D-O-D-D'S.

MISS JOHANN MAYOR

Lochiel, Glengarry Co., Ont.

I had Bright's Disease in its worst stages. I was obliged to give up a very profitable position. I suffered so that I thought I could not endure life much longer.

I had taken doctor's medicine for over two years without doing me any good. Two doctors gave me up. They said I had let my disease go too far.

To-day I am back at work a strong, healthy girl. Dodd's Kidney Pills cured me. I took eight boxes in all, but I should say six did the work for the first two I did not take regularly as I had no confidence in them or hope to get well.

Yours Truly

Best Horoscope is Health.

HEALTH! In that one word is contained the greatest good fortune this world has to bestow.

Wealth has its advantages ; but possessors of vast wealth offer their hoards for a return of the vigor and energy of their earlier days. Fame has its compensations, but the plaudits of the multitude are but empty echoes to the man who has sacrificed his constitution to satisfy his ambition. Health, and health only, brings solid satisfaction.

* * *

Not every man nor every woman can be healthy ; but it is an oft-proved fact that nine-tenths of the ills that crowd the pathway of life can be removed if people will but observe in their own bodies those rules that are absolutely necessary to the health of cities and towns.

* * *

When Disease breaks out in a city or town the first question asked is "Where is the filth that is polluting the air or water?" The scavengers are put to work. There is a general cleaning up of yards and drains. Cleanliness means health.

* * *

As it is with communities so it is with the human body. Cleanliness is health. When disease makes its appearance look to the scavengers. The Kidneys are the scavengers of the body. Theirs is the work of straining out of the blood all the impurities it collects as it courses through the body. Theirs is the work of expelling this filth from the body. Thus it will be seen that on the Kidneys more than on all other organs combined depends the general health of the body.

* * *

Keep the Kidneys healthy and the body will be healthy. That is the principle upon which the discov-

The Water-bearer.**
About the twentieth of the month the sun enters this sign.

A man born at this period will be of a strongly self-willed disposition, inclined to travel. Given to odd whims and fancies. Not discouraged by difficulties. Easily angered and slow to forgive injuries. Hard to be imposed on. Meeting all trouble bravely. In life he will be moderately successful and enjoy a portion of happiness.

Of an amorous disposition, and passionately devoted to his wife at first, but in danger of being fickle in his love.

A woman born at this time will be of a studious, industrious and quiet disposition. Not inclined to change. In love she will be constant and moderate. Will make a kind and tender mother and affectionate wife.

* * *

There are two classes and many varieties of diseases that can be properly charged to the Kidneys. Bright's Disease and Diabetes belong to one class. They are purely Kidney Diseases. Heart Disease, Dropsy, Rheumatism, etc., belong to the second class. They are diseases caused by bad Kidney action. They are caused by the impurities, which the disordered Kidneys fail to remove from the blood, acting on other parts of the body.

* * *

Take Heart Disease for instance. It is not a purely Kidney Disease yet it is always cured by curing the Kidneys with Dodd's Kidney Pills. The heart is the engine that propels the blood through the arteries and veins. On its way the blood passes through the Kidneys to be relieved of the impurities it has gathered. If the Kidneys are working properly it goes back to the heart clear and clean.

* * *

But if the Kidneys are tired, or worn, or otherwise out of order, the blood is not cleansed. It becomes a clogged and turbid stream. It is easy to see what the result is. The heart has to propel a thick sluggish stream of blood and its work is increased infinitely. And furthermore the poisons in the blood act on the valves and chambers of the heart, causing inflammation, valvular troubles and other derangements. Then it is that the overworked, diseased heart pauses for a moment in its work, misses a beat—and life has fled.

* * *

"Death was due to Heart Disease." How often do you see that announcement in the daily papers. It makes you think with a shudder that Death may even

Dodd's Kidney Pills cured my daughter Alice of Bright's Disease in its worst stages. Two of the best doctors in this vicinity gave her up to die. She was terribly swollen and her flesh was hard and seemed ready to burst. Her belt in health was 20 inches and at her worst it was 48 inches. To-day she is a strong, healthy girl. now be stalking at your side ready to strike you down without a moment's notice. But there is no danger if you take ordinary precaution. Cure the Kidneys with Dodd's Kidney Pills. The cured Kidneys will keep the blood clear and pure. Pure blood will cause the heart to work freely and steadily. It will remove the cause of Heart Disease, and without cause there can be no disease.

* * *

That Dodd's Kidney Pills will cure any Kidney Trouble is best shown by their uniform success in treating Bright's Disease. This is the most advanced stage of Kidney Disease, and until the discovery of Dodd's Kidney Pills it was properly considered incurable. Dodd's Kidney Pills have never failed to cure it, even when death was hourly expected and physicians had declared no earthly power could save the sufferer.

* * *

Bright's Disease is strictly a disease of the Kidneys and its symptoms are generally those of Kidney Disease. Its presence in the system is best indicated by the urine. Fill a bottle or glass with the first urine passed in the morning. Let it stand till the following day. If it then appears cloudy or stringy or a sediment is formed you may be sure your kidneys are diseased. With diseased Kidneys Bright's Disease is never far distant; you may find yourself in its grasp at any moment.

* * *

One of the most terrible things about Bright's Disease is the secrecy with which it works. It creeps on you like a thief in the night. To-day you may be in comparatively good health; to-morrow laid on a bed of sickness attended by a physician whose grave face is almost as alarming as the words he utters—"Bright's Disease." There is always hope. Dodd's Kidney Pills will cure it. But the safer way is to test your urine at intervals and if you find anything wrong with your Kidneys put them right with Dodd's Kidney Pills.

I suffered for ten years with Diabetes and Kidney Disorder. I had a terrible Backache. My urine was of a dark bricky color and I would suffer terribly in passing it. I tried doctors but could get no help. Dodd's Kidney Pills cured me competely. The citizens of Port Hope all know me and can vouch for the above.

CHAS. GILCHRIST.

Diabetes is another very dangerous and repulsive form of Kidney Disease. Like Bright's Disease it was classed as incurable till the discovery of Dodd's Kidney Pills revolutionized the treatment of Kidney ailments. That Dodd's Kidney Pills have never failed to cure it is convincing evidence of their efficacy in all cases of Kidney Disease.

* * *

Of course Diabetes is easier to prevent than to cure. If when the Kidneys give the first sign that they are tired or worn out they are toned up and strengthened by a short treatment of Dodd's Kidney Pills all will be well. But if the warnings of nature such as Backache or slight urinary disorders are neglected ; if the Kidneys are allowed to clog up with impurities and poisons till not only they become diseased but the entire system is polluted, it will take a longer treatment. But Dodd's Kidney Pills will cure. They have never yet failed.

* * *

The early symptoms of Diabetes resemble those of ordinary Kidney disorders. But as the disease develops bleeding gums, decaying and loosened teeth, swelling feet and ankles, boils and skin eruptions are among its added terrors. It is a disease to be avoided rather than cured. It can be avoided by short treatments of Dodd's Kidney Pills taken at intervals.

* * *

Probably the most common of all the dangerous diseases resulting from disordered Kidneys is Dropsy. The puffiness under the eyes, bloating of the ankles, limbs and body and that smothered feeling when excited or over-exerted, that show the presence of Dropsy, are known in almost every family.

* * *

When you look at the cause of Dropsy it is easy to see why Dodd's Kidney Pills have never failed to cure it. Dropsy is caused by the failure of the Kidneys

One of the most dangerous and repulsive forms of Kidney Disease is

DROPSY

for which Dodd's Kidney Pills are the only certain cure. In Dropsy the Kidneys are actually *dammed up*, and the water, which should be expelled in the form of urine, flows back and lodges in the cells of the flesh and puffs out the skin. to extract from the blood the surplus water it collects in circulation. This water remaining in the blood increases the flow till, the walls of the blood-vessels becoming extended, it passes through. This causes those accumulations of water that some physicians still try to relieve by tapping.

* * *

But tapping is a violation of the law of nature. The natural way to cure Dropsy is to remove the primary cause—in other words to cure the Kidneys. That this is the correct method is proved by the un-failing success of Dodd's Kidney Pills. They never fail to put the Kidneys in good working order. With the Kidneys in good working order the Dropsy disappears almost at once.

* * *

And now we come to that great family of diseases that is probably responsible for more aches and pains than all other human ills. It is hardly necessary to state that this is the Uric Acid family, of which Rheumatism is the head. The other members of this unhappy family are Lumbago, Sciatica, Gout, Neuralgia, etc. They are known everywhere.

* * *

For centuries past the medical fraternity have been looking for a cure for Rheumatism and many a lotion for rubbing on the affected part has been heralded as the long looked for cure. But it remained for Dodd's Kidney Pills to prove that if you would cure Rheumatism you must have a cure that would go further than skin deep ; that you must have one that would go right to the root of matters and remove the cause. Dodd's Kidney Pills prove that to cure Rheumatism you must cure the Kidneys.

The fact that Dodd's Kidney Pills invariably cure Rheumatism and kindred diseases by putting the Kidneys in condition to remove the Uric Acid from the

Rheumatism

is Uric Acid in the blood. Unhealthy kidneys are the cause of the acid being there. If the kidneys acted as they should they would strain the Uric Acid out of the system and Rheumatism couldn't occur. Rheumatism is a result of Kidney Disease. Dodd's Kidney Pills have made a great part of their reputation curing Rheumatism. So get at the cause of those fearful shooting pains and stiff, aching joints. There is but one sure way—

blood proves this theory to be correct and it is to-day accepted by all interested in medical matters.

* * *

What is Uric Acid? It is the putrefied tissue waste that the disordered Kidneys fail to remove from the blood. It is usually in liquid form, but dampness or chill causes it to crystallize into sharp particles which are very irritating to the parts in which they become lodged.

* * *

It is these sharp particles that are responsible for all the pains and aches. When the particles gather in or about a joint you have Rheumatism. If they are deposited in the muscles and tendons of the back the result is those pains that are called Lumbago. If they are deposited so as to exert their irritating influence on the Sciatic nerve the disease is called Sciatica. And so it is with various other diseases of this family. They are all from the one cause, Uric Acid.

* * *

It will be seen that such being the case, and it is now undisputed, rubbing on the outside may relieve but it cannot cure Rheumatism or any of its companion complaints. To cure it you must remove the cause. Strong, healthy Kidneys will do this. They will take all the Uric Acid out of the blood. And without Uric Acid in the blood there can be no sharp particles formed and without these particles or crystals there can be none of the pains known as Rheumatism or Lumbago or Sciatica or Gout.

* * *

That is why Dodd's Kidney Pills never fail to cure Rheumatism. They never fail to make strong, healthy Kidneys. Strong, healthy Kidneys take all the Uric Acid out of the blood and with no Uric Acid in the blood there can be no Rheumatism. Cure your Kidneys with Dodd's Kidney Pills and your Rheumatism will cure itself.

JOHN BALL.

But if men have so much fear from disordered Kidneys women are doubly in danger from the same source. They are subject to all the ills that threaten mankind and in addition are in daily danger from that group of diseases that are shrouded in a certain mystery under the name of Women's Ailments.

* * *

And possibly it is well to mention here two things that long and thorough investigation have shown to be facts. The first of these is that no woman with sound Kidneys ever had Female Ailments, and the second that no case of Female Ailment has ever been known where the Kidneys were not in some way at fault. These two things in themselves are surely enough to convince all women that the natural way to cure their ailments is to cure the Kidneys. The long record of Dodd's Kidney Pills easily shows that the one sure way to cure their Kidneys is to use Dodd's Kidney Pills.

* * *

To go into the matter a little more fully it is only necessary to point out how closely the delicate female organism is allied to the Kidneys to show how deeply they are in sympathy. They are placed side by side in the body and what affects one is physically certain to have its influence on the others.

* * *

And here again are shown the terrible effects of Uric Acid. This deadly fluid unless removed by correct Kidney action is carried by the blood into every part of the body. It is its crystallized particles deposited in the mucous membrane of the female system that brings pains and pallor and premature old age to so many women. It is this blighting curse that takes the bloom of health from so many cheeks and causes so many women to drag through life a burden of pain that is almost unbearable.

MRS. J. BARNETT.

Why should all this be shrouded in mystery? Why should women go on suffering in silence? No woman ever had an ill for which Nature has not provided a remedy. And all Nature's remedies are simple. The remedy in this case should be blazoned across the sky in letters of fire so that every woman could read:—"Cure your Kidneys and your ills will cure themselves."

* * *

To tell what Dodd's Kidney Pills have done for women all over the world would fill volumes. But there is nothing hidden about their methods. They simply cure the Kidneys. They put the scavengers of the body hard at work clearing the Uric Acid and other filth out of the blood. The results are seen in the bright, healthy, happy women who say "We owe our health to Dodd's Kidney Pills."

* * *

Backache! you know it yourself and probably are troubled with it at this moment. It is not a disease. It is simply one of Nature's warnings that something is wrong inside. In short, it says as plainly as if it could speak, "Your Kidneys need attention."

* * *

But because Backache is not a disease in itself do not think for a moment you can afford to overlook it. It won't go away on its own account, while if neglected you can with reasonable certainty count on having Bright's Disease, Diabetes, Rheumatism, or some of the other results of bad Kidney action, in the near future. It means that the Kidneys are not doing their work. It means that the waste tissue the body throws off is daily putrefying in the blood, and turning into Uric Acid. It means that every moment you delay makes more poison in the system, more foothold for disease in the body, more trouble for you in the future.

* * *

There's a sameness about the method of curing all these diseases that must strike the reader. It is one

continual cry to "Cure the Kidneys." But remember it is Nature's methods that are being followed. And Nature never furnishes three or four organs to do the work that one can do. Your mouth has more tasks than one given to it and the same applies to other organs. So don't get wearied at this continual cry "Cure the Kidneys." Cure them when the back gives the signal. Cure them with the simple vegetable remedy Nature has provided—Dodd's Kidney Pills.

* * *

Now while Dodd's Kidney Pills cure such very dangerous diseases as Bright's Disease, Diabetes, etc., it must not be forgotten that as a family medicine they are invaluable. Those minor ills, such as Lassitude, Headaches, Sleeplessness, Boils, Pimples, Skin Diseases, etc., are, in nearly every instance, caused by impure blood, and the one sure way to ensure pure blood is to have the Kidneys doing their full work.

* * *

That is why thousands of families are never without Dodd's Kidney Pills in the house. When any one of the family is out of sorts or run down or not feeling quite well, a short treatment of Dodd's Kidney Pills quickly sets things going again, and the explanation is simple. When the Kidneys get out of order, and because of the work they have to do they get out of order oftener than any other organ, slow, turbid circulation results.

* * *

This slow circulation is caused by the blood clogging up with the impurities the disordered Kidneys fail to remove. When the circulation is turbid, when the stream of life runs slow, the whole body feels the effect at once. That effect is tiredness, lassitude and weakness.

* * *

Try a short treatment of Dodd's Kidney Pills at such a time as this and see how quickly you get results.

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. I consider Dodd's Kidney Pills a grand blood purifier and I always take one or two boxes in the spring and fall. I am 78 years of age and am enjoying good health although some years ago I was at the point of death from Bright's Disease. Dodd's Kidney Pills cured me of that terrible complaint. They also cured me of Gout. C. A. HARRIS, ex-P.M.

The invigorated Kidneys speedily clear the blood of the impurities that are clogging its flow, and with pure, clear blood coursing through the veins the body cannot fail to be healthy and energetic.

* * *

Now there is one season of the year at which tiredness or lassitude is so common as to be almost epidemic, and that is in the Spring. And again the explanation is simplicity itself. During the winter the body fortifies itself against the cold by putting on extra tissue. When the Spring comes the body throws off this extra tissue and it is carried off by the blood to be strained out by the Kidneys and expelled from the body. This, of course, gives the Kidneys extra work to do and if they are at all tired or worn, they speedily get out of order and allow the blood to clog up with waste tissue matter.

* * *

And this is why Dodd's Kidney Pills have made a reputation as the greatest of all Spring medicines. They go at once to the root of the matter. They cure the Kidneys. The cured Kidneys speedily cleanse the blood of the waste tissue matter, and the pure, clear blood gives a natural energy to the body such as nothing else can.

* * *

The old-fashioned way of treating what is generally termed the "Spring feeling" was to take a strong cathartic. But while cleaning out the stomach and bowels generally does some good it must be remembered that the cause of the trouble is in the blood, and the only way to cleanse the blood is to set the Kidneys at work. Dodd's Kidney Pills are the one sure way of setting the Kidneys at work.

* * *

It should be borne in mind that the Spring feeling should be guarded against for more than one reason. Not only does it indicate that the Kidneys are out of

order, that the tired one is in the direct way of various Kidney Diseases, and the weakened body is an easy victim for any disease that may be floating in the air or water, but the refuse matter the Kidneys fail to remove forms beds in which the minute forms of germ life find lodgment and opportunity to propagate their kind.

* * *

It will thus be seen that to guard against almost any form of disease it is absolutely essential that the Kidneys be kept in working order. They are the main-spring of health. Well may the deepest thinkers of the day exclaim, "Take care of your Kidneys and your health will take care of itself."

* * *

To the old Dodd's Kidney Pills come as a distinct blessing. Those who have toiled up the hill of life almost to the summit naturally feel the effects of the long, hard journey. And it is not to be wondered at that most of their troubles are those caused by bad Kidneys.

* * *

The man who handles poison sooner or later feels the effects of it. The Kidneys are handling poison every moment, day and night. They must and do feel the effects, and towards the close of life those effects are more noticeable. Are not Bladder Troubles, Rheumatism, Backache, Irritability, Nervousness, etc., the ills of the aged? Are not those all caused by Diseased Kidneys?

* * *

NOVEMBER.

SAGITTARIUS;
or, The Archer.
About the twentieth of
the month the sun enters
this sign.

A man born at this
period will be of a cold,
unemotional disposition,
though furious when
roused. In life he will be
generally successful, but
must be careful not to be
deceived by others. He
will make an excellent
father and a kind, but un-
demonstrative husband.

A woman born at this
time will be very strong-
minded and imperious.
In life she must beware
of her enemies and care-
ful in what she says. In
love she will be constant,
but will not allow her
husband to be tyrannical.
She will love her children
and be fond of her hus-
band.

The Best Tonic

The best way to tone up a run-
down system is the natural way.
The natural way is to remove
the cause. The cause is slug-
gish circulation owing to the
blood being filled with waste
tissue and other impurities. The
way to remove these impurities,
is to put the Kidneys in working
order by using

The long hours, mental strain and sense of
responsibility of a locomotive engineer broke
down my constitution. I would come in from
a run tired to death with aching back and
limbs. My sole desire would be to get rest and
sleep, but I could not sleep. My appetite was
gone too. The first night after using Dodd's
Kidney Pills I slept soundly. They made a
new man of me.

BEN RAFFERTY.

But if the old folks suffer most from Kidney Disease and its effects, it does not follow that children are exempt from it. Many a little one has suffered with bad Kidneys almost from the day of its birth, many a boy or girl who should be smiling and happy is racked with the pains of Rheumatism or swollen with Dropsy simply because its parents have either through carelessness or ignorance neglected to look after its Kidneys. Some of the most wonderful cures Dodd's Kidney Pills have made have been of children of tender years.

* * *

Is Kidney Disease common among children? Are pimples and boils and sores common among children? Are not pimples and boils and sores caused by impure blood? Is not impure blood caused by the Kidneys failing to do the part apportioned to them by nature?

* * *

All parents owe it to their children to see that their Kidneys are healthy. This is easily done. Fill a bottle or glass with the first urine passed in the morning. Let it stand till the following day. If it then appears cloudy or stringy or a sediment is formed you may be sure the Kidneys are affected.

* * *

And if a child's Kidneys are affected how terribly it is handicapped in the struggle for existence. Nature's protection against disease is removed. The child is not only liable to be weak and sickly, but looks forward to a life of weakness and disability.

* * *

Dodd's Kidney Pills is the remedy such children need. They will cure the Kidneys and clear the blood of all impurities and seeds of disease. They will start the little ones on the journey of life with good pure blood coursing freely through their veins and good health blooming on their cheeks and speaking in their every action.

DECEMBER.

**CAPRICORN; or,
The Horned Goat.**
The sun enters this sign
about the twentieth of
the month.

A man born at this time
will be of an ambitious
and restless disposition.
In life to avoid unhappi-
ness he must stop to con-
sider well all steps. In
love he will be kind and
loving to his wife and a
stern but just father.

A woman born at this
time will be of a quiet
and amiable disposition;
a good neighbor and a
sincere friend. In life
she will be happy and
easily restrained from
doing wrong. In the
married life she will be
faithful and kind, and a
tender mother.

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills—is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the name to be careful about—

I believe I owe my life to Dodd's Kidney Pills. My attending physician said I was in the last stages of Bright's Disease and that there was no hope for me. I commenced to use Dodd's Kidney Pills and used in all twenty boxes. Now I eat well, sleep well and my doctor says I am well. Dodd's Kidney Pills and nothing else cured me.

ROBERT BOND.

Other organs with which the Kidneys are intimately connected and for the health of which they are directly responsible are the bladder and urinary organs. It will be remembered that one of the first signs of Kidney Disease comes in the urine. So it is only reasonable that the first organs to be affected by disordered Kidneys are the bladder and urinary organs.

* * *

The more common of these Bladder and Urinary Complaints are Gravel, Stone in the Bladder, Retention of Urine, Incontinence of Urine, etc. And for all of these diseased Kidneys are entirely to blame. Take, for instance, Gravel, or Stone in the Bladder. Both of these diseases are caused by Uric Acid and lime uniting and forming gritty substances which lodge in the tender inner surfaces of the Bladder and Kidneys, causing Inflammation and the most intense pain. To relieve this, painful and dangerous operations are often resorted to.

* * *

But with healthy Kidneys there can be no Gravel for two reasons. The first is that there will be no Uric Acid to unite with the lime and form the Gravel. The second is that supposing the Gravel is already formed the healthy Kidneys secrete fluids that dissolve the Gravel and it passes off in the urine.

* * *

It is easy to see from the above how Dodd's Kidney Pills always cure Gravel. They make the Kidneys healthy. The healthy Kidneys supply the fluids that dissolve the Gravel. It passes off and the patient is cured.

* * *

So it is with other Bladder and Urinary Complaints. They cannot occur when the Kidneys are healthy, for there is no cause. They cannot remain after the Kidneys are cured because the healthy Kidneys furnish the cure for them. Dodd's Kidney Pills ensure the healthy Kidneys.

Nor have all the diseases caused by bad Kidney action been mentioned in the foregoing. Uric Acid is the scourge of the blood and there is hardly any means of measuring the damage it may do to the system unless removed by correct Kidney action. Dodd's Kidney Pills are the only remedy that absolutely guarantees correct Kidney action.

Take a few further ^{* * *} examples. Catarrh is the discharge caused by the irritating crystals of Uric Acid being deposited in the mucous membrane of various organs. It takes its fuller name from its location, and thus we have Catarrh of the Head and Nasal Passages, Catarrh of the Stomach, Catarrh of the Bowels, Catarrh of the Bladder.

There is, of course, ^{* * *} just one natural way to cure it and that is to assist Nature to remove the Uric Acid from the blood. This is done by putting the Kidneys in good working order by using Dodd's Kidney Pills.

JANUARY—Unlucky Days—MEN born in January should beware of the 3rd and 4th of the month. **WOMEN** born in January should not risk bad fortune on the 5th, 6th, 13th, 14th, 20th, and 21st of the month. **Lucky Days**—Persons born on the following days will be lucky in life: January 1st, 2nd, 15th, 26th, 27th and 28th. Men born within the limits of the following fortunate hours will find all things in their lives favoring good luck: JANUARY 2nd, from 10:30 to 11:15 a.m., and from 9:15 to 10:45 p.m. 15th from 9:30 to 10:15 a.m., and from 7:30 to 11:15 p.m. 26th from 8:30 to 9:15 a.m., and from 7 to 10:15 p.m. Women born within the limit of the following list of fortunate hours will be happy in the married state: JANUARY 3rd, from 10:30 to 11:15 a.m., and from 8:45 to 11:15 p.m. 11th and 12th, from 9:15 to 10:00 a.m., and from 7:45 to 10:30 p.m. 18th, from 9 to 9:45 a.m., and from 7:15 to 10 p.m. 27th, from 9 to 9:45 a.m., and from 7 to 9:45 p.m.

Men born within these hours will be lucky: FEBRUARY 11th and 12th from 7:30 to 8:15 a.m., and from 6:15 to 8:45 p.m. 21st, from 7 to 7:45 a.m., and from 5:15 to 7:45 p.m. 25th and 26th, from 6:45 to 7:30 a.m., and from 4:45 to 7:30 p.m. **WOMEN** born during the following hours will be lucky in love: FEBRUARY 1st from 8 to 8:30 a.m., and from 7 to 8:30 p.m. 11th and 12th, from 7:45 to 8:30 a.m., and from 5:45 to 8:30 p.m. 17th from 7 to 7:45 a.m., and from 5:15 to 8 p.m.

So it is with Eczema or Salt Rheum. That itching, burning skin disease is due to Uric Acid in the blood. Neuralgia too, is caused by the same agency. Sleeplessness, headaches, spring from the same root—Uric Acid. And Dodd's Kidney Pills are the one sure means of removing that Uric Acid.

* * *

If the old rule, "an ounce of prevention is worth a pound of cure," is to be applied to health, that prevention would assuredly be applied through the Kidneys. Take, for example, Influenza, that yearly overruns the country, carrying hundreds to premature graves. This is a disease to be guarded against and the way to guard against it is to keep the body strong and healthy so that it is in a position to resist disease, and also to keep the blood cleansed of all impurities so that beds for the breeding of germ life cannot be formed. Both of those things are accomplished by putting the Kidneys in good working order with Dodd's Kidney Pills.

MARCH—Unlucky Days—MEN born in March should beware of March 5th, 6th, 12th and 13th. Dodd's Kidney Pills are the greatest natural tonic of the age because they purify the blood and quicken the circulation, thus carrying health and strength and energy to every part of the body.

* * *

Just a word as to imitations. Dodd's Kidney Pills were the first Kidney Pills given to the public. They are recognized to-day as the standard remedy for diseased Kidneys. That they should be imitated is one of the tributes to their success; the great number of imitations shows how great that success has been. Dodd's Kidney Pills have been imitated in name, in style of box, in the appearance of the pill. In fact imitators have succeeded in furnishing some kind of a substitute for everything except the cures Dodd's Kidney Pills have made.

MAY—Unlucky Days—MEN born in May should not take risks on May 12th, 13th, 20th, 21st, 26th and 27th. WOMEN born in May should be guided by friend and family on May 1st, 2nd, 9th, 17th, 22nd, 29th and 30th. **Lucky Days**—Persons born May 3rd, 13th, 18th and 31st will enjoy long life. MEN born during the following hours will be fortunate in business: MAY 3rd, from 2:45 to 3:30 a. m., and from 12:45 to 3:30 p. m.. 13th, from 2 to 2:45 a. m., and from 12 a. m., to 2:45 p. m. 18th, from 12:45 to 2:30 a. m and from 11:45 a. m. to 2:30 p. m. 31st, from 12:45 to 1:30 a. m., and from 10:15 a. m., to 12:45. WOMEN born during the following hours will be blessed with good husbands: MAY 3rd, 4th, 5th, 6th, 7th and 8th, from 2:15 to 3:15 a. m., and from 12:30 to 3:15 p. m. 9th, 10th, 11th, 12th and 13th, from 2 to 3 a. m., and from 12:15 to 3 p. m. 16th, 17th, 18th, 19th, 20th, 21st and 22nd, from 1:45 to 2:45 a. m., and from 12 noon to 2:45 p. m. 23rd, 24th, 25th, 26th and 27th, from 1:15 to 2:15 a. m., and from 11:30 a. m., to 2:15 p. m.

JUNE—Unlucky Days—MEN born in June must take no risk on the 1st, 2nd, 9th, 10th, 16th, 17th, 22nd, 23rd and 24th, of that month. WOMEN born in June should be cautious on the 5th, 6th, 12th, 13th, 18th and 19th, of that month. **Lucky Days**—The enterprises of persons born on the 10th, 11th, 15th, 22nd and 25th, of June will turn out well. MEN born during the following hours will be lucky: JUNE 10th and 11th from 10:15 a. m. to 1 p. m., and from 12 midnight to 1 a. m. 15th, from 10 a. m. to 2 p. m., and from 11:45 p. m. to 12:45 a. m. 25th, from 9:15 a. m. to 12 noon, and from 11 p. m. to 12 midnight. 29th, from 9 to 11:45 a. m., and from 10:45 to 11:45 p. m. WOMEN born within the limit of the following list will live happy lives: JUNE 1st, 2nd, 3rd, 4th, 5th and 6th from 10:15 a. m. to 1 p. m., and from 12:45 to 1:15 a. m., next day. 11th, from 10:15 a. m. to 12:45 p. m., and from 12 midnight to 1 a. m. next day. 20th, from 9:30 a. m. to 12 noon, and from 11 to 12 p. m. 25th, from 9:15 a. m., to 12:15 p. m., and from 11 to 12 p. m.

It is those cures that defy imitation. It is those cures that have stamped Dodd's Kidney Pills as Nature's own Kidney Remedy. It is those cures that have made Dodd's Kidney Pills known all over the civilized world. It is the cures made by Dodd's Kidney Pills that the imitators depend on for their sales. Be sure that you get Dodd's. There is nothing "just as good."

* * *

Why were Dodd's Kidney Pills put up in pill form? Simply because all liquid preparations contain alcohol, and alcohol is a Kidney irritant. Dodd's Kidney Pills contain no alcohol nor injurious drugs. They are purely vegetable.

* * *

As to the testimonials published in this book! They are the freely given experiences of people who have suffered and found relief in Dodd's Kidney Pills. They are given in the writers' own words. They will stand investigation. They are only a few picked from among the thousands who gratefully acknowledge that they owe their health, if not their lives, to Dodd's Kidney Pills.

JULY—Unlucky Days—MEN born in July beware of July 3rd, 4th, 10th, 11th, 16th, 17th and 18th. WOMEN born in July beware of July 3rd and 4th. **Lucky Days**—Persons born July 9th, 14th, 15th and 28th will be lucky in love and business. MEN born within the limit of the following hours will prosper in business: JULY 9th, from 8:15 to 11 a. m., and from 10 to 11 p. m. 14th and 15th, from 8 to 11 a. m., and from 10 to 11 p. m. 28th, from 7 to 10 a. m., and from 9 to 10 p. m. AUGUST—Lucky Days—Persons born on the following days will have much happiness: August 6th, 7th, 10th, 11th, 19th, 20th and 25th. MEN born during the following hours will make money: AUGUST 6th and 7th, from 6:30 to 9:15 a. m., and from 8:15 to 9:15 p. m. 10th and 11th, from 6:15 to 9 a. m., and from 8 to 9 p. m. 19th and 20th from 6:15 to 9 a. m., and from 7:30 to 8:30 p. m. 25th, from 5:15 to 8 a. m., and from 7 to 8 p. m. WOMEN born during the following hours will marry well: AUGUST 2nd and 3rd from 6:30 to 8:45 a. m., and from 8:30 to 9:30 p. m. 6th from 5:45 to 9 a. m., and from 7:30 to 8:30 p. m. 22nd from 5:15 to 8 a. m., and from 7:15 to 8:15 p. m.

The Stomach.

It may have occurred to some of you that it is necessary to make new blood as well as to keep that already in circulation clear and clean. This is indeed the second essential of health. It is the work of the stomach, and it must be admitted we do not give our stomachs the care they require.

* * *

Two things are absolutely necessary. You must eat, and what you eat must be digested. And it is in this matter of digestion that we fail. To have proper digestion two more things are necessary, good teeth and a proper supply of saliva. How many people of to-day have good teeth? And to make matters worse the more general use of peptonized foods has diminished the supply of saliva.

* * *

Now all this resolves itself into one of two alter-

natives : Your digestion must be bad or you must give your stomach the help it needs in some other way.

* * *

It was to meet the demand for this help for the Stomach that Dodd's Dyspepsia Tablets were prepared. They contain those necessaries of digestion that the decayed teeth and stunted supply of saliva fail to provide. To put it briefly Dodd's Dyspepsia Tablets digest the food themselves.

* * *

Indigestion and Dyspepsia are such common diseases that it is hardly necessary to mention any of their various symptoms. Their pains and discomforts and despondency are known almost everywhere. But it must be remembered that being so common does not make them the less dangerous.

* * *

Dyspepsia or Chronic Indigestion not only carries terrors of its own in its train but is admitted by the best

medical authorities to be the cause of Appendicitis. It also so weakens the body that it falls an easy victim to disease in various other forms.

Dodd's Dyspepsia Tablets have proved to be a cure for Dyspepsia in any stage and form. But the prudent person will never suffer from Dyspepsia. The stomach gives early notice of its need of help in the form of slight discomfort, in gas rising in the throat, etc. If this early notice is answered with a short treatment of Dodd's Dyspepsia Tablets all will be well.

* * *

Dodd's Dyspepsia Tablets bring quick relief and permanent cure for all stomach troubles. They have been tried in thousands of cases and not found wanting in one. In fact it has come to be a common saying that if you would eat what you like, when you like and without feeling bad consequences you must use Dodd's Dyspepsia Tablets.

* * *

Carry a few of Dodd's Dyspepsia Tablets in your pocket. Take one or two after eating and you need fear no discomfort. Take them regularly and they will permanently cure any form of Indigestion or Dyspepsia.

Laggan, Glengarry Co., Ont.

I suffered from Dyspepsia for more than twenty years and never met with anything to cure me till I commenced taking Dodd's Dyspepsia Tablets. After using them for two days all the pain and biliousness left me entirely. I am like a new man and have great reason to be thankful for all the good that Dodd's Dyspepsia Tablets have done me.

NEVER FORGET

That if the first Drug Store or Dealer hasn't got DODD'S Kidney Pills, the next one down the street has.

That there is no substitute for Dodd's Kidney Pills.

That the dealer who offers you "something just as good" is considering his own pocket and not your health.

That the cures in this book are those of men and women who ASKED FOR Dodd's Kidney Pills and GOT Dodd's Kidney Pills.

That you never read of the cure of anyone who ASKED FOR Dodd's Kidney Pills and GOT "something just as good."

That if your disease is of the Kidneys, or from the Kidneys, you need Dodd's Kidney Pills. They will cure you provided:

1. You ask for Dodd's Kidney Pills.
2. You get Dodd's Kidney Pills.
3. You take Dodd's Kidney Pills.

Nearly the same is not the same. Accept only the genuine. Be SURE of the spelling of the name D-O-D-D'S.
