Woman's True Friend

Experimenting with new and untried medicines is foolish, and often dangerous. It would take a medicine more than forty years, to prove itself so universally good as Dr. Pierce's Favorite Prescription. During all that time it has been woman's favorite medicine—a restorative tonic, uplifting and invigorating the nervous and discouraged and giving them the final touch of perfect health.

Women use Dr. Pierce's Favorite Prescription in preference to all other advocated medicines for it contains no alcohol or habit-forming drugs—is not anything like advertised, secret or patent medicines—does not claim to be able to do impossible things.

THE ONE REMEDY for women devised by a regularly graduated physician of vast experience in woman's ailments, and adapted to her delicate organism.

THE ONE REMEDY good enough that its makers are not afraid to print its every ingredient on its outside wrapper.

You can't afford to allow yourself to be over-persuaded into accepting any *secret nostrum* as a substitute for this honest square-deal *non-secret* medicine. Don't do it. No *honest* druggist will attempt to cheat you in this way. He who does should be rebuked and avoided. Doctors prescribe Dr. Pierce's Favorite Prescription for their worst cases because they know what it contains and know its ingredients to be of the very best.

It's well now and then to gently cleanse out bowel germs that breed weakness, cause foul breath, loss of appetite, dizziness and headache. Dr. Pierce's Pleasant Pellets keep bowels sweet and clean. Recommended by druggists because of their purity, goodness and active gentleness.

Treating the Wrong Disease

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. *In reality* they are all only symptoms caused by some weakness or derangement of the organs distinctly feminine. The physician, ignorant of the *cause* of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better by reason of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause* would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician and adapted to woman's delicate system. It is made of native American medicinal roots without the use of alcohol and is perfectly harmless in its effects in any condition of the female system.

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the distinctly feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

EVERY WOMAN ought to possess Dr. Pierce's great book, the People's Common Sense Medical Adviser, a magnificent thousand-page illustrated volume. It teaches mothers how to care for their children and themselves. It is the best doctor to have in the house in case of emergency. Over half a million copies were sold at \$1.50 each, but one free handsome cloth bound copy will be sent on receipt of fifty one-cent stamps to pay the cost of mailing and duty. Address the publishers, World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y.

The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of ingredients composing it is printed there in plain English. More than forty years of experience has proven its superior worth as a blood-purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone root and Mandrake root, Bloodroot and Black Cherrybark are extracted and preserved by the use of chemically pure, triple-refined glycerine.

Send to Dr. R. V. Pierce at Buffalo, N.Y., for *free* booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed.

In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N.Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a *secret* nostrum as a substitute for this non-alcoholic medicine of *KNOWN COMPOSITION*, not even though the urgent dealer may thereby make a little bigger profit. Though he offers the substitute for a less price you can't afford to experiment with your health. Go where they give you what you ask for *without argument*.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

CELERY KING

A Simple, Trustworthy,
 Old-Fashioned Remedy
 with a Big Purpose

- ¶ Hundreds of people have a deep dislike to using a cathartic—especially young people—no matter how badly it may be needed. That's because of the harshness of the ordinary purgatives, which clear the bowels, it is true, but with such violence as to weaken the bowel muscles, aggravating any natural tendency to chronic constipation — and causing severe inconvenience to the user.
- ¶ CELERY KING is nature's own choice of laxative herbs and roots, purely vegetable—not a trace of mineral harshness in all its make up. Celery King's action on the bowels is wonderfully beneficial. Of course Celery King soon relieves, gently but surely, all tendency to constipation—but its benefits do not stop there. If its use is continued for a month its healing and tonic influences become apparent throughout the whole system.
- ¶ To the person who is run down, nervous and irritable by worry or over-work CELERY KING will prove a blessing. It builds up the system, quiets the nerves and brings health, energy and good nature in its train.
- ¶ For those who suffer from Rheumatism or Kidney trouble its cleansing action is soon made apparent. The poison in the body is driven out and good health soon comes again unto its own.
- ¶ If CELERY KING were a laxative only its sure but gentle cleansing power would make it supreme. But it's more—much more than that—Celery King is a tonic—a body-builder of unexampled worth and power. Get it and try it to-day.
- ¶ In Tea or Tablet form. Both equally good, the Tea form being the most economical for family use.

Treating the Wrong Disease

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. *In reality* they are all only *symptoms* caused by some weakness or derangement of the organs distinctly feminine. The physician, ignorant of the *cause* of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better by reason of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause* would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician and adapted to woman's delicate system. It is made of native American medicinal roots without the use of alcohol and is perfectly harmless in its effects in any condition of the female system.

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the distinctly feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

EVERY WOMAN ought to possess Dr. Pierce's great book, the People's Common Sense Medical Adviser, a magnificent thousand-page illustrated volume. It teaches mothers how to care for their children and themselves. It is the best doctor to have in the house in case of emergency. Over half a million copies were sold at \$1.50 each, but one *free* handsome cloth bound copy will be sent on receipt of fifty one-cent stamps to pay the cost of mailing and duty. Address the publishers, World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y.

Woman's True Friend

Experimenting with new and untried medicines is foolish, and often dangerous. It would take a medicine more than forty years, to prove itself so universally good as Dr. Pierce's Favorite Prescription. During all that time it has been woman's favorite medicine—a restorative tonic, uplifting and invigorating the nervous and discouraged and giving them the final touch of perfect health.

Women use Dr. Pierce's Favorite Prescription in preference to all other advocated medicines for it contains no alcohol or habit-forming drugs—is not anything like advertised, secret or patent medicines—does not claim to be able to do impossible things.

THE ONE REMEDY for women devised by a regularly graduated physician of vast experience in woman's ailments, and adapted to her delicate organism.

THE ONE REMEDY good enough that its makers are not afraid to print its every ingredient on its outside wrapper.

You can't afford to allow yourself to be over-persuaded into accepting any *secret* nostrum as a substitute for this honest square-deal *non-secret* medicine. Don't do it. No *honest* druggist will attempt to cheat you in this way. He who does should be rebuked and avoided. Doctors prescribe Dr. Pierce's Favorite Prescription for their worst cases because they know what it contains and know its ingredients to be of the very best.

It's well now and then to gently cleanse out bowel germs that breed weakness, cause foul breath, loss of appetite, dizziness and headache. Dr. Pierce's Pleasant Pellets keep bowels sweet and clean. Recommended by druggists because of their purity, goodness and active gentleness.

 And we'd float down the riv-er in my lit-tle red can-oe, While my ban-jo sweet-ly I would play.

 Help of the help-less, oh, abide with me!

 Shine through the gloom, and point me to

Swift to its close ebbs out life's little day;
 Earth's joys grow dim, its glories pass away;

 O thou, who changest not, abide with me!

 shadows flee!

In life, in death, O Lord, abide with me!

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of ingredients composing it is printed there in plain English. More than forty years of experience has proven its superior worth as a blood-purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone root and Mandrake root, Bloodroot and Black Cherrybark are extracted and preserved by the use of chemically pure, triple-refined glycerine.

Send to Dr. R. V. Pierce at Buffalo, N.Y., for *free* booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed.
