The Mackay Institution for Protestant Deaf-Mutes and the Blind

ANNUAL MEETING

The 44th Annual Meeting of the Mackay Institution for Protestant Deaf-Mutes and the Blind, was held at the Office of the President, Mr. David Morrice, Mark Fisher Building, 28 Victoria Square, Montreal, on Thursday, the 5th November, 1914, at 12 noon.

Among those present were Messrs. D. M. McGoun, Abner Kingman, G. B. Fraser, Rev. F. A. Pratt, Hon. Senator Mackay, Mr. C. W. Lindsay, Mrs. Frank Scott, Mrs. H. E. Ashcroft, Mrs. C. I. Root, Mrs. D. M. McGoun, Miss Roddick, Mrs. C. W. Lindsay, Mr. Durnford, Mr. Henry Smith and others.

The chair was taken by the Acting President, Mr. D. M. McGoun, who having called the meeting to order, requested the Secretary-Treasurer to read the notice convening the meeting.

This having been done, Mr. McGoun read a letter from Mr. D. Morrice, sending his kind wishes to the meeting. Mr. McGoun explained that owing to indisposition, which all regretted, Mr. Morrice was unable to attend.

The Chairman then requested the Secretary to read the Report and Statements as follows:

The Report of the Board,
" " " " Auditors,
" " " " Superintendent,
Balance Sheet,
Cash Statement,
List of Investments.

The Chairman then moved, seconded by the Hon. Senator Mackay,

That the Reports and Statements as read be adopted and printed for distribution.

Before putting the motion, Mr. McGoun reviewed the statements comparatively, and pointed out that the Institute had this year received \$6000. in legacies from deceased friends, and would, toward Spring, probably be paid the balance of the late Miss Dow's bequest, increasing the Endowment Fund another \$5000, and in 1916 the bequest of the Late Hugh Watson would be due, adding another \$5000. to the fund; the friends of the Institute had been kind in remembering it, and were placing the Institute in a strong position to extend its usefulness.

The motion was then carried.

The Rev. A. F. Pratt then moved, seconded by Mrs. C. W. Lindsay.

That the Meeting hereby desires to express its thanks to the President, Vice-Presidents, Directresses and Board for the care and attention given by them during the past year to the Institute and pupils, and that the following be elected for the ensuing year:

The Revd. Mr. Pratt, in speaking to the motion, said that the meeting, in electing Mr. Morrice to the office of Honorary President, showed its appreciation of his valuable, useful and kindly interest in the Institute. It is well known that Mr. Morrice takes great interest in all with whom he comes in contact, and his desire ever is to aid and help them in every way—more especially those who are afflicted; and to him one of the greatest charms of the Mackay School is its ability to relieve the condition of those who, but for

it and other institutions of the same kind, would be unable to communicate their wants to their fellow creatures. It is now due to him that he should be relieved from the arduous duties of the office which he has so well filled, and be elected the Institute's esteemed Honorary President.

Mrs. C. I. Root moved, seconded by Mrs. Frank Scott:

That the regrets of the Meeting be expressed to its kind President, Mr. David Morrice, at his being unable to be present at the Annual Meeting on account of indisposition, and it is hoped, that he will soon be restored to his accustomed health, and although they cannot expect to see him devote as much of his valued time to the Institute, they hope he will give them the pleasure of his presence at some of the Meetings.

Carried unanimously.

The Rev. Mr. Pratt pronounced the benediction and the meeting adjourned.

Managers' Report

To the Patrons, Governors and Friends of the Mackay Institution for Protestant Deaf-Mutes and the Blind:

Gentlemen and Ladies:

The Board of Managers of the Mackay Institution for Protestant Deaf Mutes and the Blind have the honour of presenting the forty-fourth Annual Report, being for the year ending the 30th June, 1914.

The Managers have pleasure at being able to report that during the year the work of the Pupils was satisfactory, but, unfortunately, in the Spring, there was an outbreak of an epidemic character, referred to in the Superintendent's Report, which necessitated the closing of the School earlier than usual.

The average number in attendance was 64.

During the year a Legacy was received from the Estate of the late James Elliott, General Manager of the

Molson's Bank\$1000.00

And on account of the late Miss Dow's bequest.. 5000.00

The latter has to be invested and the revenue used for the maintenance of the School. Due acknowledgments were made to the Executors of these Estates.

The buildings of the Institution are, in consequence of the new additions erected during the last two years, admirably adapted to carry on the requirements of the School, being bright, light and airy, affording ample accommodation for Pupils, Staff and other employees.

The books, financial statements and securities have been as usual audited and verified by Messrs. P. S. Ross & Sons, Chartered Accountants and Auditors to the Institution.

The Report of the Superintendent is presented herewith, and the best thanks of the Board of Managers are tendered to the Honorary Medical Staff for their kind, constant and great attention, and to them the Board feel they are deeply indebted.

The Board again desires to record their appreciation of the services of their valued Superintendent, Mrs. H. E. Ashcroft, and her Staff of Teachers, and feel that to them is due the progress of the Pupils and School.

Respectfully submitted,

DAVID MORRICE,

President.

G. DURNFORD,

Secretary-Treasurer.

P. S. Ross & Sons, Chartered Accountants, Montreal and Winnipeg.

Montreal, 28th August, 1914.

To the President and Board of Management of the Mackay Institute for the Protestant Deaf Mutes and the Blind:

Gentlemen:

We beg to report having completed our audit of the books of account and financial records of the Institute for the year ended 30th June, 1914.

The revenues have been followed up from the various sources and are satisfactorily accounted for, and proper vouchers were presented to us covering the disbursements for the period.

The Bank account has been checked in detail and the balance as established at the close of the fiscal year has been further confirmed by direct communication with the Bank.

The Securities in which the monies of the Institute are invested have been verified either by personal inspection or certificate.

The cash statement for the year ended 30th June, 1914, and the Balance Sheet as at 30th June, 1914, are signed by us as being in accordance with the books of account, records and documents examined by us.

(Signed),

Respectfully submitted,

P. S. ROSS & SONS,

Chartered Accountants.

Superintendent's Report

To the President and Board of Management of the Mackay Institution, for Protestant Deaf and Blind:

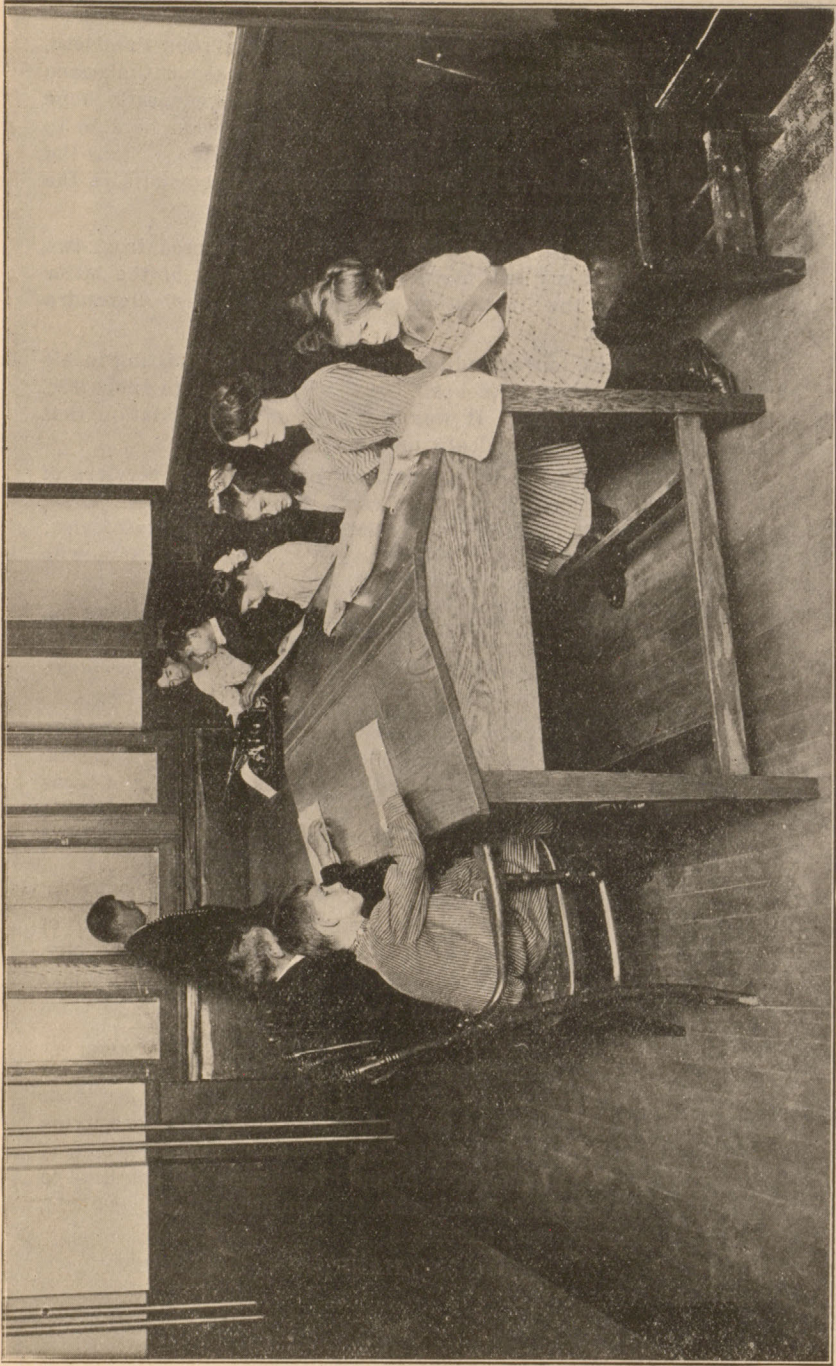

The number of pupils enrolled during the year was eighty-seven, in attendance sixty-four, thirty-nine girls and twenty-five boys.

The Blind department is distinctly separate from the Deaf, the curriculum being similar to that of ordinary schools. The staff of teachers is selected, not only for their high education and ability to impart knowledge, but also for their pleasing personality and fitness for the work. In addition to the English branches taught, the Blind receive instruction in Music, Braille Music, New York point, square writing, typewriting, elocution, raffia, chair-caning, knitting and sewing. One boy aged ten in June last successfully passed his Junior examination at the Dominion College of Music. Miss Catherine Smith, a most talented instructor, is in charge of the Musical department.

The Misses McLeod, Snowdon and Miller deserve special mention for their devotion to the Blind. These children are read aloud to each evening from books that are instructive and amusing, and Mrs. Root, Sweeny and Polly Raynes pay weekly visits for the same purpose. The deaf occasionally are entertained to magic lantern views in the assembly hall by Miss Geraldine Daly of the staff. Miss Anderson of the "Montesorri" department amuses her little pupils on Friday evenings by such games as are enjoyed by all children. Tempting tea-parties were given at intervals by Madames David Morrice, Alan Law, Walter Molson, G. K. Macdougald, and Ross Sims, and Miss Dow continues to give her annual treat. Other valued gifts will be found in the list of donations appended.

Indeed, all that can be done is done to render those under our care as happy as possible. Our home offers every comfort that any parent could desire.

Miss Geraldine D. Daly instructs a class in free hand drawing. Miss Myrtle Miller, one of the staff, resigned at the close of the session to attend to an invalid sister. Miss Miller was indefatigable in her work. Miss May Cunningham, their faithful supervisor, trains the children to make and mend their own dresses. The Deaf boys are under the skilled training of Mr. Eugene Libby, who presides over the well equipped carpenter shop where the boys acquire a knowledge also of cabinet making and wood carving. Many pupils whose speech is imperfect attend the public schools. Were their parents acquainted with our system and the character of our school, they would realize the wisdom of placing their children at our Institution and thus prevent their humiliation later in life.

The continued illness of our esteemed and generous President, Mr. David Morrice, since February last, and consequent absence from our Institution, is much to be regretted. We earnestly hope that his health may be renewed and that he may soon be able to continue his works of charity. Mr. D. M. McGoun stepped into the gap caused by Mr. Morrice's illness and paid weekly visits to the Institution which were most helpful.

I regret to report that during the year we suffered from two epidemics, chicken-pox and diphtheria. Thirty cases of the latter were treated at the Institution and eleven at the Alexandra Hospital.

Dr. Colin Ross, our attending physician, was unremitting in his attendance on those in residence. Dr. Coyle, City Health Inspector, also paid frequent visits. It was a matter of congratulation that all recovered, there is no death to report.

We wish to express our appreciation of the willing services of our other physicians, Drs. H. S. Birkett, Laryngologist; C. K. P. Henry, Surgeon; W. G. M. Byers, Oculist; J. M. Jack, Dermatologist; J. T. Roger, Surgeon; H. J. S. Nichol and F. C. Nichol, Dentists, who treat the pupils at their offices.

This Institution is undenominational. Services are held on Sunday afternoons in the assembly hall, when clergymen of different denominations officiate. Mr. Abner Kingman, our Vice-President, assists, too, in caring for the spiritual welfare of the children.

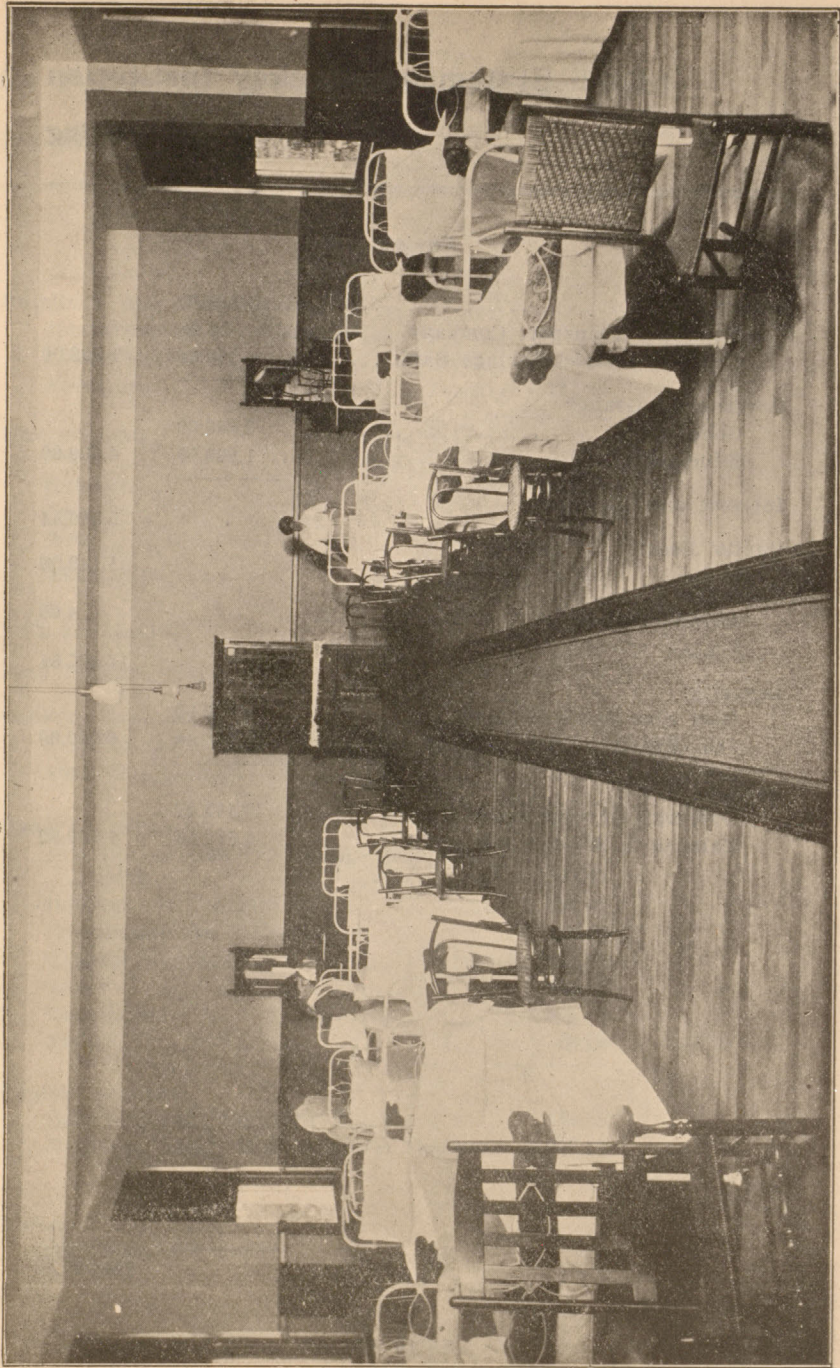

I have again to record our indebtedness to the Eastern Canadian Passenger Association for reduced rates of travel and our appreciation of the help received in clothing orphans, from the Dorcas Society, Knox Church; Crescent St. Church Ladies' Aid; Melville Church, Ladies' Aid; Westmount Methodist Church, Ladies' Aid, and the I. H. N. Society, Montreal.

In November last, His Lordship the Bishop of Toronto, on invitation, conducted service in our assembly hall. The Board of Management were present and all of our graduates from the city.

The outbreak of diphtheria decided the Management to close school at the end of May, when the building and grounds were left in charge of our faithful caretaker, Mr. Charles Kemp.

With heartfelt thanks to our President, Mr. David Morrice, to Mr. D. M. McGoun, to Mrs. C. I. Root, first directress, and to the other members of the management for their wise counsel and gratifying support and help in the administration of the internal workings of the Institution, and praying that Divine Providence will continue to bless us in our efforts to ameliorate the condition of the afflicted, this report is respectfully submitted.

HARRIET E. ASHCROFT.

Extract from Superintendent's Report for 1890-91

We desire, for the information of parents of pupils, as well as for those desirous of knowing what "course of study" is usually taken up by the deaf and to what proficiency we expect them to attain before considered ready to graduate, to call attention to our "course of study," the careful perusal of which will indicate the advancement, year by year, which an intelligent, industrious pupil ought to make.

We would specially direct the attention, to the course of study, of those parents who have withdrawn their children before they have made the progress in their education which the School affords, and which is necessary, and to point out that they are doing a life-long injury to their afflicted children, to whom education is the greatest boon that can be given. Much to be pitied as is the wholly uneducated deaf-mute, shut off from almost all intelligent intercourse with his fellow mortals, yet it is doubtful whether he feels his position as keenly as one whose mind has been opened to the consciousness that there is more knowledge (and higher positions attainable), from which he is debarred, because of the limited instruction received.

The ignorant deaf-mute, even if an object of charity, may be comparatively content, from the absence of knowledge and understanding; while the semi-educated, with his awakened and crudely-developed reasoning powers, has the ambitions, but is minus the ability of the highly educated, and cannot consequently be particularly happy and contented, in contrast with which the well-educated deaf may aspire, attain, and keep himself abreast with the world at large and enjoy the society of his fellow man.

There will be instances where pupils will "not" get through the course in the time specified. Irregularity in attendance, ill health, deficiency of intellect, physical defect or chronic laziness, may all be mentioned as retarding elements, and all of which have to be considered.
