BOUNDARIES OF THE HARBOUR OF MONTREAL
 8-9 EDWARD VII. CHARLES
 MAY 1902.

The Western and Eastern Boundaries are defined by the Natural Banks of the River St. Lawrence at High Water Mark.

The Northern Boundary extends from High Water Mark at the extreme Northern end of the Island of Montreal at Bois de l'Isle, 8 1/2 Miles below Longue Pointe Church, across the River St. Lawrence bearing due East astronomically to the High Water Mark on the opposite shore.

The Southern Boundary extends across the River St. Lawrence, from High Water Mark to High Water Mark, 3700 ft. above, and parallel to the Victoria Bridge.

Season of Navigation.
 The Ordinary Open Season of Navigation is from April 23rd to November 23rd - seven months - and frequently lasts from April 20th to November 30th.
