's ills come from diseased or disordered Kidneys. Mrs. F. Simone writes:—

"I can certify that Dodd's Kidney Pills are very good. They have done me a lot of good. I was suffering with a pain in my back and I am feeling better."

MRS. FRANCOIS SIMONE,  
Espanola, Ont.

"Your Dodd's Kidney Pills have done me a lot of good. I used to have to get up at night with my Kidneys and now I can lie all night without having to get up. I praise your Dodd's Kidney Pills. You can use this testimonial if you like."

# The Best Family Remedy

**O**LD beliefs are hard to kill. For years it was believed that the bowels were responsible for more than half the ills we suffer from, consequently a strong purgative taken at frequent intervals was considered the best family medicine. But now it is known that it is the BLOOD and NOT the bowels that we must look to, to keep us in health. But the blood must be pure and wholesome to nourish our bodies. It must be free from all impurities, and especially from that deadly poison—uric acid. It is the duty of the kidneys to keep the blood pure, therefore the best family medicine must be a kidney medicine, and the best kidney medicine is DODD'S KIDNEY PILLS. Here is the testimony of people who write and tell us they always keep DODD'S KIDNEY PILLS in the house, for they find them invaluable as a Family Medicine.

"Your Dodd's Kidney Pills have done me much good. I am very satisfied with the results. I had pains in my back and head. My sleep was broken and unrefreshing, and my appetite was fitful. Six boxes of Dodd's Kidney Pills have done me much good." MADAME E. TREMBLAY,

Grosses Roches, Que.

"Your Dodd's Kidney Pills have done me a lot of good. When I sent for them I was unable to work. I took ten boxes and to-day I can do my work and am without pain. I recommend them to all who suffer with backache, rheumatism and pains in the kidneys." GEORGE TREMBLAY,

St. Marie, Que.

"I have taken your Dodd's Kidney Pills because I was weak and excessively nervous and unable to work without feeling depressed. I was also weighed down with lumbago and had no appetite. It has only taken a few weeks treatment of Dodd's Kidney Pills to restore my strength and courage and former good health."

MADAME B. SIMARD,  
St. Gedeon, Que.

"I must tell you that a treatment of six boxes of Dodd's Kidney Pills have done me a great deal of good. I was suffering from kidney trouble, headaches and indigestion. I am now in good health. Kindly publish my testimonial for the benefit of other sick women."

DAME E. OUELLET,  
St. Joseph de Kamouraska, Que.

"I have been using your Dodd's Kidney Pills for five years. I suffered from dropsy, backache, and headache. I was always tired and nervous. I felt heavy and sleepy after meals and was depressed and low spirited. I have been greatly relieved by Dodd's Kidney Pills and will not be without them again for they are a great help to me."

MRS. RUFUS P. HALLIDAY,  
Williamsdale East, N.S.

"I can certify that your Dodd's Kidney Pills and Dodd's Dyspepsia Tablets have helped me very much. I have taken three boxes and am now quite well."

Philippe Cauchon

The reason Dodd's Kidney Pills give such good results for so many different diseases is that when the Kidneys are sick the whole body is sick. Weak or sick Kidneys cannot do their full work of straining all the impurities out of the blood. It therefore follows that the seeds of disease are carried to all parts of the body, and affect all the weak spots.

"About two years ago I was suffering with a continuous ache in the vicinity of my Kidneys. Having heard of your Kidney pills being excellent for such an ailment I sent for three boxes. After using a box and a half, the pain completely disappeared. I gave the rest to a friend, who was also relieved after using three boxes."

"I am very satisfied with Dodd's Kidney Pills. They have done me so much good. I always had pains in my Kidneys. I was told about your Dodd's Kidney Pills and since I have been taking them, I have not felt another pain."

# Children's Kidneys

If parents would only realize the fact that ninety-nine children out of every hundred suffer more or less from weak kidneys, they would save themselves a great deal of trouble and anxiety, and the little ones much suffering. Kidney weakness in children is often mistaken for an annoying habit, and they are unjustly punished when a little attention to the cause of the trouble—the kidneys—would give immediate relief. The following cases will show how speedily and effectually DODD'S KIDNEY PILLS help children of bed-wetting and other forms of kidney trouble.

THE PRIMARY CAUSE of Kidney Trouble with children is weakness of the bladder and kidneys. The child is unable to control the muscles that govern the bladder, consequently the urine passes away involuntarily, mostly when the sufferer is warm in bed. The proper treatment is: For children up to eight years, half a DODD'S KIDNEY PILL twice a day; from eight to twelve years, one DODD'S KIDNEY PILL twice a day, before meals; from twelve upwards one pill three times a day.

"I am writing to you in regard to your Dodd's Kidney Pills which I have been using on trial.

"I am giving them to two of my children, and I have not yet finished one box, and find them very satisfactory. I am going to continue using them."

MRS. L. STANLEY,  
Williamstown, Ont.

"It gives me great pleasure to tell you that we are all quite well since tak-

ing Dodd's Kidney Pills. My boy is now enjoying good health and my husband has been much better. His kidney trouble and dyspepsia are nearly gone. I am quite well myself and it gives me pleasure to praise your pills."

ISIDORE BEAUREGARD,  
Laureat, Que.

"I am happy to tell you that Dodd's Kidney Pills are very good. They have relieved my young child of two years, who used to wet her bed every night. She has completely ceased from doing this now. My child is now very well and I advise all mothers to use them when they have need."

MME. ERNEST GAUTHIER,  
St. Gedeon, Que.

"You asked me some time ago about your Pills, that I had. I must tell you that I have been perfectly satisfied with Dodd's Kidney Pills. I was having pains in my Kidneys, and at present I am very well. I counsel all those who suffer from kidney trouble, to take Dodd's Kidney Pills."

MADAME ERNEST PROULX,  
Bromptonville, Que.

"In reply to your letter I am happy to have had recourse to Dodd's Kidney Pills, because they have greatly benefitted me. For a long time I was suffering from weak kidneys. Dodd's Kidney Pills have established good health. I am now quite well."

DOMINA PREVOST,  
St. Jerome, Que.

Mde. Aime Tremblay

Any stubborn pain in the small of the back is cause to suspect Kidney trouble. If, also, you experience headaches, dizzy spells, shortness of breath, rheumatic twinges and other disorders, safeguard your health without delay. Use Dodd's Kidney Pills to soothe and strengthen the kidneys.

Relieved of bad kidneys, Madame A. Tremblay, well-known and highly respected here, gives all the credit to Dodd's Kidney Pills.

"I am sending you a certificate to publish in your Almanac. I have been relieved of bad kidneys in the space of a month with three boxes of Dodd's Kidney Pills.

"It is true that Dodd's Kidney Pills have been found very beneficial and suited to my case.

"Before taking them I was tormented with pains in the back. My Kidneys were in a very bad condition. After using four boxes I feel very well. The pains have almost disappeared. Your Dodd's Kidney Pills were the only remedy. I will certainly continue to use them."

Mrs. V. WHITECAP,  
Cochin, Sask.

MADAME AIME TREMBLAY,  
Ste. Anne des Monts, Que.

# BACKACHE

**T**HIS is the first sign of Kidney Trouble. Don't neglect it. It is nature's way of warning you that there is something wrong with your Kidneys. If you suspect your Kidneys, and wish to know exactly what is wrong with them, refer to page three of this book, study carefully the rules of self-examination given there, and should your suspicions become confirmed, do not delay. Backache should be attended to promptly; it may be the forerunner of Diabetes, Rheumatism, Dropsy, Lumbago, Sciatica, Urinary Troubles, Diseases of the Bladder, Gravel, Stricture, Bright's-Disease, etc. Backache is easily relieved. DODD'S KIDNEY PILLS help it. A few boxes, taken in time, will ward off and keep you free from any of the above diseases. Backache comes on suddenly; it may catch you just as you are rising from a chair, or just as you are stooping to lift something. It comes like a knife-stab in the back—where the Kidneys are—and sometimes it stays with you for days; a weary, gnawing pain that makes your life a misery. DODD'S KIDNEY PILLS can help you—but be sure you get the genuine.

“I am very well to-day and can do my work. I have suffered for five years with Backache, Neuralgia and Headaches. My sleep was broken and unrefreshing, and I was always irritable and nervous.

“I have found Dodd's Kidney Pills very beneficial. Several of my friends have also found them good. Kindly send me one of your Almanacs.”

J. POLIQUIN,  
St. Nereé, Que.

“It was a trouble for me to work and I always had bad kidneys. Since I have taken Dodd's Kidney Pills the pains in my back have all gone, and I am in perfect health and well satisfied.”

MADAME E. PREZEAU,  
Notre Dame du Pont Main, Que.

“For pains in the back and kidneys, I have taken Dodd's Kidney Pills and they have done me good immediately. I always keep a box in the house. To-day, thanks to your pills, I am quite relieved of my trouble and recommend them to all who suffer. Kindly send me one of your almanacs.”

ALFRED GAGNON,  
Moulin Bersimis, Que.

“I am more than thankful to Dodd's Kidney Pills because they have helped me so much. I know I could not live without them. Before I started taking Dodd's Kidney Pills I was so bad I could not move in my bed. I was suffering with rheumatism, lumbago and pains in my back. I could not rest day or night. I had to turn myself in bed with straps. After the first box of Dodd's Kidney Pills I noticed a great improvement. I am sorry I did not start taking them ten years ago. I will never be without them if I can get them. I cannot find anything which builds me up so much.”

ALLAN McMULLIN,  
Upper Grand Mira, N.S.

“After much suffering I have been greatly benefitted by the use of Dodd's Kidney Pills, and would not be without a box in the house.”

MRS. RUDY SHILSON,  
Cedars, Que.

# THE LIFE OF WOMAN

## The Girl

Even in childhood, it is of the highest importance that the Kidneys should be watched carefully. Many a woman has had her future life blighted by the carelessness of her mother during her girlhood. A well-known specialist in the diseases of women is authority for the statement that seventy-five per cent. of the cases of female weakness are directly traceable to neglected Kidney Disorders in girlhood. Dodd's Kidney Pills should be in every home where young girls are growing up, and no false modesty should prevent a mother from testing her daughter's urine, and using the Pills if the Kidneys are found to be weak or failing. They may be given to the youngest with perfect safety.

## The Young Woman

"Standing with uncertain feet  
Where womanhood and girlhood  
meet."

Perhaps the most critical time in a woman's whole life is this passing from girlhood to womanhood. Happy indeed and thankful should be the mother who sees her daughters develop naturally, completely and with no distressing difficulty or uncertainty. The Kidneys are the point to be watched. If they are sound there will be no trouble. Test the urine frequently and be certain that the Kidneys are well. If so, don't worry, but if not, act promptly. Dodd's Kidney Pills are the surest, most convenient and safest restorative for the Kidneys and will be found invaluable at this extremely critical period.

## The Wife

Loaded with the duties and business of her new home, anxious to please and be all that is expected of her by her husband and his relatives, with all the awful responsibilities of approaching motherhood, the first year or two of a woman's married life is a very anxious and trying period. A wife's work is never done, but after a time she gets accustomed to the changed conditions and better able to bear her share, if the opening years have not sown the seeds of a breakdown. Good health is absolutely necessary. Dodd's Kidney Pills are the best tonic for overworked and overworried people. They help to make and keep the Kidneys well, ensuring a full supply of pure, rich, vigorous blood to sustain the body.

During pregnancy it is of the greatest possible importance that the Kidneys and urinary organs should be kept in perfect condition. Dodd's Kidney Pills have the endorsement of thousands of women who have used them at this time with the most satisfactory results. Dodd's Kidney Pills may be used with perfect safety and confidence by pregnant women and will do much to shorten and lessen the pains of child birth.

## The Matron

Another very critical time in the life of every woman is the "Change of life." Many women do not survive it. If the Kidneys are sound there can be no trouble or danger, but if they are not there is certain to be much distress and probable death. Dodd's Kidney Pills have aided many a woman safely over this anxious and dangerous period.

# Dodd's Dyspepsia Tablets

"MY food disagrees with my stomach," is a remark frequently made by those who suffer from Dyspepsia. This is a mistake. It should be, "My stomach disagrees with my food." Good, wholesome, properly-cooked food will never disagree with a healthy stomach, but a stomach that is diseased will disagree with any kind of food, no matter how plain or simple it may be. "Dieting," as a cure for Dyspepsia, is quite useless, and the more you worry yourself about what you should eat and what you should not, the worse you will be. The only way to cure Dyspepsia is to get at the cause of the trouble, namely, the stomach. Dodd's Dyspepsia Tablets do this. They help Dyspepsia, not by the old method of violently purging the bowels, but by a perfectly rational and natural method of acting upon the whole of the Digestive Organs. They give tone to a weak stomach, and have such a general bracing effect upon the different organs that even in cases of long standing the stomach is soon able to do its work unaided by medicine.

But Dodd's Dyspepsia Tablets do more than this. They give relief from the first dose. There are sufficient digestive properties in one Tablet to digest eight ounces of food, so you see that two Tablets would be quite sufficient to digest even the heaviest meal. Enclosed in every box of Dodd's Dyspepsia Tablets is a packet containing a number of small Tablets stamped with the letter D. These are specially for the liver and bowels. As constipation frequently accompanies Dyspepsia, these Tablets will be found useful in moving and regulating the bowels. Their action is mild and gentle, yet

searching, and they greatly assist the larger Tablets in carrying off any effete matter from the bowels and stomach.

Dodd's Dyspepsia Tablets are never sold loose, but always in boxes, at all dealers. Price, 50c. per box, or six boxes for \$2.50, or will be sent direct on receipt of price, by The Dodds Medicine Co., Limited, Toronto, Ont.

"I suffered from Dyspepsia for several years. I have tried several remedies but in vain. I feel much better since I commenced taking Dodd's Dyspepsia Tablets. I have taken three boxes and can assure you that they have done me much good. I recommend them to all who suffer from Dyspepsia."

MME. CYRICE MORENCY,  
Trois Pistoles, Que.

"I have delayed writing to you before about your Dodd's Dyspepsia Tablets, because I wanted to be certain that they had relieved me of my trouble. I now believe that they have and I strongly recommend them."

FRANCOIS S. ARSENAULT,  
Adamsville, N.B.

"I send you a few words to tell you I am very satisfied with your Dodd's Dyspepsia Tablets. They have done me a lot of good."

DAME FRANCOIS DUMAIS,  
Riviere Bleue, Que.

"I suffered with dyspepsia for several months. I could not sleep at night and my right side was sore. Dodd's Dyspepsia Tablets have greatly relieved me."

HELEN M. NOWLAN,  
Upper Pockmouche, N.B.

# STOMACH TROUBLES

**D**ISORDERS of the Stomach, Liver and Bowels are common to us all. A hastily eaten meal, over-indulgence in eating or drinking, hot pastry, new bread, pickles, sauces, tinned food, over-ripe fruit and many other things will cause disturbances of the Stomach and Biliary organs. It is useful to know of a reliable aid, and you should remember that Dodd's Dyspepsia Tablets are a *positive* help for all forms of diseases of the digestive organs.

Here is a list of the chief symptoms of Dyspepsia, and if you are suffering from any of these do not hesitate to take Dodd's Dyspepsia Tablets at once.

Pain in the chest after meals.  
Feeling of weight and discomfort.  
Flatulence or wind.  
Pain in stomach.  
Coated tongue.  
Undue thirst.  
Vomiting.  
Loss of appetite.  
Distaste at sight of food.  
Dizziness.  
Dry cough.  
Nasty taste in mouth.  
Nervousness.  
Acidity and heartburn.  
Hiccough, flushings in the face.  
Headache, specks before the eyes.  
Feeling of inertia, low spirits.  
Inability to work well.  
Eruptions on the skin, such as nettle rash and redness of the nose.  
Drowsiness, sleeplessness.  
Palpitation and constipation.  
Gurgling noises in the bowels.  
Fidgeting, neuralgic pain over the heart.  
Foul breath.

Fluid rising from the stomach.  
Sallow complexion, etc., etc.

Dodd's Dyspepsia Tablets and Dodd's Kidney Pills may be taken together, and form an excellent combination for strengthening and toning both the Stomach and the Kidneys, or helping even the most obstinate cases of Dyspepsia or Kidney Disease. Dodd's Dyspepsia Tablets can be carried in the pocket and taken anywhere at any meal. They are perfectly harmless, and can be given to children who suffer from Indigestion. Here we print some testimony from those who have tried Dodd's Dyspepsia Tablets and know their merits.

"Your Dodd's Dyspepsia Tablets worked like a charm. I am a good deal better than I have been for some time. You have permission to use this testimonial as you see fit as it is perfectly true."

MRS. WM. ERYON,  
Georgeville, Que.

"I have felt much better since taking Dodd's Dyspepsia Tablets. I have tried several remedies for dyspepsia and I certify that your tablets have proved an excellent remedy in my case."

MADAME J. GAGNON,  
St. Pamphile, Que.

"Your Dodd's Dyspepsia Tablets have benefitted me. I am very well now and happy to send you my testimonial."

FERDINAND LABONTE,  
Ste Euphemie, Que.

# DYSPEPSIA (or Indigestion)

"IF I could only live without eating, I should be perfectly well," says the unhappy dyspeptic, "but the moment I put a morsel of food into my stomach the trouble begins."

That is just it. As long as the stomach is empty there is no pain, but directly it is filled with food, and asked to do some work, all the symptoms of Dyspepsia manifest themselves. After a meal, instead of the satisfied feeling of health, the unfortunate sufferer is tormented with numerous pains. He feels "stuffy," his stomach and bowels are uncomfortably distended, he is troubled with wind, acid eructations, pains between the shoulder blades, fluttering of the heart, flushing of the face, headaches, nausea, and sometimes vomiting.

These symptoms continue to disturb him till the food passes off his stomach in some form or other, and then there is peace once more. The fact is that his stomach is no good to him, and he would gladly do without it; but as we all must eat to live, he goes on day after day torturing himself at every meal till his life becomes a misery. Now, how is all this to be changed? It is possible to *help* Dyspepsia—and help it *permanently*. Yes, and by a very simple method, too. But let us first explain exactly what Dyspepsia is. It means the inability of the digestive organs to digest and assimilate the food taken into the stomach. This may be due to disease, worry, over-work, weakness, poor living, too rich food, sedentary habits or any other cause, but the result is the same.

Now, what would common sense tell us to do under the circumstances? Give the stomach a rest. "But that is

only possible for a few hours at a time," you will say, "because we cannot live without food." That is very true, but you can take something into your stomach along with your food that will digest it for you, and *thus give your overworked stomach a rest*. This is one of the things that DODD'S DYSPEPSIA TABLETS do, and they do it in this way. You take them immediately after your meal, and they begin by digesting all the food in your stomach. This gives the stomach time to recover. But they do much more than this. DODD'S DYSPEPSIA TABLETS are a tonic and strengthener to ALL the digestive organs. They build them up, put new vigor into them. They give just the aid that is required to the weakest stomach, which soon becomes strong, and healthy, and able to do its work as nature intended, unaided.

"I have suffered for some time from Dyspepsia. I had tried all sorts of remedies which brought me no relief. Thanks to your Dodd's Dyspepsia Tablets I am completely relieved of my trouble."

MADAME JOSEPH MATTE,  
La Butte, Que.

"Your Dyspepsia Tablets are very good. They have made me feel very well."

GEORGE CRAWFORD,  
Standon, Que.

"I send you a certificate that Dodd's Dyspepsia Tablets have done me a great amount of good. I think they are marvellous."

DAME JOSEPH MERCIER,  
St. Fabien Panet, Que.

# Diamond Dinner Pills

For  
Liver and  
Bowels

Help  
Torpid Liver  
Biliousness  
Constipation

**TORPID LIVER.**—A tired, sluggish Liver causes no end of sickness and suffering. This important organ sometimes requires assistance and encouragement, but it should never be forced. It is the business of Diamond Dinner Pills to tone and strengthen and coax the Liver back to a healthy condition of activity. You should treat the torpid Liver carefully, gently and patiently. You should never try force. Nature resents such treatment and Diamond Dinner Pills are compounded not with a view of simply applying force to "*move the Bowels.*" but to gently and gradually tone up the Liver till it supplies the necessary amount of bile (Nature's own laxative), and the bowels *move themselves.*

**BILIOUSNESS.**—The torpid Liver allows the bile to escape through every part of the system instead of into the bowels as Nature intended. It is felt in the stomach often causing Nausea. It clogs the blood and shows itself in the sallow skin. In many cases it produces sick headache, and that heavy, dull feeling so very oppressive. Diamond Dinner Pills are essentially a Liver Medicine, and they act promptly on the sluggish Liver, gently coaxing and encouraging and helping it to do its duty. After a patient treatment it begins to improve and finally may be trusted to perform its functions independently and perfectly. In this way and only this way can Bil-

iousness ever be helped permanently.

**CONSTIPATION.**—Caused in the first place by the failure of the Liver to furnish the bowels a sufficient amount of bile—Nature's own laxative; but in the majority of cases Chronic Constipation is caused by the taking of salts, purgative pills and other violent physics which cause gripping and purging, and upset the whole health of the Stomach, Liver and Bowels, and the use of which is always followed by Constipation, Piles and other evidences of injury to the delicate machinery of the body. Let us repeat *you must never try to force Nature.* These violent purgatives can never do anything but harm. Study Nature's methods and follow them.

**DIAMOND DINNER PILLS.**—Help Torpid Liver, Biliousness and Constipation, because they follow Nature's methods.

Diamond Dinner Pills are not intended simply to empty the bowels. Their action is directly on the Liver, causing it to do its duty, after which the bowels empty themselves.

Diamond Dinner Pills are a purely vegetable remedy, and will be found when patiently used to be altogether the most satisfactory remedy for all derangements of the Liver and Bowels.

Diamond Dinner Pills are 25 cents a box. All dealers or by mail on receipt of price by The Dodds Medicine Co., Limited, Toronto, Canada.

# Dodd's

THAT ONE WORD IS YOUR SAFEGUARD—Dodd's

**U**NLESS it is printed on the box, as you see it on the back of this page, you are being offered a substitute, instead of the genuine Kidney Pills.

Remember it is of the greatest importance that you should have the *Genuine Dodd's Kidney Pills*, and not the substitute.

When you go into a drug store, do not ask for a box of "Kidney Pills," say: "Give me a box of 'Dodd's Kidney Pills'" and emphasize the word "Dodd's." If anything else is offered to you, refuse it at once; bear in mind that you do not know anything about what these substitutes will do for you; they may relieve you, or they may not; but you DO KNOW what Dodd's Kidney Pills will do, because you have the evidence before you in this book, of people who have taken them and are pleased with the result; therefore for your own sake, you must insist on having only the genuine
