Dodd's Kidney Pills

THE wonderful success of Dodd's Kidney Pills—a success that is unparalleled in the history of medicine—is due in a great measure to the fact that the proprietors insisted that Lumbago, Rheumatism, Dropsy, Gravel, Stone in the Bladder, Female Troubles, Paralysis, Heart Failure, and kindred diseases are usually due to disordered Kidneys, and that, by helping the Kidneys, these diseases would be benefitted.

Dodd's Kidney Pills are made on this theory.

The fact that Dodd's Kidney Pills have helped nearly every case of these diseases for which they have been used, has proved the absolute correctness of the theory.

The record of Dodd's Kidney Pills stands alone, shining brightly in lead of all competitors. They have no rival. Their superiority is admitted.

We emphatically, without fear of contradiction, claim that Dodd's Kidney Pills have helped every case of Kidney Disease in which they have been used.

This claim cannot be refuted. It is proved by hundreds of testimonials.

Dodd's Kidney Pills help all Kidney diseases, and all results thereof.

Nearly every ailment springs from one cause—weak or diseased Kidneys. Like a tree that puts forth myriads of branches, diseased Kidneys cause many troubles.

Help the Kidneys and the troubles should vanish, just as the branches come to the ground when the tree is cut down.

You should try a box of Dodd's Kidney Pills.

"I have found your Dodd's Kidney Pills very good. I was troubled with severe pains across my kidneys and cramps in my limbs, but after using Dodd's Kidney Pills I am not troubled any more. So I can truly say they are good. I have also used your Diamond Dinner Pills and find they help me."

Mrs. B. BUSH,
883 McDougall St., Windsor, Ont.

"I have taken Dodd's Kidney Pills for several years for pains in the back and find them an excellent remedy. When I feel pains in the back I take a few boxes of Dodd's Kidney Pills and obtain complete relief. Since I have known Dodd's Kidney Pills they have done me a wonderful lot of good and I can highly recommend them."

WILLIAM E. PHINNEY,
Brooklyn Road, N.B.

"I have suffered with kidney trouble. My hands used to swell and my eyes and face got puffy. I also had a terrible headache. I always got relief after using Dodd's Kidney Pills."

Mrs. D. WARD,
43 Holmwood Ave., Ottawa, Ont.

"I had suffered with kidney trouble for over a year, so I decided to give your Dodd's Kidney Pills a trial. I have used several boxes now and have found great relief in them. I can highly recommend Dodd's Kidney Pills and would not be without them."

Rules for Self-Examination

Are Your Kidneys Affected

ASK yourself the following questions. Answer truthfully, for your future health and happiness, perhaps your life, depends on your honesty to yourself in this matter. Many have found out to their dismay that they have had Kidney disease, only when asked just such questions in an examination for life insurance. If you have to answer "Yes" to any of these questions, you are in danger. If your answer to two or more of them be "Yes," you are in great danger and should act promptly.

Have you backache?
Do your limbs feel heavy?
Do you have scanty flow of urine?
Do you suffer from unusual thirst?
Does your urine appear thick or milky?
Do you have frequent severe headaches?
Do you have cramps in the muscles and limbs?
Have you been losing weight and strength rapidly?
Have you uneasiness or pains occasionally in the loins?
Do you make water too frequently either during the day or night?
Have you failing or indistinct vision, with flashes of light or floating specks?
Does your perspiration or urine after exposure, have a bad and disagreeable odor?
Do you have deposits of sand, gravel, brick-dust, or white mucous in the urine?
Have you dark circles around the eyes, puffiness under the eyes, or

bloated appearance of the face in the morning?

Have you dark red or bloody-looking urine, which scalds you in passing, or do you notice shreds in it?

Are you irritable?

Is your sleep broken?

Have you dizzy feeling?

Have you shortness of breath?

Are you greatly depressed in spirit?

Do you suffer from nausea after eating?

Have you tender spots in the back over the spine? *

Do you get tired and nervous after ordinary exertion?

Do you start in your sleep, have bad dreams or nightmare?

Has your skin a dry or harsh feeling, and does it itch and burn at night?

Do you have attacks of rheumatism, stiffness of the joints, neuralgia, lumbago or sciatica?

Do you have a tired feeling in the region of the kidneys, with a dragging, heavy feeling across the loins?

There is danger in delay. Don't lose a moment. There is only one remedy which has never failed. **Dodd's Kidney Pills** will help any case of Kidney Disease no matter of how long standing.

Price 50 cents per box, or six boxes for \$2.50. All dealers, or by mail on receipt of price. The Dodds Medicine Co., Limited, Toronto, Canada.

CAUTION.—Beware of imitations. Accept only the genuine **D-o-d-d's**. Picture of box on back of cover.

Mrs. J. Cross

Sick Kidneys are the cause of many serious diseases. When the Kidneys are not right they fail to do their full work of straining all the impurities, all the seeds of disease out of the blood.

There can be no pure blood if the Kidneys are wrong. There can be no good health unless the blood is pure. If you suspect your Kidneys, don't delay. Take Dodd's Kidney Pills. They have helped others; why not you? Read what Mrs. J. Cross says:—

"I use Dodd's Kidney Pills every month. I could not be without them. I suffer with heart trouble and they do wonders for me. I find them very good."

MRS. J. CROSS,
Conquerall Mills, N.S.

No Other Suspects

Abe Goldstein and his business partner were watching a movie when a burglary scene appeared.

"Ikey, Ikey, you know what? I forgot to lock the safe to-night," whispered Abe. "I must go right now."

"Sit down, sit down," commanded Ikey. "Why worry the safe ain't locked? We're both here, ain't we?"

THE KIDNEYS

YOU can have your arms cut off and you won't die.

You can lose both legs and live.

You can lose both your eyes and live.

You can lose both ears and live, and you can live even if you have lost all these members.

But the slightest mishap to the Kidneys means suffering, disease and death, if they be not attended to at once.

The Kidneys are Nature's Chemists! Their duty is to filter and purify the blood. Their work ends only with life itself. They never rest.

The Kidneys are made to stand hard work. They are not sensitive, for they have very few nerves.

They consist of thousands of thread-like tubes crossing and recrossing one another, and each ending in a sac or bag.

This sac is to hold the poison filtered out of the blood.

Every movement we make wears out some part of the tissue of the organs, etc. This worn-out, dead, decaying matter is thrown into the blood and carried by it to the kidneys to be filtered out of the blood.

Every organ, every nerve, every muscle throws off this dead tissue into the blood. When it reaches the Kidneys, it is reeking with this decaying, poisonous tissue.

Drop by drop, the Kidneys filter the blood, if they are strong and healthy.

The poison goes into the sac, and

is sent from it to the bladder to be thrown out of the system.

Strained, filtered, and refiltered, the blood passes through the Kidneys, and leaving all poison in the sac of the Kidneys, it goes to nourish all parts of the body.

If the Kidneys are weak or defective, they cannot filter the blood properly.

Part of the poison remains in it, and goes into every organ and nerve. It is built into them. It must cause disease.

The effect of impure blood in the system is exactly the same as that of injecting deadly poison into every organ and nerve, every muscle, every joint, and every inch of flesh in the body

There is no possibility of health under these conditions. Unless the Kidneys be made to filter the blood thoroughly, the end is death.

No matter how weak, or how badly diseased, the Kidneys may be, no matter how thin, and impure, the blood is, Dodd's Kidney Pills should strengthen and relieve them, and ensure pure, clear, rich blood.

This means health, strength, and vigor. It means long life and success.

Dodd's Kidney Pills are the best medicine for the relief of the Kidneys. One box should convince you of this. They have relieved thousands. They never fail.

Weak or diseased Kidneys cannot work any more than a sick man can.

A Great Comfort

A rich but eccentric man died. The clergyman, who was young and new to the parish, thought it a fitting opportunity to call and comfort the widow. "You must not grieve," he told her. "The body that lies here is not your husband. It is merely a husk, an empty shell—the nut has gone to heaven."

Harry Ryles

The satisfaction Dodd's Kidney Pills are giving as a remedy for kidney troubles is shown by the large number of people who keep them always at hand. They have learned that the proper way to avoid serious forms of kidney disease, such as rheumatism, dropsy and heart disease, is to correct the early symptoms of kidney trouble.

"I have used Dodd's Kidney Pills for over twelve years and cannot tell you how much good they have done me. I would not be without them. I have recommended Dodd's Kidney Pills to many people and do not know of a case where, given a full trial, that they have failed. I took Dodd's Kidney Pills for weak back and legs. I was completely relieved after I had taken seven boxes. However, I still cling to them."

HARRY RYLES,
Box 8, Corner Brook, Nfld.

The Best Spring Medicine

IT is just as necessary to use a blood-cleansing medicine in the springtime as it is to sleep at night.

We know that the blood is weak and impure in the spring, because we feel dull, listless, languid, tired and generally run down.

We know that defective or diseased Kidneys and impure blood result in Rheumatism, Lumbago, Urinary Diseases, Gravel, Stone in the Bladder, Female Troubles, Dropsy, Gout, Heart Failure, Paralysis, Nervous Prostration, Brain Diseases and Insanity, Consumption, Jaundice and Liver Complaint.

These diseases follow imperfect Kidney action, which poisons the system with "bad blood." And unless a spring medicine that should help the Kidneys be taken, some of them will positively result.

For this reason Dodd's Kidney Pills are the only spring medicine that can be relied upon.

Dodd's Kidney Pills act directly upon the Kidneys. They act immediately.

They clear out the clogged-up tubes and stimulate the blood-filters to vigorous and continuous action. They restore the Kidneys to perfect action.

Then a full supply of pure, fresh, cool blood flows to every nerve and muscle, every joint and every fibre in the body.

By cleansing and strengthening the fountain, Dodd's Kidney Pills purify and enrich the life-stream.

Vigor and strength takes the place of languor and weakness. That dull,

tired, listless, run-down feeling gives place to one of robust health; the eye grows clear and bright; the brain becomes clear and active, and life becomes again worth living.

The Dodds Medicine Company, Limited, claims, and the claim is supported by the written endorsement of thousands of persons who have proved its truth, that Dodd's Kidney Pills are the best spring medicine on earth.

The claim is based on the facts that the Kidneys are the organs that require a toning, strengthening and repairing treatment in the spring, and that Dodd's Kidney Pills are the best medicine known that has such effect on these organs.

The human system requires a "house-cleaning" every spring just as much as our dwelling-places do.

Every person knows that, in the spring, boils and pimples break out; people feel "run down," "tired out," and need a thorough toning up.

During the winter we eat much more fatty food than we do in the summer. The different organs are taxed to a much greater extent to manufacture this food into blood, etc.

Nourishing the body on fatty foods is like feeding a furnace with oil. Much waste matter results from the burning. The organs have harder work than usual to clear the system of the poisonous refuse. The most work and the hardest work falls on the Kidneys.

After a winter's extra hard work, the Kidneys are tired, worn out, in the spring. Therefore, Dodd's Kidney Pills are the best spring medicine.

Mrs. S. Adams

Backache is the bane of the average woman's life. It is accompanied by a weakness and lassitude that makes life a burden. But thousands of women all over Canada are telling their suffering sisters that relief and help is to be found in the great Canadian kidney remedy, Dodd's Kidney Pills. Mrs. Adams writes:—

"I have used several boxes of Dodd's Kidney Pills and found great relief in them. I suffered with backache for six months. A friend of mine told me about Dodd's Kidney Pills, so I decided to give them a trial. I have taken six boxes and the pain in my back and across my kidneys has all gone. I am very thankful to you."

Mrs. S. ADAMS,
Bloomfield, P.E.I.

A black-hand letter addressed to a wealthy match and cigarette man demanded \$25,000, otherwise they would kidnap his wife. Through error, the missive was delivered to a poor laborer by the same name who replied: "I ain't got no money, but I'm interested in your proposition."—*Judge*.

"Why are the henhouses white-washed?"

"To keep the hens from picking the grain out of the wood."

COLDS

COLDS are invariably the starting point of kidney troubles, which often result in Bright's disease, Dropsy and other disorders, and if you are a victim of one form or another of them, think back to the time of a sudden chill, an unexpected cold, and the sensations which followed it, and you will have traced the starting point of the malady in you; and what time is the system more susceptible to such than in the dreary fall months, when Nature is passing through such violent changes, when death seems emblazoned on everything about us. The Kidneys are susceptible to the climatic changes more so than any of the organs, through colds and chills. They congest and refuse to act, and the consequent attendants follow—lumbago, dropsy, sciatica, rheumatism, neuralgia—only to develop sooner or later into the worse forms. Dodd's Kidney Pills stimulate the Kidneys; they ward off, prevent the congestions and counteract the evil effects which lurk in the man's pathway. Notice the person whose Kidneys are disordered—how comforting heat is to him, and how naturally he turns his back to the fire. Dodd's Kidney Pills are the fire that warm up the Kidneys and give that comforting heat.

"Every time I get a cold it settles on my kidneys. I then use two or three boxes of Dodd's Kidney Pills and feel fine again. I sometimes am troubled with gravel and pains in my back, but the pills always help me out."

MRS. J. C. MYERS,
Calgary, Alta.

"I commenced quite young to have attacks of rheumatism and at the least change in weather I had bad kidneys. To help this I took Dodd's Kidney Pills and they brought me relief at once."

E. ST. PIERRE,
Ste Helene, Que.

"I consider Dodd's Kidney Pills the best pills for making you feel well. I had suffered a great deal before I knew of your pills. When I feel any pains I take them at once. I always have them in the house. I have had treatments by the doctors for a long time without any success."

MRS. L. DIONNE,
Iberville, Que.

"I am glad indeed to recommend Dodd's Kidney Pills, having taken several boxes with very beneficial results. After the first box I was encouraged to go further, realizing that one box alone could not give me the satisfaction I wanted. After taking several boxes I am satisfied that they are worthy of a trial. I suffered with severe backache and urinary troubles at times. My eyesight was greatly affected as a result of my kidney and bladder condition. Thanks to Dodd's Kidney Pills, I am greatly relieved and frequently recommend them to others. I was indeed reluctant to try these Pills, but my husband said try them, they have helped others. So, to please him, I did so, and am very glad of it."

Michel Laplante

The reason Dodd's Kidney Pills have come to occupy such a prominent place in the family medicine chest is that so many of the ordinary every day ills come from sick Kidneys. Rheumatism, urinary troubles, back-ache and heart disease can all be traced directly or indirectly to sick Kidneys. Mr. Laplante writes:—

"At the beginning of the Autumn of 1924, I was attacked with Kidney trouble. I suffered so much and it caused me great pain to walk. I tried Dodd's Kidney Pills. I had only taken a couple of boxes when I found relief. I have now taken twelve boxes and am completely relieved. A thousand thanks to Dodd's Kidney Pills."

"I had a severe pain in my back. I tried a plaster and it did no good. The pain was still there. My husband told me to get a box of Dodd's Kidney Pills and when I had taken half of the box the pain was not so bad. But when I had taken the whole box the pain was gone. I am doing all my own work now and enjoying good health."

RHEUMATISM

EVERYBODY knows what Rheumatism is, because nearly everybody has felt its dagger-like stabs of pain.

But everybody does not know what causes it. If they did, it would soon be banished from the land.

Many people think that exposure to the cold, wet weather, etc., causes Rheumatism.

It does not. Exposure only makes it felt.

Rheumatism is in the blood.

It is caused by uric acid in the blood.

The presence of Uric Acid in the blood is due to diseased or defective Kidneys, which fail to filter this poison out, as they should do.

The blood carries the poison to all parts of the body. It is deposited in the joints and muscles, and causes swelling, inflammation and pain.

Exposure to wet or cold, improper habits of eating and living, excessive use of alcoholic liquor, etc., bring on the attacks of the disease.

Dodd's Kidney Pills relieve Rheumatism by restoring the Kidneys to health and strength.

The Kidneys then thoroughly filter the blood, straining out of it all the poisonous impurities that cause Rheumatism.

The old method of treating Rheumatism with oils, liniments, etc., always failed, because its object was to lull the pain, while the cause remained in the blood.

Dodd's Kidney Pills help Rheumatism by removing the cause. Rheumatism can be relieved in this way only.

Dodd's Kidney Pills have a powerful and permanent stimulating effect on the Kidneys, giving them renewed health and lasting vigor.

Remove from the soil seeds that have been sown there, and there will be no crop. Remove from the blood the seeds of Rheumatism—Uric Acid—and the disease vanishes.

Dodd's Kidney Pills stimulate the Kidneys to proper action, causing them to remove the germs of the disease from the blood.

There is no other way of helping Rheumatism than by making the Kidneys thoroughly filter the blood.

There is no better medicine than Dodd's Kidney Pills to make the Kidneys do this.

There is but one conclusion, therefore—the best way to help Rheumatism is to use Dodd's Kidney Pills.

Muscular Rheumatism attacks the muscles, the poisonous Uric Acid having settled in them and sapped their strength, and paralyzed and corrupted their tissues.

Rheumatism of the heart.—This form of Rheumatism has heretofore been fatal in nine cases out of ten. But Dodd's Kidney Pills have relieved it.

Inflammatory Rheumatism is, perhaps, the most agonizing malady that mortal can endure.

With swollen limbs and burning nerves, the victim lies, swathed in bandages from head to foot, unable to move. This condition is so extremely painful that men have killed themselves rather than bear it. Dodd's Kidney Pills soothe the pain and eradicate the disease.

Mrs. M. Logan

No ordinary remedy could produce such results as this because only Dodd's Kidney Pills contain the peculiar tonic and restorative elements necessary to revive weakened and inactive Kidneys. Read what Mrs. Logan says:—

"I doctored for about three months for what the doctor called acute Bright's Disease. I finished taking the medicine but my husband was too busy to drive nine miles to get me some more. I told him I would try Dodd's Kidney Pills. They began to help me within a week, and now I am never without them. If I feel any symptoms I take a few doses and am all right again. I have advised many to take Dodd's Kidney Pills."

HEART DISEASE

DEATH from Heart Disease comes like a lightning shaft from a clear sky. Its victims are, seemingly, in the best of health; they are feeling strong and well one moment, and the next, death comes, and a soul is sent, without an instant's warning, into the presence of its Maker.

Why is this?

It is because the blood is thin and impure. The Kidneys are weak, or diseased, and cannot filter the poison out of the blood. This poison lodges in the heart, causing a weak spot.

Things go on for a time, then palpitation, or a "stitch" is felt. The poison continues to do its work, and the diseased Kidneys continue to leave more poisonous matter in the blood.

The heart grows weaker day by day. One day it breaks down. It cannot work any longer. It stops. Then—"He died of Heart Disease."

All this could have been prevented by restoring the Kidneys to health. They would then have supplied pure blood to the heart, and the latter would have been strengthened, instead of poisoned.

Dodd's Kidney Pills help every disease and weakness of the Kidneys. They are a wonderful medicine for the relief of Heart Disease. They strike at the root of the disease. They relieve it by removing its cause.

If you have palpitation or "stitches" now and again, Beware! Nature is warning you that the Kidneys are not working properly, and that the heart is being weakened and diseased by poisoned blood.

You can easily see how impure blood weakens the heart. The heart's duty is to force the blood to every part of the system. Every time it beats, it sends a jet of blood into the vessels that carry it through the body. The next beat sends another jet into the vessels and forces the preceding one further along.

Every time the heart beats, it expends a portion of its strength.

Every time it beats, it wears out a portion of its tissue. This worn-out tissue is thrown into the blood and carried to the Kidneys to be separated from it, and expelled from the body.

Now, to make up for the strength expended, and the tissue worn out, the heart takes a certain quantity of blood. If the blood be pure and rich, it serves the purpose properly.

But if it is impure and weak and contains poisonous matter, it cannot give strength and sound tissue to the heart. Instead, the poison it contains enters the heart and corrupts it. It grows weak. Its beats become feeble and more feeble, and finally stop. This causes death from Heart Failure.

Now, if the Kidneys are working properly, they have cleansed the blood of all its impurities. All the poisons have been filtered out and expelled from the body in the urine. The blood, purified and enriched, is returned to the heart, which it strengthens and invigorates.

Dodd's Kidney Pills should make the Kidneys cleanse the blood thoroughly. There can then be no weakness nor failure of the heart.

Cautious

An Aberdonian was taking a friend over the new home he had recently bought.

"But," exclaimed the visitor, "I notice that you've not pasted the paper on the walls, but nailed it. What's that for?"

"Oh, aye," responded the host, "you see, we may not be living here always."

F. C. Westlake

Dodd's Kidney Pills are popular all over the world because they not only help the pains and aches of the different diseases springing from disordered Kidneys, but give new life and energy all over the body.

The Kidneys are Nature's blood strainers, and by no other organ can the blood be cleansed. "Healthy Kidneys" mean pure blood and good health.

"A number of years ago, possibly thirty, I got very much run down and was bothered with indigestion. I tried almost everything I could think of. Some of them did me a little good, but I got no permanent relief until I took Dodd's Kidney Pills."

F. C. WESTLAKE,

DIRECT EVIDENCE

THERE is no kind of argument which will convince you that Dodd's Kidney Pills should help Kidney Disease, Dropsy, etc., half as well as the direct evidence of someone who was helped. Below we give a few of the hundreds of letters we have received. They are proof positive and evidence direct.

"My husband has used Dodd's Kidney Pills for rheumatism and I have also given them to the children on several occasions, and am glad to say they have given great satisfaction in the case of involuntary urination. I would not be without them. I have also used your Diamond Dinner Pills and found them excellent."

MRS. DEAMOND,
Simpson Corner, N.S.

"I had very bad pains in my back, also my feet and ankles used to swell. This gave me great pain. After using three boxes of your Dodd's Kidney Pills I am all right again."

MR. J. WILKES,
Public Landing, N.B.

"I have suffered from backache for a long time and have tried different things, plasters, etc., and found no benefit. Finally, I tried Dodd's Kidney Pills which helped me like magic. I also found them good for that tired feeling."

A. M. PACHOLKO,
Jedburgh, Sask.

"About six years ago I was under the doctor with Kidney trouble. I got no relief until I took Dodd's Kidney Pills. I might further state that I derived great benefit from them and would not be without them."

MRS. J. NORBURY,
Hallboro, Man.

"I met a man who had had good experience with Dodd's Kidney Pills and he said, why don't you try them. I said I would try anything if I thought it would help me, for I have had three doctors and it is all no use. So I tried Dodd's Kidney Pills. I started on six boxes and when I had taken five I was well. I could hardly believe they could have relieved me for I was so bad."

MATTHEW WILLCOT,
St. Alban's, Nfld.

"Both my husband and myself have used Dodd's Kidney Pills for sore back. We suffered quite a lot until we got a box of Dodd's Kidney Pills and they have done us a world of good. We are both feeling very much better, thanks to your pills. I think your Dodd's Kidney Pills are all you claim them to be, and I wish we had used them sooner."

MRS. E. ROBINSON,
Inverness, Que.

"Getting up in the mornings I used to have bad pains in my kidneys. I was told to try Dodd's Kidney Pills and must say I have to thank the person many times for telling me about Dodd's Kidney Pills for they brought me great relief. I would not be without them."

Mrs. Geo. Graham

Dodd's Kidney Pills have been in use in Canada for more than thirty-five years. They have been used by thousands of people suffering from various forms of kidney trouble, such as rheumatism, dropsy, lumbago, sciatica, sore back and heart disease.

Nature seems to have provided medicines that find their way straight to and act upon certain parts of the human system.

Dodd's Kidney Pills find their way direct to the Kidneys.

They have become a family remedy all over the world because people have tried them and found them good.

"I have used Dodd's Kidney Pills for a number of years and find them wonderful pills for lame back. I keep them in the house all the time."

Mrs. GEORGE GRAHAM,
Box 5, Maxwell, N.B.

An old lady kept a parrot which was always swearing. She could put up with this till Saturday, but on Sunday she kept a cover over the cage—removing it on Monday morning. This prevented the parrot from swearing on Sunday.

One Monday afternoon she saw her minister coming toward the house; so she again replaced the cover over the cage. As the reverend gentleman was about to step into the parlor, the parrot remarked:

"This has been a damn short week."

DROPSY

HAVE you the signs? Puffiness under the eyes, swollen limbs. Urine changed in character and appearance, smothered feeling from over-exertion or excitement? Dropsy is caused by debility and impoverished blood, or by excessive use of alcoholic liquors, and by indigestion.

No matter what the indirect cause of Dropsy may be, it is due directly to thin, impure, watery blood, which is distributed throughout the system, oozing through the walls of the arteries.

It is useless to attempt to help Dropsy by "cupping" or "tapping," which, as everyone knows, are the names given to the operation of drawing off the water that has collected in the limbs or body of a drop-sical person. It is like trying to kill a weed by cutting its top off, or to dry up a river by dipping the water from the stream, leaving the formation-head to supply more as fast as it can be dipped out.

As long as the cause of the disease remains in the system, there can be no help. The cause must be removed, then there can be no disease.

The Kidneys, and the Kidneys only can remove the cause; and in order to accomplish this, the Kidneys must be in perfect health.

Dodd's Kidney Pills help to put the Kidneys in perfect health. Every atom of poison, every seed of Dropsy is then filtered out of the blood; the water that has accumulated in the body is drawn off, and Dropsy is rooted out. Dodd's Kidney Pills have done this in hundreds of cases. They'll do so again.

"Dodd's Kidney Pills are a great

help to me for weak back and bladder troubles. I often have to take them after a hard day's work and find myself much better. My wife suffered from Dropsy for two or three years. After taking three boxes of Dodd's Kidney Pills the swelling has completely disappeared."

HUGH EVELLY,
Trinity East, Nfld.

"I had suffered greatly for the past two years with kidney and stomach trouble, also nervousness and sleeplessness. I had tried many remedies but could not get much relief. I decided to try your Dodd's Kidney Pills and after using three boxes I feel like a new person. My backache is entirely gone and I can get a good night's rest, which was impossible before I used your Pills. You can publish this letter if you wish, as it might induce some other person who suffered as I did to use the right remedy, which is Dodd's Kidney Pills. They certainly are a wonderful medicine."

MRS. ROBERT HAZARD,
Sutton, Que.

"I have used Dodd's Kidney Pills for seventeen years and find that they do all what is claimed of them. When I began taking Dodd's Kidney Pills I was so bad I could not get out of my chair without assistance. The first box helped me so that I could get up easily. I still keep them in the house at all times and if I do not feel quite well I take a few."

Even Up

"What're doin' now, Bill?" asked one hired man of another.

"Plowin' for old Jasper Higgins."

"And what is he payin' you, Bill?"

"Twenty dollars a month and board."

"But, I say, Bill, plowin's hard work, ain't that pretty dern poor pay?"

"Oh, I dunno. Guess we're even, I'm doin' some pretty dern poor plowin'."

Theodore Bourre

The reason people talk so enthusiastically about Dodd's Kidney Pills is that they make them well all over. Acting on the kidneys they put those organs in condition to strain all the impurities out of the blood. That means pure blood carried to all parts of the body. And people who are healthy all over are always enthusiastic.

Mr. Bourre is always ready to say a good word for Dodd's Kidney Pills.

"I have suffered with bad Kidneys and have been relieved with Dodd's Kidney Pills. I always keep them in the house. They are a family remedy. My wife has taken them and they did her much good."

THEODORE BOURRE,
St. Guillaume d'Upton, Que.

WHAT WOMEN SAY

THAT Dodd's Kidney Pills will help the diseases of women is amply proved by the grateful way women who have tried Dodd's Kidney Pills speak of them. If we had space we could print a hundred letters showing this. The few that we print below, however, are samples of them all. They amount to the same thing—Dodd's Kidney Pills are women's best friend.

"I had kidney trouble for two or three years and tried different remedies. I found they helped me while I took them, but the moment I stopped I was as bad as ever. I started to take Dodd's Kidney Pills and took but a few boxes when my kidneys were back to normal. I always keep them in the house. My husband also uses them and finds they greatly benefit him."

MRS. E. DUXBURY,
Strathroy, Ont.

"I have used Dodd's Kidney Pills on and off for twelve years. If I would take a heavy cold I would get a pain in my back which settled in my kidneys. I would take a box of Dodd's Kidney Pills and feel relieved."

MRS. MARY McINTOSH,
Spencerville, Ont.

"My kidneys were very bad and I felt as though I did not want to do anything but sit around. I thought I would try Dodd's Kidney Pills, which I did, and they helped me very much. After taking two boxes I began to feel well again, and now my kidneys are fine."

MRS. J. D. BEATTIE,
Minneta, Man.

"I used one box of Dodd's Kidney Pills and the pain in my back disappeared."

MRS. T. R. CLARKE,
Glenhope, Man.

"I have been troubled with backache and could not sleep at nights. I got some Dodd's Kidney Pills and they seemed to relieve me. I got another six boxes and now I am entirely relieved of my backache. I am always going to keep a box in the house in case of emergency."

MRS. J. OBRIGAVIE,
Hanley, Sask.

"I am sending you a testimonial for your Dodd's Kidney Pills. I can't speak too highly of them. They have done well for my family. I first started to use them in 1913 and I have used them ever since. I have a daughter who is troubled with rheumatism. The first thing I do is to send for Dodd's Kidney Pills. She may be very bad, but as soon as she has taken two or three boxes she is able to walk and use her hands. Before taking them she was a cripple and suffered a lot. I send you this letter for the benefit of others, hoping it will be a guidance for all who suffer."

MRS. CLIFFORD,
Cochrane, Alta.

"For nearly a year I suffered with my kidneys. I had become very weak and was hardly able to do any work. After a few boxes of Dodd's Kidney Pills I am in good health again and able to do my housework. I do not feel any pains now."

MADAME P. ROY,
East Angus, Que.

Pregnancy

A great many letters reach us every year asking if it is safe to take Dodd's Kidney Pills during this period. It is not only safe, but highly beneficial to do so. It must be remembered that during pregnancy all the intestinal organs are disturbed, and there is often pressure on the Kidneys and bladder, as the condition of the urine will show. Dodd's Kidney Pills act directly upon these organs.

Mrs. L. Watkins

Everywhere you go in Canada people tell you of the great work Dodd's Kidney Pills are doing and everyone who tells you can give the reason why. That reason simply is that there is no case of kidney disease that Dodd's Kidney Pills cannot help. In the following letter Mrs. Watkins tells why she is so enthusiastic about Dodd's Kidney Pills.

"I can tell you there are no pills like Dodd's Kidney Pills. I was quite sick once and dropsy set in. I swelled up very badly and could not walk. Had to sit in my chair all day. I got a box of Dodd's Kidney Pills and they helped me. It was not long before the swelling went away and I was all right. I always have them in the house now."

MRS. L. WATKINS,
Box 33, Clyde River, N.S.

IMPURE BLOOD

HOW is it possible for Dodd's Kidney Pills to purify the blood?

Why is it that Dodd's Kidney Pills are so generally relied upon for blood diseases?

And why are they the most successful blood cleansers in the world?

These questions are frequently asked. The answers are simple and very easily understood.

The duty of the Kidneys is to filter, separate, and expel all watery and other matter from the blood, which, if permitted to pass, would be harmful. If these organs are weak, congested, inflamed, or in any way incapable of doing their work, the health and safety of the whole body is menaced. It is the presence of poisons thus passing through imperfect Kidneys, that appear in some cases as Blotches, Boils, Eczema, Salt Rheum, Erysipelas, Running Sores, Cancers, or Tumorous growths; in others, as destructive diseases, such as Diphtheria, Typhoid, Scarlet Fever, or Malaria; and in still others by upsetting weak organs, as Heart trouble, Liver trouble, Anæmia, General Debility, and a whole catalogue of troubles, all the result of weak or diseased Kidneys.

Whenever the Kidneys show the well-known signs of weakness, disorder or disease, the dangers of impure blood are at once present, and you may as reasonably expect pure water to flow from a polluted spring as to hope for good health or enjoy safety from suffering.

And as there is no other means provided in the body to do this cleansing,

the plain alternative is that the Kidneys must be healed and helped, and gently coaxed into resuming and continuing their work.

For this purpose Dodd's Kidney Pills were wisely designed. They are the answer of science to the cry of the suffering. And this is how and why Dodd's Kidney Pills stand pre-eminent as purifiers of the blood. They strengthen and help the Kidneys when they are weak, over-worked or diseased, and by this means cleanse the blood.

Thousands of Canadian people know this, and have said so—yea, they have been blessed and relieved by Dodd's Kidney Pills, as you may be if you suffer. Or, better still, these pills prevent suffering by keeping you well.

“I used to be troubled with a bad back and my face was full of pimples. I took twelve boxes of Dodd's Kidney Pills and am now perfectly relieved of my troubles. I always keep a box of them and cannot praise them enough for what they have done for me. I just take a box from time to time to keep me well.”

J. BARNES,
Fortune Bay, Nfld.

“I have suffered a great deal every month with headache and pains in my back. The only thing I could get to relieve my pains was Dodd's Kidney Pills.”

MRS. J. E. BANKS,
Waterville, N.S.

L. A. Nickerson

Dodd's Kidney Pills are a purely vegetable Kidney remedy. They are a Kidney food. They strengthen weak Kidneys, heal diseased Kidneys, allay inflammation, clear the clogged passages, revitalize the Kidneys of the aged and give tone to the Kidneys of the young. Dodd's Kidney Pills have been successful when all other medicines have failed.

"I have used Dodd's Kidney Pills to strengthen my kidneys. I have been a lobster fisherman for years and in the spring it is very hard work and my kidneys would always get weak. I was advised to use Dodd's Kidney Pills which I did, and found them to be just what I needed."

L. A. NICKERSON,
North East Point, N.S.

Two ladies were listening to the band. Said one: "That is something from Wagner, I think." Said the other: "I think it is a nocturne of Chopin's." Said the first: "I'll go and look on the announcement card." And back she came to her friend with the word: "We're both wrong. It's a Refrain—from Spitting."

Dodd's Dyspepsia Tablets

IT has been shown that good health is absolutely dependent on pure, rich blood.

It is the duty of the Kidneys to keep the blood pure in the system. They should filter out of it all the poisonous impurities it collects during its circulation through the body.

The originator of Dodd's Kidney Pills, after hard study and deep research, succeeded in compounding a medicine—Dodd's Kidney Pills—that helps the Kidneys to do this work positively, promptly and perfectly.

He watched their action on the Kidneys, and so uniformly successful and satisfactory was it that it was plain nothing further was needed in that direction.

He saw that if he could ensure the perfect purity of the blood when it is supplied to the system, the question of good health was effectually solved.

More study, research and experiment followed, and finally Dodd's Dyspepsia Tablets were given to the world.

In nine cases out of ten there is some weakness, defect, or disease of the stomach which prevents the proper digestion of the food. Therefore a remedy that would correct this condition and ensure perfect digestion would bring relief, health and happiness to every nine of every ten people. This is exactly what Dodd's Dyspepsia Tablets do. And they do it in the simplest way and the quickest way possible. They digest the food themselves, without the aid of the stomach.

At the same time, while the stomach is resting, they having relieved it

of its work, they exert a powerful toning, healing and strengthening effect on it, so that when they have been used for a short time the stomach should be completely restored, and able to do its work promptly and perfectly itself.

Now, when imperfect digestion causes weak, impure blood, giving rise to Dyspepsia, Biliousness, Paralysis of the Stomach, Heartburn, Constipation, Flatulence, Sour Stomach, Boils, Pimples, Scrofula, Foul Breath, it stands to reason that if the digestion be made perfect these evil effects should disappear. Dodd's Dyspepsia Tablets give perfect digestion because they digest the food themselves.

Every case of Dyspepsia and nearly all Stomach Troubles are accompanied by Constipation. With each box of Dodd's Dyspepsia Tablets is a supply of smaller Tablets that are the gentlest and best regulators for the bowels ever made.

Some people cannot understand how Dodd's Dyspepsia Tablets can digest the food. The explanation is simple.

In the mouth the food is chewed by the teeth and moistened by saliva or "spittle." In the stomach by the action of a fluid supplied by this organ and called gastric juice, it is changed into a pulpy mass. In the second stomach it becomes a milky liquid by the action of the bile and a liquid named pancreatic juice. This milky liquid is divided, part going to make blood, the waste matter being thrown out of the system by the bowels. This whole process is called Digestion.

Miss A. Wilizak

Dodd's Kidney Pills are the greatest of all remedies for weak, suffering women. They heal and strengthen the Kidneys. The Kidneys are the root of nine-tenths of women's ills. Moreover, strengthened Kidneys mean pure, clear blood all over the body. That means good health everywhere. Dodd's Kidney Pills are purely a kidney remedy.

"I can say with pleasure that Dodd's Kidney Pills are the best on the market. They were the first to help me. I tried quite a few remedies for my kidney trouble but Dodd's Kidney Pills were first to give me relief. They are worth their weight in gold to anyone suffering from Kidney trouble."

MISS A. WILIZAK,
Upper Middleboro, N.S.

A negro charged with stealing a watch had been arraigned before the court. The judge was not convinced that he was guilty, and said: "You are acquitted, Sam." "Acquitted," repeated Sam, doubtfully. "What's dat mean, judge?" "That's the sentence; you are acquitted." Still looking somewhat confused, Sam said: "Judge, do dat mean I hab to gib de watch back?"

BACKACHE

DO you know what backache means? It is Nature's way of telling you there is something wrong with your Kidneys. Never neglect it. What backache begins, Bright's Disease may end. Dodd's Kidney Pills help backache and a few pills taken in time will ward off a serious illness.

When you have an aching back, a dull pain across your loins; when you feel weak, feeble, and exhausted, unable to hold up your head, your thoughts wandering, your skin dry and parched, your tongue sticky and clammy, your head aching, your eyes smarting, with black specks continually floating before them; when your energies flag, and every duty becomes a labor; you may be sure your Kidneys are at fault.

Do not hesitate till Kidney Disease, or some of the terrible maladies that follow in the train, gets hold of you; but at the first sign of Kidney trouble, such as backache or any one of the symptoms we have named above seizes you, turn unhesitatingly to Dodd's Kidney Pills.

Dodd's Kidney Pills are a perfectly safe remedy, because they are entirely vegetable, being made from roots and herbs, and contain no minerals, or any other harmful drugs. They can be taken in perfect safety by old and young, and even in cases of long standing, where the disease has been allowed to prey unchecked upon the system for years. Dodd's Kidney Pills bring relief.

Sore Kidneys mean sore back. Heal the Kidneys and your backache will quickly disappear, and besides, the restored Kidneys will clear the blood. Dodd's Kidney Pills have relieved hundreds of sore backs.

"Two years ago, early in the fall, while I was working for a threshing outfit I got a weak back, which at times attacked me so badly that I was unable to do anything. A friend advised me to give Dodd's Kidney Pills a trial, which I did. The results were great. I have had no trouble since. Words cannot express my thanks to Dodd's Kidney Pills."

J. T. Kuss,
Roblin, Man.

"I have used Dodd's Kidney Pills for backache and found them the best medicine I ever used. I will recommend them to everyone who suffers with backache as I did. I used six boxes and have had no more backache. I am real well now."

William Sullivan

All that is claimed for Dodd's Kidney Pills is that they are a Kidney remedy. They heal and strengthen the Kidneys. They are used to treat rheumatism, dropsy, backache, urinary troubles and heart disease, because all these ills, are either of the Kidneys or caused by diseased Kidneys.

Read what Mr. Sullivan has to say regarding Dodd's Kidney Pills:—

"I had a pain in my back and was not able to get a good night's rest. I got two boxes of Dodd's Kidney Pills and after I had finished taking them I was quite all right. That is two years ago and I have not felt any sore back since."

WILLIAM SULLIVAN,
Grey Rapids,
Coughlan P.O., N.B.

A friendly argument arose between two young chaplains of different denominations, in which the senior chaplain rather cleverly got the better of his opponent.

"Let us bury the hatchet, my brother," he said. "After all, we are both doing the Lord's work, are we not?"

"We certainly are," replied the junior chaplain, quite disarmed.

"Let us then," said the senior, "do it to the best of our ability, you in your way and I in His."

HEALTH HINTS

YOU CAN'T SLEEP.—There is nothing so disagreeable in life as to go to bed and be unable to sleep. It is a sure sign that something is wrong with the system, a sign that the Kidneys are out of order, and that the putrid matter remaining in the blood is irritating the nerves. The Kidneys need help, and Dodd's Kidney Pills is the help they need.

Don't use sleep-producing medicines for they all contain narcotics, drugs that cause lasting injury to the system. Dodd's Kidney Pills are purely vegetable. They contain no opium or mineral. There is nothing in them that can harm a child. They bring sleep by natural methods—by removing the cause of the sleeplessness.

BOILS, PIMPLES AND SKIN DISEASES.—Poison and waste matter in the blood is bound to break out on the skin in some painful form. The discharges from a boil or pimple or other skin eruption are Kidney poison. This filth should have been removed from the Kidneys; it would have been extracted if the Kidneys had been doing their duty. Treat them now. Take Dodd's Kidney Pills and restore your Kidneys. The healthy Kidneys will quickly strain out of the blood all poisons and other impurities and make Boils, Pimples and all such painful and ugly skin eruptions an impossibility.

BACKACHE.—Backache is Kidney ache. It is the cry of the poor tired worn-out Kidneys for help. Don't neglect this appeal. Treat the

Kidneys at once by the greatest remedy ever discovered—Dodd's Kidney Pills. They should relieve any case of Backache promptly and completely.

If Backache is not promptly helped Dropsy, Rheumatism, or some other serious and perhaps fatal disease is certain to follow.

HEADACHE.—Nerves often snap at this age of hard work and worry. Headaches always go before a nervous break-down. Kidney poison is eating its way into the system and injuring and irritating the whole nervous network of the body. These injuries and irritations are telegraphed at once to the brain, and pitiless headache is the result.

Dodd's Kidney Pills help the Kidneys and take out the poison; removing the cause and with it the headache.

LASSITUDE.—Nothing is more clearly indicative of Kidney Trouble than that fearfully oppressive feeling of general weakness.

Without energy or vitality you tire out easily and yet you have no particular pain or symptom in any one place. It is your Kidneys, and a short treatment of Dodd's Kidney Pills should make you feel buoyant and vigorous again.

TOO FREQUENT URINATION

This is the sleep-destroying complaint of the age. It has only one cause—sick Kidneys. It has only one sure help—Dodd's Kidney Pills.

Dodd's Kidney Pills not only help the pains and aches of the different diseases springing from disordered Kidneys, but also give new life and energy all over the body. They help the Kidneys. Relieved Kidneys strain all the impurities out of the blood, and the pure blood carries nutriment instead of poison to all the nerves and muscles.

"I want to tell you just what your Dodd's Kidney Pills have done for me. I had terrible headaches and could not sleep, but after taking two boxes of Dodd's Kidney Pills I commenced to feel fine. I cannot praise this kidney medicine enough and would not be without it in my home."

NEIL ZILAN,
Laventure P.O., Sask.

"My husband has suffered a great deal with his kidneys. He took many kinds of medicines before he heard about your Dodd's Kidney Pills. He started to take them, and today he is seventy-three years of age and is quite all right. He thanks Dodd's Kidney Pills for his health. Once in a while, when he has a little back-ache, he takes a box or two and gets better."

Different Forms of Dyspepsia

DYSPEPSIA is one of the penalties of civilization.

Our artificial life, our habit of taking too little exercise, the highly-seasoned foods, and the ardent drinks we use, the worries of business, the high pressure and the rapid pace of our life, all tend to Dyspepsia.

Dyspepsia takes many forms. Its effects are many and cause untold suffering and misery.

The symptoms and effects of the disease vary with the constitution and temperament of the sufferer. Often little or no attention is paid to the ailment. The result is that it gains daily a firmer hold, the digestive organs grow weaker and weaker, and finally break down, the victim becoming a nervous, irritable and melancholy wreck.

This can be avoided in many cases by the exercise of a little care and common sense at the outset of the trouble.

If it be allowed to go unchecked it is more difficult to help, but it can be relieved by the use of Dodd's Dyspepsia Tablets. There is only one disease of the stomach that Dodd's Dyspepsia Tablets can not relieve and that is Cancer.

Acute Dyspepsia.—It is caused by imperfect mastication of the food, through defective teeth, swallowing the food too hot or too cold, and similar errors in diet.

In mild attacks the symptoms are: Disagreeable feeling in the stomach, low spirits, headache, dizziness, heartburn, eructation of gas.

In children, diarrhoea and colic ap-

pear often accompanied by vomiting.

To Relieve Acute Dyspepsia.—Take one or two Dodd's Dyspepsia Tablets after each meal. This treatment if faithfully carried out, should help the most obstinate case.

Acid Dyspepsia.—It is marked by a burning sensation in the stomach, which grows worse at night, an oppressed, "downcast" feeling for some hours after meals, sour fluids rise to the mouth leaving a smarting sensation in the throat, continual bad taste in the mouth; an unusually hearty meal, or the eating of sweet articles of food, causes these symptoms to become more pronounced.

If the disease is of long standing, the sufferer is troubled by vomiting followed by severe nervous headache, coldness and sweating of the hands and feet.

To Help Acid Dyspepsia.—Drink no fluids, if possible, at your meals. Take two Dodd's Dyspepsia Tablets after each meal.

Of all diseases that afflict mankind, Nervous Dyspepsia is one of the most painful and depressing.

Worry and anxiety are the most frequent causes of this form of Dyspepsia. The symptoms are so numerous that the victim thinks he has every disease—except the right one. He is continually thinking of himself. He becomes pale, loses flesh rapidly, and grows very weak. He dreads to be left alone, will not associate with strangers because of a haunting, ever present fear of sudden death. Surprise, worry, or excitement causes rapid, nervous beating of the heart and

hot flushes through the stomach and bowels.

The victim cannot sleep; his feet and hands sweat; food causes a disagreeable feeling after eating; the stomach and bowels are filled with gas and wind, which cause intense pain at times; the sufferer is extremely nervous and excitable; starting violently at the slightest noise; his breath becomes short, and his heart irregular in action, which leads him to believe he is afflicted with heart disease; his temper is "short," he is moody and silent, a burden to himself and his family.

Dodd's Dyspepsia Tablets are especially adapted to relieve this terrible disease.

They go to the root of the trouble at once and strengthen the nerves by ensuring a plentiful supply of pure, rich blood as nourishment.

Weak, ill-nourished nerves cannot withstand the strain of worry and anxiety. They break down and Nervous Dyspepsia follows. This condition is brought about by defective digestion. The nerves cannot get a sufficient supply of blood to repair the waste that is constantly going on. There can be only one result—Nervous Dyspepsia.

Two of Dodd's Dyspepsia Tablets taken after every meal, should ensure digestion, give plenty of rich blood for nerve nourishment, and permanently help Nervous Dyspepsia.

Chronic Dyspepsia.—This is an advanced stage of Acute Dyspepsia and is characterized by the same symptoms very greatly aggravated. Constipation is generally present, and in such cases one or two of the small brown Tablets should be taken with

large ones immediately after eating. A glass of water, as hot as can be swallowed, before breakfast every morning, will aid the action of the Tablets.

Irritative Dyspepsia is indicated by a thick, white-yellowish fur on the tongue, dizziness, bad taste in the mouth; sometimes a dry, troublesome cough, with irritation in the throat, an uncomfortable feeling of fulness of the stomach, diarrhoea and debility. Frequently this type of Dyspepsia is mistaken for the beginning of Consumption.

The disease yields to the influence of Dodd's Dyspepsia Tablets. One or two of the large Tablets after each meal and one before retiring, should help it permanently.

Congestive Dyspepsia is accompanied by flatulence, soreness of the stomach on pressure, and, after eating, coated tongue, great thirst and very often nausea and vomiting.

The worst form of Congestive Dyspepsia is caused by excessive drinking, and is signalized by loss of appetite, morning retching, vomiting phlegm, cough, and craving for drink. The lining of the stomach is very much inflamed and congested, and the flow of gastric juice is decreased greatly, and frequently stopped.

Here is where Dodd's Dyspepsia Tablets have a most powerful influence. They digest the food that the inflamed and congested stomach cannot digest; they tone, cool and heal the lining, and stimulate the gastric glands, providing a full supply of gastric juice. The stomach is rested, and after a short treatment, should be completely restored to health and strength.

Dodd's Antiseptic Healing Ointment

DODD'S ANTISEPTIC HEALING OINTMENT is the product of years of careful study and experiment. The manufacturers of the famous Dodd's Kidney Pills examined hundreds of formulæ before discovering the one which is offered to the public as Dodd's Antiseptic Healing Ointment.

This formula was chosen for various reasons; chief among them being, because of its great curative value and because of its outstanding antiseptic and cleansing qualities.

It is a pleasure to use Dodd's Antiseptic Healing Ointment. It is so pure and soothing. It gives relief from pain and yet will not injure the most delicate skin. It can be used with perfect safety by both old and young alike.

Few people realize the danger that lurks in a small cut or bite. Although, innocent enough looking in themselves, these are often the cause of blood-poisoning and sometimes death itself. The smallest cut or scratch is a source of great danger and we cannot urge too strongly the immediate use of Dodd's Antiseptic Healing Ointment. This will not only cleanse the wound, but will relieve the pain and bring about an early recovery.

Dodd's Antiseptic Healing Ointment is recommended and will be found a soothing treatment for all forms of:—

Diamond Dinner Pills

For
Liver
and
Bowels

Help
Torpid Liver
Biliousness
Constipation

TORPID LIVER.—A tired, sluggish Liver causes no end of sickness and suffering. This important organ sometimes requires assistance and encouragement, but it should never be forced. It is the business of Diamond Dinner Pills to tone and strengthen and coax the Liver back to a healthy condition of activity. You should treat the torpid Liver carefully, gently and patiently. You should never try force. Nature resents such treatment and Diamond Dinner Pills are compounded not with a view of simply applying force to “*move the Bowels,*” but to gently and gradually tone up the Liver till it supplies the necessary amount of bile (Nature’s own laxative), and the bowels *move themselves.*

BILIOUSNESS.—The torpid Liver allows the bile to escape through every part of the system instead of into the bowels as Nature intended. It is felt in the stomach often causing Nausea. It clogs the blood and shows itself in the sallow skin. In many cases it produces sick headache, and that heavy, dull feeling so very oppressive. Diamond Dinner Pills are essentially a Liver Medicine, and they act promptly on the sluggish Liver, gently coaxing and encouraging and helping it to do its duty. After a patient treatment it begins to improve and finally may be trusted to perform its functions independently and perfectly.

CONSTIPATION.—Caused in the first place by the failure of the Liver to furnish the bowels a sufficient amount of bile—Nature’s own laxative; but in the majority of cases Chronic Constipation is caused by the taking of salts, purgative pills and other violent physics which cause gripping and purging, and upset the whole health of the Stomach, Liver and Bowels, and the use of which is always followed by Constipation, Piles and other evidences of injury to the delicate machinery of the body. Let us repeat *you must never try to force Nature.* These violent purgatives can never do anything but harm.

DIAMOND DINNER PILLS.—Help Torpid Liver, Biliousness and Constipation, because they follow Nature’s methods.

Diamond Dinner Pills are not intended simply to empty the bowels. Their action is directly on the Liver, causing it to do its duty, after which the bowels empty themselves.

Diamond Dinner Pills are a purely vegetable remedy, and will be found when patiently used to be altogether the most satisfactory remedy for all derangements of the Liver and Bowels.

Diamond Dinner Pills are 25 cents a box. All dealers or by mail on receipt of price by The Dodds Medicine Co., Limited, Toronto 2, Canada.

Dodd's

THAT ONE WORD IS YOUR SAFEGUARD—D o d d ' s

UNLESS it is printed on the box, as you see it on the back of this page, you are being offered a substitute, instead of the genuine Kidney Pills. Remember it is of the greatest importance that you should have the *Genuine Dodd's Kidney Pills*, and not the substitute.

When you go into a drug store, do not ask for a box of "Kidney Pills," say: "Give me a box of 'Dodd's Kidney Pills' " and emphasize the word "Dodd's." If anything else is offered to you, refuse it at once; bear in mind that **you do not know anything about what these substitutes will do for you**; they *may* relieve you, or they *may* not; but you **DO KNOW** what Dodd's Kidney Pills will do, because you have the evidence before you in this book, of people who have taken them and have been helped; therefore for your own sake, you must insist on having only the genuine
